always bears the marks of originality. The very style—material and workmanship stamp them as the highest results of the tailors' art. There may be imitators—weaklings they are, for they lack that exclusiveness seen at a glance in a Nicoll suit. Winter suitings should be ordered this week—all our new fall fabrics now on display.

Some suits \$20—others \$25 and up to \$50. Top coats at the same price. Trousers, \$5 to \$12. All garments made in Omaha by Omaha tailors.

Catarah Cured Without Drugs

Hymel Medicines the Air You Breathe, Kills the Germs and Cures the Disease. Hymel cures catarah thoroughly and permanently, because it reaches the smallest air cells in the head, throat and lungs, kills the germs causing the disease and drives it from the system. Hymel goes to the root of the disease, destroys the cause and makes a permanent cure, which can be effected in no other way. Breathe it for a few minutes four times a day and benefit will be seen at once. Continue this treatment for a few weeks and Hymel will have cured you.

The Hymel breathed through the neat pocket inhaler furnished with each outfit mingles with the air you breathe. It is a local and direct treatment for eradicating all catarah germs in the mucous membrane and tissues, and in this way cures catarah in any part of the system. Used in connection with Hymel Balm, it has been successful in curing the worst and most deep-seated cases of catarah deafness.

Stronger than any claims that can be made in an advertisement is the fact that the Sherman & McConnell Drug Co., corner 10th and Dodge streets, Omaha, will give their personal guarantee with every Hymel outfit they sell to refund the money if the purchaser can say that Hymel has not given satisfaction.

IOWA OUTCLASSES SIMPSON

Accumulates Thirty-Five Points While Methodists Are Making Two. PENALTY FIGURES IN SIMPSON SCORE. Coach Chalmers' Proteges Counted Against in Practically the Same Manner as They Scored on Nebraska.

IOWA CITY, Ia., Nov. 6.—(Special Telegram.)—Iowa defeated Simpson college of Indiana, 35 to 2, in two thirty-minute halves on Iowa field today. Simpson's team was made on Johnson's high pass to Jones after Simpson had kicked to Iowa and Iowa had been penalized twenty yards, taking the ball to Iowa's twenty-yard line. The game was most satisfactory to the spectators, as it consisted mainly of long end runs by Jones, Coulthard, Grimes, Walter and Allen. Simpson played a good game throughout. It braced perceptibly in the second half, where it held Iowa to eleven points. Coach Chalmers gave a number of substitutes an opportunity to play in the second half. The lineup was as follows:

GAME FOR THE CHAMPIONSHIP Monday's Contest Will Decide Nebraska Intercollegiate Standing.

BEELIEVILLE, Neb., Nov. 6.—(Special.)—Next Monday's contest on the Beelievieville gridiron between Grand Island college and Beelievieville will probably decide the pennant race of the Nebraska Intercollegiate Association for this year. The present record as it stands before the association shows Beelievieville and Grand Island tied and ahead of all others by two victories league games. But the former has beaten Doane college by a score of 12 to 5, while Doane has beaten Hastings by a score of 7 to 0. On the other hand, Grand Island only succeeded in winning Hastings 20 to 0 in the last game played, showing considerably better record on the part of Beelievieville. The outcome will be hard to estimate, but the boys on the hill are enthusiastic and working hard under much encouragement from the student body.

Creighton Against Tarkio. The lineup of Creighton and Tarkio, which meet on the former's gridiron this afternoon, is:

FAKE FIGHTERS GO TO JAIL Philadelphia Tommy Ryan and Billy Rhoades Locked Up on Charge of Vagrancy.

"No contest" was the decision of Referee James McMillan, colored, and led off under the auspices of the Omaha Athletic club at Washington hall last night. Ryan and Rhoades, who had been arrested around here for having gathered around him importuning that he should fight, were taken to jail. Ryan and Rhoades go without feeling the heavy burden of the "Don't talk" rule for six rounds until a disgusted audience hied in derision and called frantically for a cessation of the fracas. "Don't talk to me. We will not tolerate such fellows in Omaha." The six rounds of fake milling Referee Look's decision was given and immediately and burlily tossed into the ring and arrested the principals. They were taken to the station and charged with vagrancy.

EVENTS ON RUNNING TRACKS Race Meeting at Aqueduct Comes to End with Fair Crowd Present.

\*NEW YORK, Nov. 6.—The Aqueduct meeting came to a close today, fair mixed crowd being in attendance despite the cold weather. Results: First race, handicap, six furlongs; Mamie Worth won, Ascension second, Young Henry third. Time: 1:44. Second race, one mile, selling; Cottage Maid won, Alpaca second, Widow's Mite third. Time: 1:46. Third race, six furlongs; Balder won, Flag Officer second, Belle of Portland third. Time: 1:34. Fourth race, mile and a sixteenth; the Stony Brook; Ascension won, Carbonic second, Gavriata third. Time: 1:36. Fifth race, five furlongs, selling; Blythe-bone won, Belle second, Shady Lady third. Time: 1:05. Sixth race, one mile, handicap; Myria won, Sherwin Bell second, Sweet Alice third. Time: 1:42.

COMMERCIAL LEAGUE GAMES. The Commercial league game on the Gate City arena last night between the Drexels and Stephens & Smith was won by the Drexels, three straight, score:

SUNDAY PAPERS MUST BE for more than common interest, for they are called upon to occupy a much greater part of the paper that is read on a business day. Not only must they be of more interest, but they must be more carefully prepared, for they are subjected to a much closer scrutiny. These almost axiomatic facts were recognized by the Bee from the beginning, and when the publication of its Sunday magazine supplement was commenced, it was with full and complete understanding of the conditions to be met. Never has the vigilance that surrounded the first number of The Illustrated Bee been relaxed, but each week an effort is made to improve it if possible, and to make it what it is intended to be, the best magazine supplement just as The Sunday Bee is the best newspaper published in the west.

FOLLOWERS OF FOOT BALL WILL find much to delight them in the coming issue of The Illustrated Bee. During the games of the fall so far the Staff Artist has been busy with his camera, and has gathered an fine a collection of foot ball pictures as were ever published. From this collection enough pictures have been selected to make a double page showing typical formations and plays in foot ball. The teams of the University of Nebraska, University of Colorado, University of South Dakota and Creighton University are represented.

METHODIST DIGITARIES ARE COMING TO OMAHA next week for the purpose of transacting business in connection with the immense missionary interests of the great church organization. Men of world wide reputation will be gathered here again during this conference, which is of importance second only to the general conference of the church. The Illustrated Bee will contain an article explanatory of the convention and some pictures of eminent Methodists, a fine portrait of Bishop Fowler being used for a frontpiece. Other illustrated articles dealing with the button industry now flourishing along western rivers; the use of corn husks in basketry; Frank G. Carpenter's weekly letters, this time on the possibilities for American trade in the Congo country; and a number of interesting independent pictures.

OTHER ATTRACTIVE FEATURES INCLUDE The Illustrated Woman's Department, the concluding installment of the Voss serial; an article on the Japanese as warriors; an article on the troublesome life along the Rio Grande; and other special articles on timely and interesting topics. All the regular departments have been given careful attention, and the comment, gossip and anecdotal personal history that make one of the attractive features of each number are complete as usual. Y. M. C. A. LAYS CORNERSTONE Governor Mickey and Others Speak at Ceremony Held at York.

YORK, Neb., Nov. 6.—(Special.)—There was a large attendance at the exercises and program of laying the cornerstone of the large new, four-story brick Young Men's Christian association building. With a few appropriate remarks Governor Mickey laid the cornerstone. A short address by Rev. Conley of Omaha was followed by two songs, Prof. J. Asher Parks leading. Owing to the cold, damp weather the large audience immediately after the laying of the cornerstone, went to the Methodist church, where Rev. Conley gave a most eloquent address on Young Men's Christian associations in this state and in the United States. At the reception held last evening in honor of Governor Mickey and others from abroad Dr. Robert McConaughy presided. There was a large attendance. There were short addresses by Dr. Ward of the State university, Mr. Waterman of Lincoln, State secretary, Bailey of Omaha, Dr. Conley and Revs. Creighton, Griffith and Green of this city. Governor Mickey delivered the address of the evening. It was a most enthusiastic meeting and at the close of the address luncheon was served.

The new Young Men's Christian association building will be one of the finest and best equipped buildings of its kind in the west. The building is brick, with stone trimming, and is four stories in height. In addition to the gymnasium room, reading room, reception room, the plunge bath the basement and other rooms used in connection, there are several very fine office rooms, from which the association will derive a nice income, which will partially pay the expenses of running the building. A large force of workmen is now working on the building, and the contractor believes that it will be ready for occupancy some time early next spring. The citizens of York contributed in one evening nearly \$2,000 toward the erection of this building. The building committee will have over \$15,000 of contributions from the business men of York and the immediate vicinity. The building perhaps will cost \$25,000. The committee believes it will experience little trouble in raising this amount. Health at Small Cost. A few doses of Dr. King's New Life Pills will cleanse, tone and invigorate the whole system. Try them. Only 5c. For sale by Kuhn & Co.

DUN'S REVIEW OF TRADE

Weather Makes Trade Lull in Lines That Should Be Vigorous. RAILROAD STILL DO GOOD BUSINESS Farmers Are Getting Better Crops Than Expected, but This Must Show Its Favorable Results at Later Period.

NEW YORK, Nov. 6.—R. G. Dun & Co.'s Weekly Review of Trade tomorrow will say: Unseasonably mild weather is making it possible for farmers to secure much late grain and cotton that seemed doomed by early frost, but, on the other hand, trade in iron and steel there are more likely to be benefited by the increased crops, the iron and steel there are more likely to be benefited by the increased crops, the iron and steel there are more likely to be benefited by the increased crops...

COMMANDANT COLE RESIGNS Governor Mickey Denies Reports That Resignation Was Called For.

PLATTSOUTH, Neb., Nov. 6.—(Special.)—There will be no raffling for turkeys in Plattsmouth this year. A citizen of Omaha was in this city today for the purpose of arranging to operate a game of that kind during the week before Thanksgiving, but the proposition was turned down by Chief of Police R. W. Hyers. The officers have been trying to stamp out gambling in this city for some time and do not care to now remove the bars which have been put up against the evil. In years gone by raffling schemes for turkeys have been operated in one or two saloons and no objections were raised.

WARM WEATHER HURTS TRADE. Bradstreet's Sees Signs of Renewal of Business at Lower Prices. NEW YORK, Nov. 6.—Bradstreet's tomorrow will say: Trade and industry is quieter on the whole. Unseasonable weather affects retail trade in many lines. Restriction in providing for future requirements restricts jobbing trade. Relatively, most activity is found in the movement of the growth of the cotton movement at the many centers. Industrial reports of curtailed production are evidences of new demand not promising as sharply as heretofore. Food products are selling off and iron and steel are leading the downward movement of market-tured goods, but signs of reawakening.

sign and domestic demand lead to the hope that the automatic check to demand, long exercised, will be removed. Iron and steel bars are active and western jobbers make \$1 per ton by filling orders from store rather than from mill. Wire products are likewise active. Reports of cuts in rail prices are not substantiated, but some export business has been done in rails for Asia. Lumber is steady as a whole, though white pine rather quiet. Export business is good. Hardware is notably active the country over, which leads to hope that lower prices of materials generally will induce demand. Wheat, including four, exports for the week ending November 5 aggregate 4,484,381 bushels against 3,084,573 bushels last week, 3,715,555 bushels this week last year and 5,069,546 bushels in 1900. For the eighteen weeks of the cereal year they aggregate 58,341,928 bushels against 55,339,494 bushels in 1902, 17,673,467 bushels in 1901 and 63,188,229 bushels in 1900. Corn exports for the week aggregate 1,429,330 bushels against 1,222,214 bushels last week, 16,347 bushels in 1902, 70,754 bushels in 1901 and 2,577,427 bushels in 1900. For eighteen weeks of the present cereal year they aggregate 19,902,597 bushels against 1,822,102 bushels in 1902, 18,922,626 bushels in 1901 and 7,464,476 bushels in 1900. Business failures in the United States for the week ending November 5 number 25 against 27 last week, 148 in the corresponding week of 1902, 181 in 1901, 167 in 1900 and 182 in 1899. In Canada failures for the week number nineteen against twenty-two last week, and twenty-four in this week last year.
