formula was discovered fifty years ago by one of the greatest chemists the world has ever known. It is a secret formula, and while it has cured millions of people during the last half century, the secret has never been discovered.

Dr. William Hooker Vail, one of the leading physicians and surgeons of St. Louis, Mo., writes enthusiastically about what Duffy's Pure Malt Whiskey has done for himself personally and his patients :

Gentlemen : - Duffy's Pure Malt Whiskey was introduced to me through a consumptive patient whom I was treating. I called on her one afternoon after an absence of about two months and remarked that she was so much improved.

I inquired after medicaments, etc., and she stated that she had been using nothing but good food and plenty of Duffy's Pure Malt Whiskey. Her improvement was so marked that I went directly and purchased it for several other patients suffering similarly, and in a short time they all expressed decided improvement, and from personal observation and physical examination there was great improvement in the lung tissue. Two who had Laryngeal Consumption (consumption of the throat) are now entirely well. I am employing it extensively now in my practice, in La Grippe, Pneumonia, Bronchitis, Anaemia (Inanition or Marasrius), starvation from lack of assimilation of food, etc.; always in convalescents. Its agreeableness to the taste and stomach of all people and condition makes it almost a panacea for all diseases.

WILLIAM HOOKER VAIL, M. D. Yours very respectfully, Jan. 27, 1903.

Thousands of letters are received daily from grateful men and women in all walks of life, who have been cured of consumption, grip, coughs, colds, dyspepsia and general debility, and from old people who say their lives have been prolonged many years beyond the three-score-and-ten, by the use of Duffy's Pure Malt Whiskey as their only medicine.

Caution --- When you ask for Duffy's Pure Mait Whiskey be sure you get the genuine. Unscrupulous dealers, mindful of the excellence of this prepara-tion, will try to sell you cheep imitations, and so-called Mait Whiskey subtion, will try to sell you cheep imitations, and so-called Malt Whiskey sub-stitutes, which are put on the market for profit only, and which, far from relieving the sick, are positively harmful. Duffy's Pure Malt Whiskey is sold only in bottles—our own special-shaped bottle, like the picture. Never in flasks or in bulk. Look for the trade-mark, "The Old Chemist," on the label.
