MORE TESTIMONY BY NIXON

Says Schwab Opposed Plan to Assess Stock-
holders of Ship Building Company.

WIDE DISCREPANCY SEEN IN ESTIMATES

Hearing Adjourns This Afternoon and
Testimony of Schwab and Pam
May Not Be Taken for
Two Weeks.

NEW YORK, Oct. 23.—Lewis Nixon oc-
cupied the witness chair yesterday against the
bearing before the United States com-
missioner on the shipbuilding case, and
gave much valuable testimony concerning
the corporation. He testified that he had
opposed the shipbuilding reorganization plan
and had a counter proposition urged that
stock be assessed in order to raise the
amount to save the combination from
bankruptcy. His plan of assessment was
approved by Charles M. Schwab, holder at
that time of \$200,000 of the stock, who,
according to Mr. Nixon, declared that the
stockholders would not pay the assessment.

Mr. Schwab, so Mr. Nixon swore, declined
to put up any more unless the Bethlehem
bonds were given preference as a lien upon
the shipbuilding plants to the first mort-
gage bonds. Mr. Nixon's testimony also
developed the fact that there was a wide
discrepancy as to estimated earnings in
letters written by Treasurer Gary to mem-
bers of the reorganization committee and
Samuel Untermyer, counsel for the bond-
holders, asked if it did not seem that
there had been an attempt to minimize the
value of the shipyards and magnify the
value of the Bethlehem plant, but the wit-
ness would not say so.

Mysterious Check Is Found.
Much time was taken up with an un-
successful effort to get at the history of the
mysterious check for \$250,000 found at
the "Trust Company of the Republic." It
was drawn to "Lewis Nixon or ourselves"
on the same day the checks were made out
for the payment of the cash given to the

vendors for their plants and property. Mr.
Nixon swore that he had never seen the
check before and that he knew nothing
of its history. Both sides disclaimed
knowledge of its history and the destina-
tion of the amount for which it was drawn,
and the only explanation offered from any
source was that it had been made out
by mistake and had been simply put
through the bank by the Trust Company
of the Republic. The effort to get the
history of the check will be renewed later.
Mr. Nixon testified that he knew as early
as last April that unless the combination
could get some money from the Bethlehem
property or elsewhere it must fail and
warned his associates on the directorate
that they must husband resources.

It was brought out on cross-examination
that the share of promotion profits set
aside for Mr. Schwab, of which Mr. Nixon
swore yesterday had not been paid.
The hearing will go on tomorrow after-
noon and at the close will probably be
adjourned for ten days on account of
set engagements of counsel. This ad-
journment will probably prevent the tak-
ing of the testimony of Messrs Schwab and
Pam until some time next week after next.

KILLS POSTOFFICE ROBBER
Deputy United States Marshal in Mis-
souri Shoots Men Who Refuse
to Surrender.

MOUNTAIN GROVE, Mo., Oct. 23.—C. R.
Raney was killed yesterday by Deputy
United States Marshal W. T. Brown, of Springfield, and Deputy Mar-
shal Thomas, of Norwood.
Raney was with his nephew, Con Raney,
and both were armed with rifles. When
ordered to halt by the officers a battle
ensued. Con Raney was killed almost
immediately and Con Raney was wounded,
but not seriously, as he made his escape.
C. R. Raney was an alleged postoffice rob-
ber.

SPRINGFIELD, Mo., Oct. 23.—Rod Ray-
ney was 35 years old. He was under in-
dictment in the United States court
at St. Louis for using the mails to
defraud. The Rainey operated first in
Wright county and established several al-
leged country stores, for which credit was
obtained in Kansas City, St. Louis and
other cities. Goods were secured on false
representations, and eighty wholesale
houses were deceived by the gang. The
goods bought were never paid for and the
crowd made a large amount of money
before the United States took action.

CAMPAIGN RIOT IN OHIO
Driver of Sprinkling Cart Breaks Up
Johnson Meeting at Cincinnati.

CINCINNATI, Oct. 23.—Congressman
Robert Baker of Brooklyn, William Everett
Hicks of New York and others have been
holding meetings here for some time in the
interest of Mayor Tom L. Johnson's can-
didacy. Hicks was addressing a meeting
near the postoffice building this afternoon
when Anthony Scholer, driver of a sprink-
ling cart, told the crowd to clear the way,
and when the crowd did not move, he
went ahead and came very near running
over Congressman Baker, who protested,
and then the driver used his whip on Baker
and turned on the water and the crowd
was drenched.
An incident riot followed until the po-
lice arrested both Baker and Scholer.
Baker was promptly released and Scholer
was held on bail.

CONGRATULATES WOS. GIL
Minister Powell Tells Little Republic
that It Must Line Up to Obli-
gations.

SAN DOMINGO, Republic of Santo Do-
mingo, Oct. 23.—The United States minister,
Mr. Powell, delivered yesterday at the
national palace an autograph letter from
President Roosevelt congratulating General
Wos Gil upon his election as president of
the republic. Mr. Powell referred to the
kind wishes of the president and people of
the United States for the prosperity of the
Dominican republic, adding that if the
Dominicans wished to maintain this friend-
ship it was necessary for their government
to live up to its obligations and carry out
fully its promises.

Mr. Powell pointed out that the Wash-
ington government did not seek to destroy the
autonomy of this government and was
ready to protect its territorial rights, but
would not protect Santo Domingo against
its lawful creditors.

President Gil replied that Santo Domingo
intended to act in accordance with its
powerful neighbor and said it was the
government's intention to settle all differ-
ences amicably. He thanked the American
minister for the kind words conveyed to
him from President Roosevelt.

MISSING MAN IS IN DENVER
When Found Georgian Was Surprised
to Hear He Had Been
Lost.

DENVER, Oct. 23.—W. S. Love of Savan-
nah, Ga., who has been missing from his
home for several months and who was
reported to have been drowned, has been
located in this city, where he has been
working as a bookkeeper. An eastern in-
surance company, in which Love held pol-
icy, delayed payment upon them until an
investigation into his reported death could
be made. Jordan W. Garrison was de-
tailed to make an investigation and while
in Denver on other business accidentally

met Love on the street and recognized
him. Mr. Garrison says that he does not
believe there was an attempt to defraud
the insurance company. Mr. Love says he
made no effort to conceal his identity since
coming here, but used his real name and
in seeking employment gave the name of
Savannah business men as references.

STEAL NORTHWESTERN ENGINE
Desperate Men Seize Locomotive and
Cause Suspension of Traffic
on Division.

MILWAUKEE, Oct. 23.—The theft of a
Chicago & Northwestern locomotive by
six desperadoes has stopped all traffic for
twenty miles south of Janesville.

At 11 o'clock Thursday night the men
stole the locomotive from the gravel pits
near Beloit and started south at full speed.
The theft was not known until the engine
was seen leaving Beloit with the throttle
wide open, and the men aboard yelling de-
fiance to the railroad men, who had dis-
covered that the engine had been stolen.
Just too late to turn a switch and stop
the runaway.

Just as soon as the Janesville officers of
the company were notified the dispatchers
stopped every train between Janesville and
Caledonia, Ill. The Chicago officers of the
division were called out and emergency
crews with officers started out in pursuit
of the fugitives, and every effort is being
made to catch the runaway engine and
its crew.

CHICAGO, Oct. 23.—The officials of the
Chicago & Northwestern railroad today de-
nied the report that traps on a stolen
locomotive running wild near Janesville,
Wis., had caused a tieup of traffic on the
road.

The report, according to the officials,
grew out of the fact that an engine used
in gravel service near Beloit ran away,
stopping for want of steam after covering
several miles of the main line.

ARRESTS FOR FENCING LAND
Federal Grand Jury in Kansas In-
dicts Several Cattlemen Who
Are Under Bonds.

TOPEKA, Kan., Oct. 23.—A deputy United
States marshal went to Riley county
today and placed C. P. Dewey and his son,
Chauncey Dewey, under arrest on a charge
of fencing government land and intimi-
dating the settlers in Cheyenne county.
The indictment was returned by the grand
jury at Leavenworth and included James
McBride, William McBride and William
Ratliffe, employees of the Deweys on their
western ranch. Among the principal wit-
nesses for the government will be the
Berry brothers, whose relatives were mur-
dered some months ago on a ranch near
the Dewey home.

The Deweys were arraigned today and
gave bond until their hearing before the
federal court at Topeka at a date to be
set later.

WELSH MAKE STRONG PROTEST
Say They Made No Legal Contract, but
Came on Promise of
Work.

PHILADELPHIA, Oct. 23.—Appeals
against deportation were sent to Wash-
ington tonight by the Welsh miners who are
detained here by the immigration commis-
sioners as violators of the contract labor
law on their way to work at Ellsworth,
Pa. A decision is expected by them before
the hour fixed for their sailing Saturday.
British Consul Powell and the Welsh so-
ciety of Philadelphia are taking an inter-
est in the men and are doing their utmost
to stop the deported deportation.
Under instructions from the British con-
sul the British vice consul with a clerk
took the statements of all those detained,
twenty-seven men and one woman. It is
understood that the Welshmen deny that
they made a legal contract with the Ellis-
worth company, but say they accepted
an offer of work at good wages and good
conditions otherwise.

FUGITIVE ALDERMAN CAUGHT

Charles Kratz, Who Forfeited Bond at
St. Louis, Arrested in
Mexico.

ST. LOUIS, Oct. 23.—A special to the
Post-Dispatch from Guadalajara, Mexico,
says that Charles Kratz, a member of the
St. Louis city council indicted on a charge
of bribery, who jumped \$20,000 bond, was
arrested today by the local authorities on
orders from the federal government at the
City of Mexico. He will be held until
officers with requisition papers from the
United States arrive.

Mr. Folk expects to have Kratz back in
Missouri within ten days. The papers
necessary for the extradition are all in the
state attorney's possession and he will dis-
patch a man tomorrow morning to Mexico
for Kratz. The papers were signed in St.
Louis by Governor Dockery and the local
officials some weeks ago and were then
forwarded to Washington. There the neces-
sary signatures of the federal officials were
attached and the papers returned. They
are now in the state attorney's safe.

MAY CHALLENGE FOR CUP
Watson Asked to Accept Pit His Skill
Against American Yacht
Builder.

LONDON, Oct. 23.—Despite the denial of
T. W. Lever of Birkenhead having any in-
tention for the America's cup, the fact
that he has asked George L. Watson if he
would undertake the work of design-
ing and superintending a cup challenger,
is now admitted to be indisputable.
Mr. Watson, thus far, has neither
definitely declined or accepted and, pos-
sibly explains Mr. Lever's denial, as he
is not likely to do without Mr. Watson.
The latter's answer may be affected by
the fact that a well known Clyde yacht-
man, a lifelong friend of Mr. Watson,
contemplates challenging, and broached
the subject to the yacht designer before
Mr. Lever.

INDICT FORMER OFFICERS
Deposed Surveyor General of Arizona
and His Clerk Accused of
Crimes.

PHOENIX, Ariz., Oct. 23.—Eleven joint
indictments were found today against Hugh
H. Price, the recently deposed surveyor

general of Arizona, and his chief clerk,
W. E. Murphy, removed. They are charged
with conspiracy to defraud the government,
acceptance of bribes and extortion.

FIGHT ON CONGREGATIONS
Premier of France Says that Govern-
ment Will Destroy Congrega-
tional Education.

PARIS, Oct. 23.—The first debate in the
Chamber of Deputies since the opening of
Parliament last Tuesday resulted today
in an unusual victory for the govern-
ment. Premier Combes demanded that
the interpellations, of which there are
many on the subject of the religious con-
gregations, be united with the general
policy of the government, and the re-
ligious interpellations were withdrawn.
Opposition speakers, Mm. Gauthier and
Dannette, dwelt chiefly on the recent
strike riots at Armentieres and Hennebot,
reproaching the government for not taking
measures to prevent disorder, to maintain
liberty to work and for not ordering the
troops to interfere until the houses had
been pillaged and burned. The premier
replied that the cabinet had determined
to govern with the entire republican party
against the reactionary coalition. Re-
ferring to the situation at Armentieres,
he said there had been plenty of troops
there and the fact that no action was
taken was due to the military commanders.
The civil authorities had neglected no pre-
cautions.

The government intended, the premier
continued, to carry on the war against
the congregations as well as a war for free
thought against slavery of the intelligence.
In conclusion M. Combes announced the
government's intention to repeal the Fal-
loux law, thus destroying congregational
education. The chamber voiced its unqual-
ified confidence in the government by a
vote of 322 to 223.
