Coffee Market.

Coffee Market. NEW YORK, Sept. 25.-COFFEE-Futures opened steady at unchanged prices to an advance of 5 points, following rather better European cables and continued small pri-mary receipts. After the call it showed further firmness and considerable activity resulted, after which offerings increased slightly and there was somewhat of a de-clining tendency. At one time in the after-moon the market was about unchanged Just before the close, however, the demand became brisker again and the market was finally strong net 10 points higher. Sales were \$2.000 bags, including October at 4.300 4.35c; January, 4.80044.55c; Pebruary, 4.35c; March, 4.5505.00c; May, 5.10056.15c; July and August, 5.25c.
