Parks Will Appeal. NEW YORK, Sept. 17 .- Samuel J. Parks left tonight for Kansas City, where the convention of the International Bridge and tructural Workers is to be held. He has been ill all day and disobeyed his doctor's orders in going. He announced today that he is not a candidate for the presidency of the organization. KANSAS CITY, Sept. 17 .- James Mooney a coal miner of Novinger, Mo., a member of the national board of the United Mine Workers of America, suggested in a speech at the conference with operators this morning that the coal miners and the mine owners in this district combine to raise the price of coal so that the operators might make a good profit and the miners might get big wages, regardless of what it might cost the coal consuming public. This suggestion was immediately repudi

United Mine Workers of America, and by Mr. Lewis, vice president of that organization. Mr. Mitchell said: We, as an organization, believe that the operators are entitled to a fair profit upon their investment and that the wage earn-ers are entitled to a fair wage for their labor. But to obtain either we would not enter a combination to extort money from the public.
