WHO WILL SUCCEED BARNES?

That is the Question Which is Now Agitating the State Politicians.

AT LEAST TWO OMAHA MEN IN RUNNING

Ill-Health of His Wife is Reason Assigned for Resignation of Commandant Cole at Soldiers' Home.

(From a Staff Correspondent.)

LINCOLN, Nov. 7.—(Special.)—Now comes speculation as to who will be the next supreme court commissioner to succeed Commissioner Barnes, who has just been elected to the supreme bench. So far as talked down here, few names have been mentioned and just who the man will be apparently no one knows. According to the natural order of things the place will go to Omaha, and the aspirants mentioned from there are Judges Fawcett and Slabaugh. The latter was put forward to some extent when Judge Letton received the appointment several days ago, and it is said this was done to put him in line for Judge Barnes' place. Judge Slabaugh, it is said, would much prefer to fill the shoes shortly to be cast off by Lee Herdman than to be supreme court commissioner. Both he and Judge Fawcett are in line for something if anything is going toward Omaha. Both were defeated in the republican primaries and then worked for the ticket. This is considered a good recommendation from the Omaha standpoint at least. Judge Davidson of Tecumseh is also mentioned for the place. It was talked a while before the election that if Reavis was defeated in the First district he would make good commissioner timber, but, as Judge Letton from this district has been appointed, that, of course, would knock out any chance that Reavis might have had.

While there are several candidates for clerk of the supreme court, it is the general belief that N. D. Jackson of Neligh has the best chance just at this time.

Ill-Health Causes Resignation.

Governor Mickey this morning issued a statement, through his private secretary, that A. V. Cole, commandant of the Soldiers' home at Grand Island, had resigned because of the ill-health of his wife. "There was no friction at all between us," said the governor. "Mrs. Cole was in ill-health and Mr. Cole decided that a change of climate would do her good, and that is the reason he resigned. I have not mentioned the matter before because I did not want a lot of men here after the place, so wanted to be able to name his successor when I announced his resignation."

The governor left this morning for Louisville to attend the unveiling of a monument erected to the memory of the old soldiers, without naming the successor.

Let Normal Contract.

The state normal board this morning awarded the contract for the erection of the new chapel to be built at Peru and the electrical wiring, plumbing and heating apparatus to Joseph Sparks of St. Joseph. For the building, which is of native or Kansas stone, Mr. Sparks is to receive $31,170 and for the plumbing, heating plant and wiring he is to receive $4,475. The work is to be finished August 29, 1904. When the bids were opened some time ago Mr. Sparks was the only bidder and he was turned down, having agreed to do the work for $43,400, which was just $100 less than the appropriation for the building and its furnishing.

The plans for the remodeling of the flats to be used in connection with the normal school to be built at Kearney, prepared by Architect Berlinghoff, were approved and sent on to Kearney for the people's approval. The plans contemplate changes in the buildings to cost between $6,000 and $7,000, all of which the town of Kearney will pay. The town gave to the state six flats and the plans will change the floors in the basement to cement and in the middle four flats a dining room 40x100 feet will be made out of the several rooms and above this from the rooms in two of the flats will be made a reception hall 50x30 feet. When this is done and the kitchen built it will leave forty-five bedrooms for the use of students.

The report of Superintendent Clark of the Peru normal shows that the plan adopted by the board to furnish textbooks to the students at cost was in every way satisfactory. To date forty-four different publications, including 2,212 books, had been bought for $1,755.18. Of these 1,130 had been rented for $113 and forty-one had been sold for $31.40. The library fund still contains $1,000. Superintendent Fowler said he was sure the scheme would be self-sustaining. It is the opinion of the board that there will be no deficiency in the normal school fund this year, inasmuch as nearly one-half of the biennium had passed and the board still had at its disposal $48,000. The board will meet at Peru December 18.

Freedmans' Aid Society.

The national convention of the Freedman's Aid and Southern Educational society will be held at St. Paul's church Monday and Tuesday. At the meeting plans for the year will be discussed and plans regarding the education of a number of children will be made. The bureau has established schools all over the south and is getting good results. Among the important subjects to come up will be the discussion of plans to assist the black people of the south.

Many prominent colored ministers are expected to attend, among them being Rev. Mason of Cincinnati, senior secretary of the society; Rev. Bowman of Atlanta, Ga., and Rev. Schumpert of Mississippi. Rev. Mason is already in the city and will speak at the Young Men's Christian association meeting tomorrow afternoon.

The Methodist ministers have invited the visitors to occupy their pulpits tomorrow and among those who have accepted are: Bishops James M. Walden of Cincinnati, Earl Cranston of Portland, Ore., G. M. Fitzgerald of St. Louis, Joyce of Minneapolis and Mallalieu of Auburndale, N. Y. It is quite probable that Bishops E. Andrews of New York and J. W. Hamilton of San Francisco will arrive in the city some time this evening, but nothing definite is known as to whether they will attend the meetings or not.

Revokes Insurance Permit.

Insurance Deputy Pierce of the auditor's office this morning issued an order revoking the license of the Royal Tribe of Joseph, the Missouri fraternal organization whose assets and membership have been transferred to the Cosmopolitan Insurance association of Illinois. Some of the local members of the company have been complaining to the insurance deputy at the transfer of the reserve amounting to more than $55,000, which has been collected for their protection, and a general dislike for the transfer of the company to the Illinois concern has been manifested.

Mr. Pierce said this morning that the revocation of the license would have no effect except that it would prevent the company doing business in the state should the transfer be taken into the courts and there declared invalid. He said that there was no likelihood of the absorbing company being granted permission to do business in the state, so that there will be no means by which the membership of the Tribe of Joseph or the existing camps can be enlarged to meet with the need of the organization for growth and extension in the state.

Finley's Friends Active.

Friends of Dr. Finley of Pawnee, who is to be tried before the State Board of Health for alleged unprofessional conduct, are circulating a petition in his behalf to be presented to the board.

Cells Are to Be Built.

The cells at the penitentiary are really to be built in the near future. At least that is the promise held out to the warden and the State Board of Public Lands and Buildings in a letter just received by Land Commissioner Follmer from the Van Dorn Iron works of Cleveland, O. The company professes to be ready to ship some of the material within ten days and to be able to keep the erectors busy until the entire task of installing the 156 cells is completed.

According to the tenor of the letter, which is signed by John Toon, the manager of the iron works, two carloads of material will be on the tracks by November 14 and possibly before that time.

It is a question whether the material will get here in time to enable the company to comply in anyway with the express terms of the contract. It is claimed that in the ordinary course of freight traffic the first material for the cells will not be on the ground before November 20 if it is shipped on November 14. This will be eight days after the term of the contract now on file in the office of the secretary of the state, and it is claimed that the board would have the right to declare the contract void, since the limitation of the contract for the construction of the last seventy-eight cells is six months after the date of the signature of the contract, May 12. It is urged that the company can be subjected to the forfeit of $10 a day since September 12, the date for the completion of the first cells and also to the loss of the contract.

HANDLES GUN CARELESSLY

Hunter Draws Weapon to Him By Muzzle and Pays for Folly with His Life.

EDGAR, Neb., Nov. 7.—(Special.)—Charles Taylor, 17 years of age, residing three miles west of Edgar, was accidentally killed last evening while hunting ducks in company with two other young men. Taylor's gun lay in the bottom of the boat and he tried to draw it toward him by the muzzle. Both barrels were discharged. One entered his left arm, the other charge entering the chest. His companions took him home, but he died an hour after the accident.

South Platte Lutherans Meet.

YORK, Neb., Nov. 7.—(Special.)—The South Platte conference of the Evangelical Lutheran synod of Nebraska holds its thirtieth semi-annual conference this week in the Lutheran church at McCool Junction. The treasurer's report showed good financial condition. On the fourth day Rev. J. A. Koser delivered a strong and able address. A large amount of work was accomplished. There were present Rev. J. A. Lowe of Beatrice, representing the Evangelist, and Rev. J. W. Ball, representing the Observer and the World. Among those present from abroad were: Rev. Ludden, Lincoln; J. W. Ball, Lincoln; J. A. Koser, Nebraska City; J. A. Lowe, Beatrice; R. C. Shupe, York; R. A. White, Waverly; C. T. Schultz, Stella; Rev. H. A. Wolfe, McCool Junction; Rev. J. G. Levers, Benedict.

Cass County Loses Bridge Case.

PLATTSMOUTH, Neb., Nov. 7.—(Special.)—County Attorney Root has just received word that the supreme court has affirmed the decision of the district court of Sarpy county in the case brought by Cass county against Sarpy county. This case, which was filed about two years ago, involves the question of Sarpy county's liability for half of the expense accruing by reason of the repairs made on the foot and wagon bridge which spans the Platte river at Louisville, about that time. The decision is that Cass county loses the case and will have to stand the entire expense.

Relief Train is Wrecked.

BEATRICE, Neb., Nov. 7.—(Special.)—Word was received here last night that a relief train sent out from Fairbury yesterday evening to the scene of the wreck which occurred near here yesterday afternoon, had been wrecked between Jansen and Fairbury. As far as known nobody was hurt. The wreck is said to have been caused by the rails spreading. Traffic will be resumed today over the line between this place and Fairbury.

Fancy Price for Bank Stock.

BEATRICE, Neb., Nov. 7.—(Special.)—A number of the old local stockholders of the First National bank of this city and other Beatrice parties have succeeded in purchasing a large amount of stock in the institution owned by nonresident stockholders, the price paid, it is said, being $150 per share or 50 per cent more than the par value of the stock.

Epidemic of Mumps.

PAPILLION, Neb., Nov. 7.—(Special.)—An epidemic of mumps is raging throughout the western and southern part of Sarpy county. Many children are down with the disease, materially reducing the attendance at the country schools. Old persons also are afflicted, some being dangerously ill.

Clerk of Court Resigns.

PLATTSMOUTH, Neb., Nov. 7.—(Special.)—George F. Houseworth, who has held the office of clerk of the district court in Cass county for eight years, filed his resignation with the Board of County Commissioners today, the same to take effect on December 1. He will remove to Seattle, Wash., and engage in the real estate business.

Victory for Mrs. Catron.

NEBRASKA CITY, Neb., Nov. 7.—(Special Telegram.)—In the divorce case of Catron against Catron today the court allowed Mrs. Catron $50 per month alimony and use of the plaintiff's town house pending the hearing of the suit on its merits. Attorneys have fifteen days in which to file an amended answer. This order of the court is considered a victory for Mrs. Catron.

Fights with a Knife.

M'COOL JUNCTION, Neb., Nov. 7.—(Special.)—Charles Markworth and Ed. Galusha became involved in a heated political argument yesterday which brought on a fistic encounter. In the fight Markworth's arm was badly cut with a knife. The matter was settled without getting into court. Both are young farmers living near McCool.

More Children in Beatrice.

BEATRICE, Neb., Nov. 7.—(Special.)—The monthly report of Superintendent Fulmer, which was read at the meeting of the Board of Education last night, showed the total enrollment of pupils in the public schools up to date to be 2,003. This is a gain of nearly 200 over last year.

Church is Filled for Lecture.

PLATTSMOUTH, Neb., Nov. 7.—(Special.)—The concert and lecture by Rev. D. A. Youtsy, which was a story of "Ben Hur," illustrated by stereopticon views, in the Christian church, attracted an audience which filled the church to overflowing last evening.

Loses a Roll from His Pocket.

M'COOL JUNCTION, Neb., Nov. 7.—(Special.)—H. H. Tollis, a business man of this place, yesterday missed a roll of bills amounting to $65. The money was carried in his watch pocket.

Sells for Eighty an Acre.

PLATTSMOUTH, Neb., Nov. 7.—(Special.)—W. D. Williams has sold his farm in this county, consisting of 160 acres, to James L. Terryberry for $80 per acre, $12,800.

LEADERS HOLD CONFERENCE

President Talks Over Matter of Legislation with Senators.

PROGRAM FOR THE CALLED SESSION

Financial Matters Are Discussed, but No Definite Conclusion Reached Before Close of the Meeting.

WASHINGTON, Nov. 7.—A conference to review the work to be done at the extra session of congress and to discuss matters of legislation during the regular session was held at the White House today between President Roosevelt and Senators Allison of Iowa, Aldrich of Rhode Island, Cullom of Illinois, Platt of Connecticut, Hale of Maine and Spooner of Wisconsin.

The conference lasted over an hour, but it was stated by the senators on leaving the White House that the exact form of legislation to put Cuban reciprocity into effect had not been decided upon.

In view of the prompt action of the administration in recognizing the new republic of Panama, it was stated that no legislation on that subject would be absolutely necessary, although it might be desirable to give the president authorization to conduct negotiations with the new republic.

An endorsement by congress of the president's action in recognizing the republic of Panama may take the form of providing diplomatic agents for the new republic.

The question of financial legislation was discussed, but no conclusion looking to a change of the general understanding that no general financial legislation will be undertaken at the called session was reached.

Talk of Cuban Treaty.

The Cuban reciprocity legislation was discussed for some time and the possible differences between the senate and the house considered. All agreed that it would not be wise to have a contest with the house over the form of legislation and that an understanding should be reached. It is believed no question will be raised by senators as to the form of the bill and that the legislation will be passed as speedily as possible. Members of the house agree that the bill will contain articles one and two of the reciprocity treaty, the first referring to the free list and the second to the 20 per cent reduction on certain goods imported from Cuba. The bill will also enact the provisions of article eight, which provides that there shall be no further reduction of duty on sugar from Cuba or from any other country during the life of the treaty, which is five years. Some members of the house desire to change one provision in this article in order to assert the prerogative of the house as to revenue legislation. The amended portion of the section provided that sugar should not be admitted at a lower rate of duty than the law of 1897, "by treaty or convention." The members of the house wish to make that provision read "law," as they do not intend, even by a slight implication, to admit that anything relating to the tariff can be done by treaty or convention, but that the house must originate the measure.

It is evident from the opinions expressed by senators at the White House conference today that they will avoid any contention with the house on any point of this kind as likely to lead to an indefinitely long constitutional debate. The senate therefore will be inclined to accept any measure the house may pass that will put the treaty into effect and will endorse the eighth article regarding noninterference with the sugar duty during the life of the treaty.

Of course it is understood that one congress cannot bind the next, but it is claimed by those who do not want the sugar schedule disturbed that the good faith of both houses with its pledges to the treaty provision that a change is unlikely.

It is probable that the president will transmit to the senate the text of the Cuban reciprocity treaty with his message on that subject Tuesday. This course would obviate the necessity of a vote of the senate on the question of making certain treaty amendments public.

Thieves Open Wrong Drawer.

HASTINGS, Neb., Nov. 7.—(Special.)—Sneak thieves broke into the Northwestern passenger depot Wednesday night and rifled a drawer, securing $9 for their booty. Another drawer beside the one broken into contained $32, but this the burglars overlooked. It is supposed that the money was taken by local pilferers.

Thousands of Women Restored To Health by Swamp-Root

Women as well as Men Have Kidney Trouble and Never Suspect It.

WOMEN suffer untold misery because the nature of their disease is not always correctly understood; in many cases, when doctoring, they are led to believe that womb trouble or female weakness of some sort is responsible for their ills, when in fact disordered kidneys are the chief cause of their distressing troubles. Perhaps you suffer almost continually with pain in the back, bearing-down feelings, headache and utter exhaustion.

DIDN'T KNOW I HAD KIDNEY TROUBLE

I had tried so many remedies without their having benefited me that I was about discouraged, but in a few days after taking your wonderful Swamp-Root I began to feel better.

I was out of health and run down generally; had no appetite, was dizzy and suffered with headache most of the time. I did not know that my kidneys were the cause of my trouble, but somehow felt they might be, and I began taking Swamp-Root, as above stated. There is such a pleasant taste to Swamp-Root, and it goes right to the spot and drives disease out of the system. It has cured me, and I cheerfully recommend it to all sufferers. Gratefully yours,

MRS. A. L. WALKER,
46 West Linden St., Atlanta, Ga.

YOUR poor health makes you nervous, irritable and at times despondent; but thousands of just such suffering or broken-down women are being restored to health and strength every day by the use of that wonderful discovery, Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

TODAY I AM IN SPLENDID HEALTH

About 18 months ago I had a very severe attack of grip. I was extremely sick for three weeks, and when I finally was able to leave my bed I was left with excruciating pains in my back, which convinced me that I had a severe kidney trouble. My physical condition was such that I had no strength and was all run down.

My sister, Mrs. C. E. Littlefield of Lynn, advised me to give Dr. Kilmer's Swamp-Root a trial.

I procured a bottle, and inside of three days commenced to get relief. I followed up that bottle with another, and at the completion of this one found I was completely cured. My strength returned and today I am as well as ever.

My business is that of canvasser. I am on my feet a great deal of the time, and have to use much energy in getting around. My cure is therefore all the more remarkable, and is exceedingly gratifying to me.

Sincerely yours,

MRS. H. N. WHEELER,
29 Prospect St., Lynn, Mass.

NOT only does Swamp-Root bring new life and activity to the kidneys, the cause of the trouble, but by treating the kidneys it acts as a general tonic and food for the entire constitution.

SWAMP-ROOT A BLESSING TO WOMEN

My kidneys and bladder gave me great trouble for over two months and I suffered untold misery. I had great difficulty in retaining my urine, and was obliged to pass water very often night and day. After I had used a sample bottle of Dr. Kilmer's Swamp-Root, sent me on my request, I experienced relief and I immediately bought of my druggist two large bottles and continued taking it regularly. I am pleased to say that Swamp-Root cured me entirely. I can now stand on my feet all day without any bad symptoms whatever. Swamp-Root has proved a blessing to me.

Gratefully yours,

MRS. E. AUSTIN,
19 Nassau St., Brooklyn, N. Y.

THE mild and extraordinary effect of the world-famous kidney and bladder remedy, Swamp-Root, is soon realized. It stands the highest for its wonderful cures of the most distressing cases. A trial will convince anyone—and you may have a sample bottle sent free by mail.

In taking Dr. Kilmer's Swamp-Root you afford natural help to Nature, for Swamp-Root is the most perfect healer and gentle aid to the kidneys that has ever been discovered. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

To Prove What SWAMP-ROOT, the Great Kidney, Liver and Bladder Remedy, Will Do for YOU, Every Reader of The Bee May Have a Sample Bottle Sent Free by Mail.

EDITORIAL NOTICE—No matter how many doctors you have tried—no matter how much money you may have spent on other medicines, you really owe it to yourself and to your family to at least give Swamp-Root a trial. Its staunchest friends today are those who had almost given up hope of ever becoming well again. You may have a sample bottle of this wonderful discovery, Swamp-Root, sent absolutely free by mail, also a book telling all about Swamp-Root, and containing many of the thousands upon thousands of testimonial letters received from men and women who owe their good health, in fact their very lives, to its wonderful curative properties. In writing to Dr. Kilmer & Co., Binghamton, N. Y., be sure to say that you read this generous offer in The Omaha Sunday Bee. If you are already convinced that Swamp-Root is what you need, you can purchase the regular fifty-cent and one-dollar size bottles at the drug stores everywhere.

Rubber Quality

What do you buy rubbers for? To keep your feet dry, of course.

Your feet will keep dry in ordinary rubbers while they last; the trouble with too many rubbers is, they don't last, and you don't know they're poor stuff until you find they don't last.

You can be sure beforehand that your rubbers are good, if you want to: Selz Royal Blue Rubbers: better-than-usual rubbers: same price as usual.

The name is on the sole; rubber shoes, boots, overs, for men, women and children.
