CLOTHES FOR MEN AND WOMEN

### MEN'S FALL SUITS

**\$12 and \$15.**

TODAY A NEW SHIPMENT OF MEN'S FINE SUITS IS READY FOR YOUR INSPECTION.

These suits were made by a manufacturing tailor who is so jealous of his reputation that he won't permit us to mention his name in our advertising unless we maintain his high prices. We couldn't do that. If we did we'd make more profit than our rules require. So we let this statement suffice: The quality of the materials is not so much better but the patterns are more exclusive. The tailoring, besides having the perfection of other high-grade clothing, has been given innumerable touches of elegance which have the effect of classing it with the kind your tailor could not make for less than \$35.00.

YOU MAY EXAMINE THESE SUITS TODAY—TRY IT ON AND TELL US WHAT YOU THINK ABOUT IT.

THE CROMWELL

### Our Long Lasting STEEL RANGES

Finest cooking apparatus in the world. All we ask for them is \$3.00 down and \$5.00 per month, or the wholesale price for cash.

Mrs. Harrison, 2315 Boulevard, says: "When I bought my steel range I thought you was stretching things when you told me what it would do, but you stretched nothing, it does more than you said it would."

We enable every house wife in Omaha, it makes no difference how small her income is, to be the proud possessor of one of these beautiful ranges.

### \$3 Welt Soles for Women

Our expense in selling this \$3 shoe is such a trifle that we are able to give a better value than we could if we only had this one line to offer. Consequently, we put in more value than is found in most \$2.00 shoes.

We have five different leathers and twelve as many styles. Patent kid, box calf, velvet calf, ideal kid, and vic kid. No shoe gives such general satisfaction for winter wear as genuine welt. These at \$3 are genuine.

Your money back if you want it.
