AT 712 NO. 23RD ST.

Mme. Glymer needs no comment concerning her ability or high standing in this community, as her genuineness is fully recognized by all who know her. She has practiced Palmistry in the city for the past seven years and the highest praise is universally awarded her. She has made many staunch friends and her patronage has grown until she was compelled to procure more commodious quarters. For the benefit of those who might not be acquainted with this wonderful woman we will say that it is generally conceded that in her profession she stands in the lead. Other Palmists frequently apply to MME. GYLMER for instructions. She has devoted her life to the study of this intricate science, and she has mastered it.

It is obvious that she has done a great deal of good in Omaha and her work is thoroughly appreciated. Her predictions have all been of the most difficult and impostant kind and they have invariably been accurate.
