Supreme Court Orders Lancaster Ballots Printed with Separate Circle for Each of the Fusion Parties.

From a Staff Correspondent.

LINCOLN, Oct. 31.—(Special.)—The last day of registration here, if anything, more disappointing than the other two, due to some extent possibly to the extremely inclement weather.

In the meantime most of the active work by both the republican and fusion headquarters has been completed and all that remains to be done is to draw in the lines that have been thrown out during the campaign.

Anyhow, the republicans are not uneasy whether it rains, pours or just stays dry. The state committee has done its work and the party is so well organized over the state that it will be ready for any surprise the two-headed aggregation may try to spring.

ONLY A SUGGESTION. But It Has Proven of Interest and Value to Thousands.

Common sense would suggest that if one wishes to become fleshy and plump it can only result from the food we eat and digest, and that food should be albuminous or flesh forming food, like eggs, beefsteak, and cereals.

But the trouble is that while we eat enough and generally too much, the stomach, from abuse and overwork, does not properly digest and assimilate it, which is the reason so many people remain thin and under weight; the digestive organs do not completely digest the food forming beefsteak and eggs and similar wholesome food.

There are thousands of such who are really confirmed dyspeptics, although they may have no particular pain or inconvenience from their stomachs.

If such persons would lay their prejudices aside and make a regular practice of taking after each meal one or two of Stuart's Dyspepsia Tablets, the food would be quickly and thoroughly digested, because these tablets contain the natural peptones and diastase which every weak stomach lacks, and by supplying this want the stomach is soon enabled to reach its natural tone and vigor.

Stuart's Dyspepsia Tablets digest every form of flesh forming food—meat, eggs, bread and potatoes—and this is the reason they so quickly build up, strengthen and invigorate thin, dyspeptic men, women and children.

Invalids and children, even the most delicate, use them with marked benefit as they contain no strong, irritating drugs, no cathartic nor any harmful ingredients.

It was discovered that a strange woman had driven to Foster and that she had induced the young teacher to accompany her.

Nature's Greatest Cure For Men and Women

Swamp-Root is the Most Perfect Healer and Natural Aid to the Kidneys, Liver and Bladder Ever Discovered.

SWAMP-ROOT SAVED MY LIFE

I received promptly the sample bottle of your kidney remedy, Swamp-Root.

I had an awful pain in my back, over the kidneys, and had to urinate from four to seven times a night, often with smarting and burning.

I lost twenty pounds in two weeks and thought I would soon die. I took the first dose of your Swamp-Root, in the evening at bedtime, and was very much surprised; I had to urinate but once that night.

and the second night I did not get up until morning; I had used three bottles of Swamp-Root, and today am as well as ever, am a farmer, and am working every day, and weigh 150 pounds, the same that I weighed before I was taken sick.

Gratefully yours, MR. T. S. APKER, Sec. F. A. & L. U. 804, Marsh Hill, Pa. April 8, 1903.

There comes a time to both men and women when sickness and poor health bring anxiety and trouble hard to bear.

Dr. Kilmer's Swamp-Root, sent me on my request, I experienced relief, and I immediately brought my druggist two large bottles and continued taking it regularly.

I am pleased to say that Swamp-Root cured me entirely. I can now stand on my feet all day without any bad symptoms whatever. Swamp-Root has proved a blessing to me.

Gratefully yours, MRS. E. AUSTIN, 19 Nassau St., Brooklyn, N. Y.

and very much run down, I had great difficulty in retaining my urine, and was obliged to pass water very often night and day.

After I had used a sample bottle of Dr. Kilmer's Swamp-Root, sent me on my request, I experienced relief, and I immediately brought my druggist two large bottles and continued taking it regularly.
