TRAVERS ISLAND, N. Y., Sept. 26-Only one record, that for the two-mile run, was bettered today at the games of the New York Athletic club on their track here. Alex Grant of the New York Ath-letic club accomplished the feat. His run was a remarkable exhibition of steady gpeed for the distance and terminated with a dash for the tape that cut five and one-fifth seconds from the previous time for the two miles. Grant's time was 9:27, and the record which had stood for thirteen years was made by Willle Day on the Berkeley oval. May 17, 1890, Day's time was 9:32%. Grant ran the first mile in 4:43% and all the way he had the race well in hand, finishing strong and fresh. George v. Bonhag, Pastime Athletic club, ran sec-ond to Grant. nd to Grant.

There being no evidence to contradict Mrs. Finnigan's version of the transaction when the bird changed hands, she was discharged and allowed to keep her pet. It is asserted a civil suit will be brought by Giffin to recover his
