settlement," he writes, "are so objective catastrophe cannot be ignored. It would be like leaving an epidemic of smallpox to ture itself by neglect. This condition of situation which would result from a federal law compelling every European-born arti-States to reside inside of Pennsylvania and to be forbidden to seek employment outside the cities and towns of that state.

Competition for Employment,

"The murderous competition for employ bad blood between opposing races, the poverty and social wretchedness which such condition of things would create-apart readily be imagined by the American reader. But this is no overdrawn picture of the economic anarchy prevailing within

"The towns are crowded with artisans and traders and, as these are out of all proportion to the producers and consumers of an agricultural country, they necessarily become more destitute and wretched as their numbers increase. They are too poor to emigrate. They are prohibited from migrating. They cannot seek work on land.

eral occupations."

Mr. Davitt asserts that the czar can accomplish much for the Jews in his demain

Favors the Zion Movement. Returning to the subject of the Jew and discussing the amelioration of his condition, Mr. Davitt says:

I have come from a journey through the Jewish pale, a convinced believer in the remedy of Zionism. I falled to see any other that can offer an equal hope of success. It is a necessity of the actual situation and faces the growing perils of the tussian Jew with a courageous plan of repatriation.

Hope for partial or ultimate emancipation in Russia there is none. Other countries cannot be expected to relieve Russia of the unhappy victims of oppression and poverty. Where, then, are they to go? epatriation.
