FOOT BALL SEASON OPENING

Two Games Played on Manawa Grounds for a Starter.

HARLAN BEATS BLUFFS HIGH SCHOOL

Dodge Light Guards Keep Up Their Record by Defeating Omaha Commercial College, Which Falls to Score.

The local foot ball season opened yesterday afternoon with two games on the Manawa grounds which were witnessed by a crowd of about 400.

The first game was between the Council Bluffs and Harlan High schools and resulted in the defeat of the home team by the score of 15 to 6. The other game was between the Dodge Light guards and the Omaha Commercial college, the soldiers winning by a score of 11 to 0, and thus retaining their record of never having been defeated.

The Council Bluffs and Harlan High schools played two thirty-minute halves. The first touchdown was made by Stanley of Harlan after seven minutes of play, but Harlan failed to kick a goal. A feature of the first half was a splendid sixty-yard run by Hammer of Harlan, placing the ball well in Council Bluffs' territory. The Bluffs boys, towards the end of the half, took a brace and held Harlan for down. In the second half, after seventeen minutes of play, Cobb of Harlan scored a touchdown but Harlan failed again to kick a goal. Both sides indulged in considerable punting. Madsen of Council Bluffs made a touchdown and Dudley kicked a nice goal. Just before time was called Cobb of Harlan went through the line and secured another touchdown, thus making the score 15 to 6 in favor of the victors.

In the first half of the game between the Guards and Commercial college both sides failed to score. Dietrich, however, crossed the line after fourteen minutes of play. The Collegians maintained that the Guards had had one too many downs. After a diagonal the Guards succeeded the ball to the Commercialists and the latter ended with the ball in the Guards' possession on the Commercialists' fifteen-yard line.

In the second half the Guards steadily advanced the ball and Dietrich made the first touchdown after seven minutes of play. Rutherford failed to kick goal. The Commercialists then kicked off and after several fumbles by both sides Stuart made the second touchdown for the Guards and Richmond kicked a good goal. During the remainder of the half neither side scored and the game ended with the ball in the hands of the Bluffs.

Trustees for the bankrupt implement firm of Aultman, Miller & Co. have brought suit in the United States court here against the Council Bluffs Savings bank for \$10,000 of farmers' notes alleged to be held by the bank as security for a loan of \$10,000 to the implement firm.

The loan was negotiated by the local manager of the implement firm, who in return agreed to deposit with the bank such notes as from time to time would be given by the firm's customers. This arrangement, the trustees claim, made the bank a preferred creditor at the expense of the other creditors and that the farmers' notes held by it should be made part of the assets of the firm and so distributed pro rata among the creditors.

RICHARDS' DEFENSE AN ALIBI Witness Says He Was in Albia at Time Robbery Was Committed.

(From a Staff Correspondent.) DES MOINES, Sept. 26.—(Special.)—The evidence has been concluded in the Richards trial at Indianola and the arguments were commenced this afternoon. The testimony of the defense was brief but is declared to have been very strong. Richards, the accused ex-deputy marshal, did not go on the stand in his own defense. Mrs. Richards testified, and also others, to establish an alibi for the defendant, and while the testimony for the state seemed almost impregnable it was admitted by attorneys today that Richards had made out an excellent alibi. The best testimony in his defense was from a man who declared he saw Richards on a train going to Albia at the time of the robbery.

Private information was received here today shedding some light on the remarkable case in Buchanan county of placing bloodhounds on the track of a bank cashier who had started across the country day this week, coupled with the statement that an effort was made to capture the man aroused suspicion as to the standing of the bank. Elmer Brintnall was cashier of the Farmers and Merchants bank of Aurora, Buchanan county, who had left the bank and was being tracked across the country by bloodhounds. Now comes an explanation and it is found there is a woman in the case. It is to the effect that while his account with the bank was all right, his account with the former bookkeeper of the bank, a young woman, and that she had been pressing a demand for \$2,000 against him. He had refused to pay up, and in order to block the game, he sold to have hidden all his property to the effect. This aroused suspicion and the disclosure which followed led to his hasty departure.

Plumbing and Heating, Bixby & Son. LENA DOERNER ASKS DIVORCE Romance Which Started at College Turns Out to Be Unfortunate.

The romance of August Doerner, the young Seventh-Day Adventist student and Miss Lena Koran, daughter of Mr. and Mrs. Julia Koran, wealthy residents of Lewis township, which began at the Seventh-Day Adventist college near Lincoln and resulted in their marriage last January, after numerous obstacles had been surmounted, has culminated in the young bride bringing suit for divorce.

Friday young Doerner was bound over to keep the peace towards his wife, after a hearing in Justice Owen's court on a charge of threatening to kill her. This, however, did not satisfy Mrs. Doerner, whose dream of married bliss had been rudely shattered in less than a year, and yesterday she began suit for divorce and caused an attachment for \$500 to be issued against a crop of corn and a team owned by her husband, to prevent disposition pending the determination of the suit. Mrs. Doerner alleged in her petition that her husband was preparing to leave the state without making provision for her or their infant son, of whom she asks the court to give her the custody.

As grounds for the divorce Mrs. Doerner alleges cruel and inhuman treatment. The petition recites a number of instances when Doerner is alleged to have cruelly beaten and choked into insensibility his young wife. Doerner is a highly educated young man and the son of one of the most prominent leaders of the Adventist church in Germany.

Mrs. Tillie Bloedel was granted a divorce yesterday in district court from Leonard Bloedel on the grounds of cruel and inhuman treatment.
