DEMOCRATS GAIN IN THE LEGISLATURE

Governor Refuses to Honor Requisition for Return of L. H. Potts to

Omaha to Answer Charge of Kidnaping. (From a Staff Correspondent.) DES MOINES, Nov. 4 .- (Special Tele-

gram.)-Returns from every county in the state of Iowa received tonight show that Governor Cummins' majority istead of being about 60,000 was in fact about 81,000, The countles late to hear from have materially increased the majority. The demo crats have elected twenty-one of the mem bers of the house and will have seven in the senate. "I am greatly pleased with the plurality given me," said Governor Cum-

"for it is more than I had expected,

considering the nature of the contest." The governor received a telegram of congratulations from Secretary Shaw and another from Governor Durbin of Indiana, and many friends in other states. No figures are obtainable on the rest of the state ticket, but the meager reports from this part of the state show that the ticket ran evenly and there will be very little difference in the vote of the different candidates. The interest today centered in the legislature. The democrats have carried about twenty-one house districts and seven senatorial districts. The democrats carried the following counties and districts for the house: O'Brien, Union, Jackson, Allamakee, Chickasaw, Clinton (1), Dubuque (2), Johnson, Washington, Decatur, Fremont, Mills, Shelby, Carroll, Crawford, Cass, Pocahontas, Des Moines, Lee, Davis, Bremer, Jefferson, Ida-Monona, Buchanan, Lyen-Osceola and Keokuk. The democrats carried the senatorial districts of Jackson, Bremer-Butler, Davis-

Appanoose and Iowa-Johnson. The Woodbury district was carried for the republican candidate for senator by only 19 and for the two republican representatives by small majorities. In Polk county the republican vote was over 9,600 and the plurality for Governor Cummins within 600 of what it was two years ago, which was more than expected. Wants Pardon that He Might Murder

Governor Cummins was today made acquainted with the fact that Al McKinney, new serving time in the penitentiary for having shot at Rev. F. C. Lomack, is seeking a pardon for the purpose of getting out to kill Mr. Lomack. McKinney was sentenced for three years because he shot the preacher while the latter was walking with a woman whom he afterward married. Now Mrs. Lomack has secured a divorce from her husband and McKinney wrote to ber seeking her assistance in securing a pardon. The shooting of Mr. Lomack was because of jealousy of the preacher over the woman in the case. But McKinney wowed that if he socured pardon he would first kill Mr. Lomack, then marry his dihaving shot at Rev. F. C. Lomack, is seektherefore under the laws of Iowa it cannot with a woman whom he afterward married. first kill Mr. Lomack, then marry his divorced wife. She did not like this program and told the governor what she had learned. All parties are colored.

No Requisition Issued.

The governor refused a requisition for the return to Omaha of L. H. Potts and turns show that he received a plurality of deemed a defense to any claim by such 1,071 over James O'Nell, the democratic candidate. Two years ago Cousins, rep., disc sold.

The Portland company also files a counter dem., for this office. Owing to the fight made by the democrats for both of these offices the vote throughout the county is of more than ordinary interest, and was as It is alleged that two years after the date of the contracting possession of the little of the contracting possession possession of the little of the contracting possession possession possession possession possession possession possession possession posses pose of securing possession of the little girl whom it was alleged Potts had stolen. Mr. and Mrs. Potts propose making their home in this city and today the child, which they claim to have adopted, was received by them, as it had been in hiding before.

The Iowa fire insurance men held a meeting here today, with nearly 200 present, and proceeded to form a state association or
