Pittsburg Takes the Third Game in the Ber.os for Championship.

PHILLIPPI PITCHES A SUPERB GAME lughes for Boston is Knocked Out of

Box and Succeeded by Young, Who Proves to Be Effective.

SOSTON, Oct. 3.-Pittsburg won the third game of the world's championship series here today, defeating the Boston Americans 4 to 2. Almost 19,000 persons circled the field.

Phillippi pitched another superb game for Pittsburg, holding Boston to four hits. Hughes of the Bostons was knocked out of the box in the third inning. Young, who succeeded him, was effective, but his own error helped Pittsburg score a run in

the eighth inning. The game was brilliantly played by both teams. For Pittsburg, Wagner played a perfect fielding game. Almost every play in which he figured consisted of a sharp grounder taken on the run at full reach and thrown without pause. Attendance,

#### THE VALUE OF CHARCOAL

Fow People Know How Useful It is in Preserving Health and Beauty.

Nearly everybody knows that charcoal is the safest and most efficient disinfectant and purifier in nature, but few realise its value when taken into the human system for the same cleansing purpose.

Charcoal is a remedy that the more you take of it the better; it is not a drug at all, but simply absorbs the gases and impurities always present in the stomach and intestines and carries them out of the

ing, drinking or after eating onlone and other odorous vegetables.

Charcoal effectually clears and improves the complexion, it whitens the teeth and further acts as a natural and eminently mafe carthartle.

It absorbs the injurious games which collect in the stomach and bowels; it disinfects the mouth and throat from the polson of catarrh.

All druggists sell charcoal in one form or another, but probably the best charcoal and the most for the money is in Stuart's Absorbent Lozenges; they are composed of the finest powdered Willow charcoal and Walters, I. other harmless antiseptics in tablet form. or, rather, in the form of large, pleasant tanting lowenges, the charcoal being mixed

The daily use of these lozenges will soon tell in a much improved condition of the general health, better complexion, sweeter breath and purer blood, and the beauty of it is, that no possible harm can recult from their continued use, but, on the con-

trary, great benefit. A Buffalo physician, in speaking of the benefits of charcoal, says: "I advise Stuart's Absorbent Lozenges to all patients affering from gas in the stomach and bowels, and to clear the complexion and purify the breath, mouth and throat; I believe the liver is greatly benefited by use of them; they cost but twenty-five cents a box at drug stores, and although in some sense a patent prepara-tion, yet I believe I get more and betterchargoni in Stuart's Absorbent Losenges than in any of the ordinary chargoal tab-

SHE IS TWICE CHAMPION Miss Bessie Anthony Adds National Honors to Western Golf

Championship.

WHEATON, Ill., Oct. 3.—The women's national championship belongs to Mies Besaie. Anthony of the Gienview olub. Chicago. She made a runaway match of her same with Mrs. J. Anna Carpenter of Westward Ho in the finals for the championship over the Wheaton course today, taking the lead at the fourth hole and steadily increasing it until the end came at the twelfth hole. Miss Anthony winning. Jup and 5 to play. Considering the weather conditions, a thirty-mile gale aweeping over the course, during the satire play. Miss Anthony's game-was remarkable. Only twice was she in trouble, getting into the bunker guarding the first hole on a long brassy; shat, and driving out of bounds on the seventh. Miss Carpenter, on the contrary, played in woefully bad form. Seven bunkered shots and two balls driven into the wide pond guarding the inth and tenth holes told the story of the defeat.

This is probably the last golf tournament Miss Anthony will ever figure in. She will be married on November 3 to Mr. B. S. Horne of Pittsburg, and stated to friends today that she did not either expect to defend her title to either western or national championships next year.

Armours Beat Omaha.

Because the Armours beat the Omahas in the bowling game at Clark's alleys Friday night, the last year's champions were so utterly disgusted that they burned the score before anyons had a chance to rescue it from their clutches. The score was close, but the fact that they had been defeated drove them to desparate measures, and after they thought they had destroyed all evidence of the disaster they wended their way to their homes to sleep off the defeat. They were mistaken, however, in thinking that they had put away all evidence, for one of the braves of an opposing team was so highly elsted that he rescued the card of figures from the fire, and it is herewith presented so that the bowling public may be set on the right track as to the result:

At No Stage of Game Do Indiana Show Themselves a Match-Score Forty to Nothing

The Creighton foot ball eleven had no trouble in laying low the red men from Genoa Saturday afternoon in an exciting struggle by the decisive score of 41 to 9. The Indians, though they still have seven of last year's strong men and some strong recruits, were entirely unable to withstand the heavy line plunging of Creighton's backs or to meet successfully the swift end runs. The Creightons, on the other C hand, were invulnerable to the attacks of the Indian braves and advanced the ball at will for big gains.

Grove, Stabler, Poitra and Sheely were the strong men at play for Genoa and Lamphier, Callahan, Creighton, Welch, McGovern and Coad were rivals for honors for

Creighton. The Indians having won the toss chose the north end of the field. Stabler kicked off to Callahan, who returned the ball ten yards. Then Creighton, Welch and Lamphier carried the ball to the goal, where it was fumbled. An Indian got it and a safety was scored for Creighton. Genoa kicked again and Mustain returned fifteen yards with the ball. Then gains of from five to fifteen yards were made by Welch. Coad, Creighton and Lamphier, Ball was fumbled on Indians' twelve-yard line and

Genoa got possession of it. Then their first chance of offensive play showed their weakness. They failed to make their gain and were forced to kick; Mustain got the ball and gained twenty yards behind superb interference. Then with the ball in Creighton's hands Lamphier went through for ten yards, Welch for seven and Coad for three. At this time McGovern took the place of A. Coad. Creighton made a touchdown and missed goal. Score, 7 to 0 in favor of Creighton. R. G. O'Nell was here relieved by Mullaly.

Fight Gets Fiercer. Creighton kicked out of bounds and Stabler of Genoa then kicked to Lamphier, who had five yards to his credit before he was downed. Then the ball was moved steadily toward the Indians' goal line until Lamphier broke through for a touchdown. Ed Creighton kicked goal. Score, 13 to 0. Captain Grove of Genoa got the ball on the kick-off and made ten yards. But soon the redskins had to resort to a kick which resulted in one of the prettiest plays of the day. Captain Callahan of Creighton caught the ball on the Indians' forty-yard line and by a succession of clever ma neuvers, evading the Indians, he crossed

the white line for another touchdown. Ed Creighton kicked goal. The first half ended with the ball in Creighton's possession on Genoa's forty-

five-yard line. Score, 19 to 0. Opening the second half Creighton kicked

The Dakotans bucked Nebraska's freshman line with rather poor success. Their longest gain was six yards, while the total of their gains, including returned punts, was only eighty-five yards. On straight foot ball Nebraska carried the oval 260 yards. The Cornhuskers confined themselves chiefly to running the ends and the Northerners' weak right wing repeatedly yielded long gains. Nebraska suffered severely on the score of penalties, infractions for holding or offside play costing the Cornhuskers forty yards.

The heat was oppressive and short halves of twenty-five and twenty minutes only were played. The call of time in the first half apparently deprived Nebraska of another touchdown. The Dakots goal line was only five yards distant, with the Corn-

other touchdown. The Dakots goal line was only five yards distant, with the Cornhuskers in possession of the ball and plunging abead on every play. The lineup:

## GEORGE CASTLE HAS MISHAP

Tom Dennison's Pacer Fal's in Hole and Q'd Record Stand .

**OUITS MILE IN TWO TWENTY EVEN** 

Despite the High Winds Which Prevall from Start Some Fast and Exciting Finishes Are

The attempt yesterday to break the Ne braska state pacing record of 2:13% for the mile on the half-mile track by George Castle, driven by his owner, Thomas Dennison, at the matinee of the Tri-City Amateur Driving club, was unsuccessful and the best the horse could do was 2:20. A high wind prevailed and an account of this the record run was left until the last event of the day. The beautiful brown gelding made Castle, driven by his owner, Thomas Den-

record run was left until the last event of the day. The beautiful brown gelding made a splendid start and passed the first quarter of a 23%. He kept the pace up and he passed the half-mile at 1:06 flat and the spectators all expected a fine flaish, but just as the horse rounded the third quarter he stepped in a hole and broke. All chance of breaking the state record was then off, but Mr. Dennison finished the race.

The track was very slow and a high wind prevailed throughout the entire afternoon. A fair-sized crowd attended, but it should have been larger owing to the fact that no admission was charged. The judges were heard to remark that even with all the conditions against them for a good meet the half-mile, barring that made by George Castle, was made by Mr. Dennison's The Kid, who ran the class A race in 1:39. One of the pretitest races of the afternoon, as the second heat of the class D race after Rocks had been withdrawn. Black Strab started off in the lead of Allie Chantwood and kept the pole until the third quarter had been reached, when, as if by magic the latter horse sprang to the fore and took the race by a neck.

The class C race attracted considerable attention and M. E. Wetherbee, whom, the good-natured crowd had dubbed "Uncle Mike," seemed to be the his element. His herse, Michael, would invariably break from two to four times in each heat, and but for a broken sulky he would he work the sace. He did take the first heat, however, which was a surprise to everybody. The complete result of the races followed. The complete result of the races followed. The complete result of the races follow.

## CHRONIC SORES

Signs of Polluted Blood.

There is nothing so repulsive looking and disgusting as an old sore. You worry over it till the brain grows weary and work with it until the patience is exhausted, and the very sight of the old festering, sickly looking

and impoverished condition, that your constitution is breaking down under the effects of some serious disorder. The taking of strong medicines, like mercury or potash, will sometimes so pollute and vitiate the blood and impair the general system that the merest scratch or bruise results in obstinate non-healing sores of the most offensive character.

Often an inherited taint breaks out in frightful eating sores upon the limbs or face in old age or middle life. Whenever a sore refuses to heal the blood is always at fault, and, while antiseptic washes, salves, soaps and powders can do much to keep down the inflammation and cleanse the sore, it will never heal permanently till the blood itself has been purified and the deadly germs and poisons destroyed, and with S. S. S. this can be accomplished-the polluted blood is purified and invigorated, and when rich,

pure blood is again circulating freely throughout

the body the flesh around the old sore begins to take on a natural color, the discharge of matter ceases and the place heals over. S. S. s. is both a blood purifier and tonic that puts your blood in order and at the same time tones up the system and builds up the general health. If you have a chronic sore write us and our physician will advise you
