"It's all in that powerful ventilator" that makes our Rochester, N. Y.

BASE BURNER

so popular. All we ask for it is \$5.00 and \$5.00 per month, or the wholesale prices for cash.

Mr. Emery, manager of the Cooperage Works of the Union Stock Yards, who has from 150 to 200 men under his charge, called at our store last Saturday and after looking over our Base Burners a few moments inquired the price of our largest size. Being told the price he asked when we could deliver one. Being told that we could deliver one right away, he said he would take one and paid for it. After he had paid for it he said he was the best customer he had ever had and that he would not look for any other.

It had the reputation in the east of being the best Base Burner made, and he would not look for any other.
