ENLISTS HOSPITAL CORPS

Adjunct to Guard Force of the State to Be Located in the Bluffs.

BODY NOT ATTACHED TO ANY REGIMENT

Major Macrae, Surgeon of the Fifty-sixth Regiment, is to Have Charge of Enlistment and Organizing the Corps.

In addition to the Dodge Light Guards Council Bluffs will in the near future be the headquarters of another branch of the Iowa militia.

The enlistment is to be made under practically the same regulations which apply to the regular army.

Surgeon Macrae in discussing the matter yesterday said: "Council Bluffs ought to be flattered at being selected as the headquarters for this new hospital corps."

Major Macrae stated that he would be prepared to receive applications at once from any one anxious to enlist in the corps, and that application should be made to him at his office in the Merriam block.

These transfers were filed yesterday in the abstract, title and loan office of Squire & Annis, 101 Pearl street.

WABASH GIVES LAND TO CITY. Ends Litigation Which Started in the Days of the Receivership.

Several years ago the city desired to open Sixteenth avenue between Main and Third streets and began proceedings to condemn property owned by Mrs. M. F. Rohrer and the Wabash railroad.

No steps in the matter have been taken by the city authorities for some time and in fact had almost been forgotten.

This unlooked-for action on the part of the railroad company not only ends the litigation, but evidences a desire on the part of the new management for more cordial relations between the city and the railroad company than existed at the time the railroad was in the hands of a receiver.

This piece of property was absolutely essential for the complete opening of Sixteenth avenue between Main and Third streets, and the railroad could, had it been so disposed, force the city to pay a good big round sum for it.

Is it commonsense that we, the greatest commercial nation in the world, should be so backward as to have no tariff?

NEW YORK, Oct. 1.—Comptroller Grout and President Furness in letters addressed to R.
