Concludes Stormy Meeting. AMERICAN AND EASTERN CAUSE TROUBLE

Walk Out of Meeting When They Cannot Have Their Way, but Finally Conclude to Come Back and Be Good.

BT. LOUIS, Oct. 24 .- (Special Telegram.) The National Association of Base Ball clubs concluded the third annual meeting today after one of the stormlest sessions ever held by that body. At the very outset it was plain to be seen that the American association and Eastern league were trying to run everything to suit themselves and when they falled arose to a man and walked out. A committee was appointed to walt on them and after two days of hard labor an agreement was reached which the association modified somewhat which was agreebale to all and everything is in harmony again.

Twenty-one leagues with 100 delegates were present and when the tricky work of Watkins and Stallings began to show its scheme of making their pet leagues a major organization with all the privileges and concessions no wonder they were bitterly opposed by the remaining delegates, for the very life and foundation of the national association is founded on independence and protection for all its members and not a chosen few.

In the next line buck Frail plunged through between Believue's guard and tackle and caught Moore five yards behind the line. For five minutes Dundee held well, then Moore made another end run, placing then Moore made another end run, placing the oval on Dundee's 10-yard line. Murtough carried it over, after which Moore kicked a very difficult goal Bellevue tried another place kick from field, Moore making forty-five yards and Sloan beating the visitors to the ball. Shellidy made a 25-yard touchdown, but was penalized for running off the field. In the next line buck, however, Cooper carried it across again; Moore made goal.

From then Dundee lost heart and Moore, Sloan, Thruw, Pape, Throw, Moore, Throw, in the order given made easy touchdowns, while Moore failed but once to kick goal.

Leaves with Family and Baggage in Private Car for Boston.

MAY SAIL FOR AUSTRALIA

Refuses to Be Interviewed and Guards All of His Movements in the Matter with Greatest of Secrecy.

NEW YORK, Oct. 24.-The Times is authority for the statement that, guarding his movements with all possible secrecy John Alexander Dowle, "Elijah the Reformer," left New York at midnight for Boston, carrying all his family and baggage with him in his private car. He absolutely declined to indicate in any

way when he will return to this city, and the information obtained was that he intends to sail with his family for Australia. It was impossible to ascertain last night whether any provision had been made for the members of the Zion restoration host now at Madison Square Garden, either for their return to Zion City or for their maintenance while here. Upon arriving at the station Dowie and his family made for the private car which was in the yards, but before reaching it he was approached by a press representative and asked when be

would return to New York. "Peace be to thee," was his only reply. "I understand that, but when are you

coming back?" was urged, "Get out of the road," yelled the son as he hurried his father into the car, quickly followed by Mrs. Dowie.

As soon as Dowie and his family were in the car the curtains were pulled down and every attempt made to prevent disturbance or interference. There was no demonstration of any sort about the station and the only persons gathered outside of the few members of the host were travelers who were waiting for trains and who showed a lively interest in the affair.

Dowie Denies the Story.

BOSTON, Oct. 24.-Dowle was seen later and denied absolutely that he is to sail for Australia with his wife and son. He said would return to New York at 2 o'clock this afternoon.

John Alexender Dowle, his wife and sor arrived here early in the private car Colanthe. The doors were locked and the curtains pulled down when the car arrived and all attempts to gain admission were blocked by attaches of the car, who said that Mr. Dowie positively refused to see anyone. Railroad officials say that the Colanthe is scheduled to return to New York this afternoon About 9 o'clock Mr. Dowle, accompanied

by his wife and son, appeared on the platform Dowie said that he had come to Boston with Mrs. Dowie and his son to see them safely on board the vessel for England on their way to Australia. He sald he intended to start back to New York as soon as they salled.

At this point he was told of a report that he intended to sail with his wife, abandoning his New York crusade. Dowie denied the truth of the report. He said that was absolutely false, that he had no intention of sailing for England and that he should return to take up his work in New York, starting this afternoon.

Attach Dowle's Property.

Deputy Sheriff Wallace today received an attachment for \$1,050 against the property of John Alexander Dowle in favor of Robert E. Farley of White Plains, N. Y. Mr. Farley is an attorney at White Plains services rendered in the case of J. Luther rested for allowing his daughter to die of catarrhal pneumonia without a doctor

When he was arrested, Mr. Farley says, he was retained by Dowle to defend the man. The man was convicted and fined. The case was then taken to the appellate Later the court of appeals sustained the conviction and Pierson paid a fine of \$509 to District Attorney Youngs in White

Car of Logs Burns on Track.

ARION, Ia., Oct. 24.-(Special.)-A car of pine logs was discovered to be on fire while passing through here on a Milwaukee freight train this afternoon. The car was detached from the train and allowed to burn itself out. Traffic was not seriously interfered with. The afternoon Omaha train on the Illinois Central, whose track adjoins the Milwaukee, was switched onto the sidetrack. The burning logs created an intensely hot fire, as they were all ablaze at one time and made a pretty sight, but as there was little wind the sparks were not carried to other property.

Boxing Match Postponed.

The match between Philadelphia Tommy Ryan and Billy Rhodes, the local welterweight, has been postponed until November 6. Ryan is already in good condition, but will continue his training in order to hold his weight down. Word from Rhoades is to the effect that he is also in good fettle and the Omaha Athletic club is looking forward to a good go when these men come logether.
