Foore Does Not Pairly Indicate Superiority Over Denver.

OPPONENTS ONLY GIVEN FIFTEEN YARDS

DENVER, Colo., Oct. 16.—(Special Telegram)—The Nebraska Formula High school played the special formula for the formula high school played the special formula for the formula high school played the special formula formula for the formula formula for the formula formula for the formula formula for the formula formula formula for district formula formula for district formula formula

The two teams were practically even of the score of avoirdupois. Nebraska's advantage being in the line and Denver's I the back field. The work of Nebraska' light backs, however, was strikingly brilint, they hurdled the Denver line or bucked through it with demonlike fierce ness, Eager, Benedict and Bell plunging along as if propelled by battering rams.

Mass Plays for Touchdowns. Inside the twenty-five yard line, when Yebraska only twice intruded, mass plays ends were pulled back and revolving masses on the Denver tackles carried the ball steadily forward and across the goal. Benmissed his first attempt to kick goal, while an effort by Benedict to punt out for

while an effort by Benedict to punt out for a free catch failed of its intent.

While Nebranka was suffering heavily as the result of fumbles, Denver, by a strange manifestation of fate, was actually profiting. Twice the Denver backs dropped the ball, and although it rolled forward ten to fifteen yards, some Denverite was lucky enough to clutch it and retain it for his team. Denver failed miserably in its efforts to advance the ball. The Nebraska line held firmly on every assault, and but once during the cantest were the westerners able to keep the ball on downs. The Cornhuskers' forwards plunged through on alhuskers' forwards plunged through on al most every play, and time after time th Denver backs were hurled back for losses Stuart for Denver and Benedict for Ne brasks both punted in fine form. The Des ver kicker had a very slight advantage, but while his booting netted a few yards more on the total, the Nebraska backs excelled in returning the ball, frequently sprinting back twenty yards on punts before being downed. Wilson and Fenton, the Corn husker ends, sped down the field on Bene

Suffer from Rent. Both teams suffered severely because of the excessive heat, because of which Company Booth and Griffith agreed on short halves of twenty-five and twenty minutes. The rare atmosphere also militated against the Cornhuskers and time was frequently taken to permit the Nebraskans to mend their bellows. On the score of penalties, Nebraska suffered the more. Three times the Cornhiskers were penalized for off-side play, while two infractions on the same account were charged up to Denver. The game, however, was unusually free from holding or plays and the spirit of cordial good fellowship that prevailed during the play was manifested by a gen-eral handshaking at the clubhouse at the close of the game, in which all of the players participated. The attendance was a disappointment to the managers of both teams, less than 2,000 persons occupying means in the stands. Denver has a rather rge contingent of former Nebraska citisens, many of whom witnessed the game and joined heartily in the Nebraska yell.

Believue 28, Taber 0.

A large crowd witnessed the foot ball game between Believue college and the Tabor income of the Called and although the visitors were besten by a score of 2 to 0, they put up a very credigable game. In the first place the team as a whole was in poor shape, but their men back of the line showed up well and did good work. They were speedy and saved a bigger score from being rolled up against them. The line was in no shape at all and the visitors lacked team work. Time and again the Bellevue boys plunged through the Tabor line for big gains. For the college elseven, the best work was done by Moore, the left halfback, who made two beautiful seventy-pard runs, one of them being from the kickoff. He also made several splendid skry-vard punts and his work in the game was greafly helped by the manner in which Throw tackied the opponents. On the defensive the team worked wonders and na a whole they made a record for themselves. Coach Fipal is very much pleased over the result of the game and is codgrasultating the boys on their wonderful improvement since the lisat contest. In the first half Moore made two touchdowns and Crow one. Two goals was vicked and the score stood II to 0 in favor of the college cleven. Quarterback Cooper did splendid work in the second half, landing two more touchdowns, bringing the score up to 2 to 0. One goal was believed and one missed. YORK, Neb. Oct. 16.—(Special Telegram.)

—The previous high score of York High school foot ball tearn, which was at to 6, was today surpassed in a game between York and Grand Island High school, by a score of 55 to 6. At no stage of the game had Grand Island any show of winning. The features of the game were the long and runn by the speedy backs coupled with the splendid interference of the line men. Brown of York sicked every goal, Grand Island boys put up a plucky game, but were outstansed in weight and science.

CREIGHTON THE

Defeat Picked Eleven in a Hotly Contested Game on Home Grounds.

TARKIO FAILS TO GET HERE ON TIME

Creighton kicked off to All-Omaha. Pixley took the pigskin and went fifteen yards safely. Langdon gained seven yards more, but All-Omaha had to resort to a kick, which landed the hall on Creighton's fifteen-yard line. I. Coad returned the ball ten yards, and the spectacular feature of the game was to be witnessed. Captain Callahan, as quarterback, and with the pigakin under one arm, shot out from behind the line and, protected by superb interference, galloped down the field, a distance of eighty-five yards, and scored reighton's third touchdown. E. Creighton kicked goal. Seire, 16 to 0.

The first half closed with the ba'l in Creighton's hands at their opponents' i ty-five-yard line.

Creighton kicked to Dietrich, who go: en yards, but the All-Omahas falled to gain and yielded up the ball to their op-ponents. Kippes, for Creighton, wedged Cond gained four yards and Weich crossed the goal line with the ball, but dropped t, no score resulting.

The All-Omahas having the ball, made ten yards, but had to kick soon, D. Cond taking the ball around the All-Omahas' right end and crossed seven chalk marks for thirty-five yards. The ball was steadily pushed along until Callahan placed it beyond the goal line, making another touchdown. E. Creighton kicked goal. Score,

Creighton kicked off and the same ended with the ball in possession of the All-Omahas on their thirty-five-yard line. The All-Omahas put up a hard fight They played clever foot ball and were only beaten by the stubbornness of Creighton's of their plays. Next Saturday the Creigh-
