We are pleased to announce to our friends and customers that we have completed arrangements with the Barrios Diamond Company for the exclusive sale of their goods in this city.

Barrios Diamonds are positively the finest imitation diamonds on earth. They have steadily grown in popularity since their first introduction into America seven years ago.

They are not a fad; they have stood the test of actual wear. These stones are warranted to retain their brilliancy forever.

This will be the most magnificent display of semi-precious stones ever shown in this city. The designs are exact copies of the latest popular New York and Parisian fancies, costing originally hundreds of dollars. The goods we will show are finished with the same exquisite care that characterizes the most expensive jewelry from exclusive manufacturers.

Barrios Diamonds are worn and admired by the most fashionable people the world over, and to meet the demand the Barrios Diamond Company has stores in all the principal cities of America, the capitals of Europe and South America.
