WILL ATTEND POTTS HEARING

Sheriff Power and Attorney A. Altschuler will attend the hearing before Governor Cummins in the case of L. H. Potts, who is charged with having kidnaped Mabel Stogdholm at the time she was the victim of habeas corpus proceedings in the local courts, thereby incurring the contempt of the court. Mr. Power returned this morning from Des Moines, where he had gone to secure Potts, but the latter's friends in that city suggested that Potts be given a hearing before Governor Cummins before the extradition papers be acknowledged. As Governor Cummins is out on a speaking tour in behalf of his candidacy for reelection, a hearing in the matter was deferred until Sunday.

THE FRY SHOE

\$3.50 for Men. \$3.50 for Women

The reason we get more style, better quality and finer finish in our \$3.50 shoes, is a simple but always effective one—competition.

We are not confined to any one factory. All the best makers compete for our business. We buy where we can get the best styles—best quality—best goods and pay cash.

The shoes sold under fancy names are made by some one factory. The dealer must take what the factory wants to sell him—no competition.
