13 A MANKER.
When considering that between \$50,000 and \$100,200 worth of goods have been thrown on the market by this firm at prices that pales into insignificance any-thing ever offered before, or ever will be again. It stands to reason that they can register a record-breaking sale.
More pinnes and organs were sold, more set goods, more musical instruments, than anticipated. Still a greater part of the stock has yet to be moved, and therefore we are cutting the prices still deeper and giving more goods for less money, and the high-class instruments will now be pushed as never was pushed before.
Among this lot is the world famous Knabe piano, Kimball planos, Kranich & Hach. Hallet & Davis, Lindeman, Needham, Kreil, Whitney, Wesser, and over twenty makes of planos, in beautiful cases, such as San Domingo mahogany, quartersawed loak. French walnut, Burl walnut, burternut, birch cases, in fact, the finest woods known to plano builders art, will be offered at prices that will bring the individual music buyer, as well as the dealer, to make their purchases, and we will not restrict them to a spot cash transaction, but will give the easiest terms known to
