## On Sale on 2d Floor

In this lot are about 200 pair ladies' kid and patent leather strap sandals, like the picture shown here, which we will sell at a pair..... \$1.50

# SWELL ENORMOUS RETAIL STOCK OF FINE SHOES ON SALE TOMORROW

On sale on 2d floor at \$6. These are beautiful imported Kid Shoes with Ideal Kid vamps, Louis heels—strictly hand made—and embody most of the highest and finest points in artistic shoemaking. They are made by Latteman of New York. As a type of New York style and excellence they are without peer—and as such are sold in New York for considerably more money.

On 2d floor at \$5. At \$5 we offer in this sale nine distinct and different styles of custom-made shoes for women, the regular price of which is not less than seven dollars a pair. The styles include both dress and street shoes—all custom work—either very light soles or the medium and light welt soles. The stock in these is all imported. These are the new gun-metal color, lusterless kid, the luster or glaze kid, and the patent kidskins and patent coltskins. The toes are on the new lasts, neither very wide or very narrow. The heels run from the regular low military or walking heel to the full Louis heel.

## \$12 Bench Made Shoes on sale for \$8

ON SECOND FLOOR At this price we show some very fine real bench made shoes, regular price of which in New York is twelve dollars a pair. The leather is Ideal Kid, and the style a good deal like the engraving shown here.

## Ladies' \$5 Shoes for \$3

ON Second Floor A choice of over 30 different styles, mostly enamels, patent coltskins and kids, is offered at this price, \$3.00 a pair. Every pair was made to sell for at least \$4.00, and most of them for \$5.00. We are confident that this bargain has never been duplicated, nor is it likely to be again. The sizes and widths in these lots embrace a fit for everybody. The enamel shoes for winter are particularly called to your notice as being the right thing.

ON THE SECOND FLOOR \$3.50 Ladies' Shoes on sale at 2.50

At \$2.50 we offer all the ladies' shoes made to sell at \$3.50, including the new button style, in welt sole with half mannish toe, the Rigo kid lace shoes and the H'alto—a shoe with fancy inlaid seal trimmings. The sizes and widths are complete and we absolutely warrant every pair.

## Rainy-Day Boots On Sale at 1.98

In this lot we include all the small lots and odds and ends of every style of ladies' shoes in stock. There are high cut golf and skating boots for women, patent leathers for dress wear, plain kid skin shoes for every day wear—altogether perhaps fifteen hundred pairs to be sold. The price, \$1.98—but a mighty good bargain at that for anyone. The sizes are such that we can fit almost any lady that attends the sale—especially if you come early in the day, or before the very last of the sale.

### MUST WITHDRAW PROTEST

Unless Such Action is Taken Nebraska Will Not Play with Kansas.

### BOARD STANDS BY BENDER AND WILSON

In Case Game with Jayhawkers Falls Through the Cornhuskers Will Take on the Kansas City Medics.  
LINCOLN, Neb., Nov. 11.—(Special Telegram.)—The athletic authorities of Kansas university must withdraw the protest they lodged against Bender and Wilson, members of the University of Nebraska foot team, or the Nebraska eleven will not line up against the Jayhawkers Saturday at Lawrence. An ultimatum to that effect was sent by the Nebraska board last night and it was repeated late tonight in a long distance telephone conversation between representatives of the two schools. The wires have been used freely today in an effort to settle the dispute. Kansas standing its ground that it would play under protest and Nebraska likewise insisting that the protest must be withdrawn or there would be no game.  
Today the Kansas board declared that the affidavits by Bender and Wilson that they had not played professional base ball must be forwarded to Lawrence, to which Secretary Clapp of the board at Nebraska replied that the affidavits were duly made and in possession of the Nebraska authorities and that Kansas, as a matter of courtesy, should accept Nebraska's assurance in the matter. The negotiations tonight reached that point where the Nebraska board notified Kansas that the withdrawal of the protest must be received in Lincoln before Thursday at 10 a. m. or Nebraska would proceed to make other arrangements for a Saturday game.  
Meanwhile the Nebraska management is negotiating with the Kansas City Medics to play in Kansas City Saturday, and in the event that Kansas will not retract, the football enthusiasts of Kansas City will be given an opportunity to see Booth's Cornhuskers in action for the first time in over three years. Manager Ruckner had taken the preliminary steps for an excursion of Nebraska rosters to Lawrence and if the Medics are played instead the destination of the excursion will likely be transferred to Kansas City.

before a formal meeting of the Nebraska board called to investigate their case. Both men presented documentary evidence to substantiate their statements that they had not received any salary, as charged by Kansas, for playing base ball. They were supplemented by personal refutations of the charges. No direct evidence, other than the protest, was submitted against them and the board voted unanimously to permit them to continue as members of the Nebraska team.  
The protest by Kansas has not interfered with the practice preparations for the game. Booth's full squad, including Bender and Wilson, has been on the field daily and the work of the varsity, although not up to Booth's wishes in all departments, has been generally satisfactory. The sensational feature of the practice has been the showing of Fenlon, substitute end all season, but who was recently shifted to halfback. Fenlon has terrific speed and the weight and strength to make his fleetness count. In three successive plays he cut for many touchdowns against the strong scrub team, carrying the ball each time from the forty-yard line. Fenlon is deficient, however, in other departments of the game, but Booth may decide to use him in one of the halves against Kansas. The Nebraska team will leave Friday morning for Lawrence, stopping over night in Kansas City.

3,400 pounds and has a ten-horsepower engine, carrying a head of steam of 250 pounds. It is owned and operated by the Anderson-Millard company, who control the agency in this territory. Mr. Brandeis' Peerless was driven by C. E. Stuts of Indianapolis and it is a sixteen-horsepower machine, carrying a head of steam of 100 pounds, and guaranteed to attain a speed of forty miles per hour. When stripped this machine weighs 1,000 pounds. Both automobiles were fitted with Goodrich detachable tires and were stripped until nothing remained but a body of the machine upon which to build.  
At 3:30 the timers, D. J. O'Brien, J. T. Stewart and H. L. Ruckardt, called the drivers to the judges' stand and gave them their instructions, and a few seconds after the contestants were off. The machines made a flying start, the Peerless having a shade the better of the beginning of the race. The first half mile was run in fifty eight seconds and the next half forty-nine seconds, the best time made during the race. The Peerless kept the lead until the third mile, when it was gained almost a quarter of a mile on the White steamer. After this it began to fall back and at the fifth mile it only had a lead of one-half the distance.  
Mr. Stuts, the driver of the Peerless, said that after the machine passed the fifth mile he began to go down and when he was seventh he began to get up, the tire was entirely flat. At the seventh mile the White steamer passed the Peerless machine and continued to keep the lead until the race was finished, going under the wire about an eighth of a mile in the lead of the Peerless.  
The best time for the half mile was made by C. E. Stuts, his machine occupying 30 seconds and the best mile was also made by him, occupying 1:04. This is just thirteen seconds better time than was made by the same machine at the last race, when the time was 1:17.  
Among those present in their automobiles were: C. E. Wilkins and party, in a Winsony C. E. Banker and party, occupying a Knox; and several gentlemen in a Packard and Astorcar, the guests of the Anderson-Millard company, who own company owns and operates these machines.

lap secured the ball for a touchdown in less than five minutes of play. Omaha then kicked off, secured the ball on the first play and carried it 30 yards for a touchdown by effective end runs. This made an even break of 5 at the end of the half. The second half was all Omaha's, and Dunlap did not gain distance once. Omaha scored another touchdown, and at one time had the ball on Dunlap's ten-yard line. The Iowa team had not been beaten, it is said, in four years, and the college boys are correspondingly elated.

**SIoux CITY FOR THE WESTERN**  
President Sexton and Manager Bourke Looking Over Town Up the River.  
SIoux CITY, Ia., Nov. 11.—(Special Telegram.)—M. H. Sexton, president of the Western league, after spending two days in Sioux City carefully investigating the local base ball situation, left this evening for Omaha, from which place, accompanied by William Bourke, manager of the Omaha club, he will go to Lincoln to look into that town's claims for a franchise. Mr. Sexton expressed his intention of recommending Sioux City for a franchise. He was inclined to think opposition to Sioux City ball in Lincoln would prevent that town getting a franchise. W. E. Lockhart probably will have the Sioux City franchise.

### WOULD UNITE LABORERS

British Delegate to American Federation of Labor Proposes Novel Plan.  
INTERNATIONAL FEDERATION SUGGESTED  
Plan Received with Cheers by Members Who Favor Working Arrangement Between British and American Unions.  
BOSTON, Nov. 11.—The plan for an international labor federation was enthusiastically received by the convention of the American Federation of Labor today. This international alliance was proposed by James O'Grady, fraternal delegate to the federation from the Cabinet Makers and Upholsterers of Great Britain, who urged that the laboring element in England and America work together in harmony. Delegate O'Grady's plan was supported by James Simpson of Toronto, a member of the International Typographical union.  
The morning session was enlivened by heated debates on the seating of Delegates Steel and Guild of Cleveland, and Delegate Ernest Bohm, representing the Central Federated union of New York City. In each case it was decided to postpone action until tomorrow.  
Mayor Collins tonight entertained the delegates to the convention at a banquet in Faunull hall. Addresses were delivered by Mayor Collins, President Samuel Gompers and many of the delegates.  
South Dakota's Potato Crop.  
PIERRE, S. D., Nov. 11.—(Special.)—The potato crop in this section of South Dakota is reported all the way from 100 bushels to 200 bushels per acre, and the price being paid ranges from 50 cents to 65 cents per bushel. The fact of light rainfall since the middle of September in this section also helps.

### SOUTH DAKOTA SUPREME COURT

Telephone Company Held to Have Right to Put Poles in Front of Private Property.  
PIERRE, S. D., Nov. 11.—(Special Telegram.)—In the supreme court this morning a number of opinions were handed down, two among them being of general importance, one by Corson. In the case of Joe Kirby, appellant, against the Citizens Telephone company of Sioux Falls, in which the lower court is affirmed. The point at issue is the right of telephone companies to set poles along abutting property against the wish of the owner. The court holds that a phone has that right.  
Another case by Justice Fuller is that of the Great Northern Railway company, appellant, against the town of Viborg, in Turner county, the lower court is also affirmed. In which the town asked to have a street opened on the section line, which was resisted by the company, but in which the contention of the town is sustained.  
Other decisions were by Haney, Norris H. Kelly, receiver, against C. Oksal, appellant, affirmed. By Corson, Richard H. Morrison against Thomas O'Brien, appellant, Codington, motion to dismiss denied. Iowa National bank of Ottumwa against Sherman & Bratager, appellants, Minnesota, affirmed. William McVay, administrator, against Hosen Brigman, appellant, Bon Homme, application to file brief granted and motion to dismiss denied. By Fuller, D. L. McKinney against Minnesota county, appellant, Minnehaha, affirmed. Joseph C. Davis, trustee, appellant, against Jewett Brothers & Jewett, Minnehaha, application to file brief denied. Defendant in error, against G. Lee; Erwin, plaintiff in error, Brookings, reversed. W. J. Shipley, appellant, against H. H. Patis, Moody, reversed. Patrick H. Smith against Detroit and Deadwood Gold Mining company, appellant, Lawrence, affirmed. Frank Blackman against city of Hot Springs, appellant, Fall River, affirmed. The court admitted Nelson C. Eigelow of Howard, on a certificate from the supreme court of Illinois.  
Pierre Hopes for Good Weather.  
PIERRE, S. D., Nov. 11.—(Special.)—As usual at this season of the year the question of an open or a hard winter is being discussed all over the northwest, and the old-time "signs" are carefully examined and forecasts made from them. Besides the corn husk, muskrat and wild goose, the scientific theory of general averages of the weather bureau would indicate an open winter. The record at the Pierre office up to the 1st of November shows a deficiency of 115 degrees in temperature for the year up to that date, and an excess of precipitation of a little over two inches for the same time. On the theory of averages there should be mild temperatures and little snowfall to make the average good.

### KANSAS INSISTS ON PROTEST

Inform Nebraska Its Eleven Will Not Play Under Any Other Condition.  
LAWRENCE, Kan., Nov. 11.—In reply to telegrams sent last night by the Nebraska management, stating that Nebraska would not play the contract game with Kansas unless Kansas withdrew the protest against Bender and Wilson, the Kansas board met today and decided to stand by the protest. A telegram sent to Lincoln today to the board is a very brief explanation and the substance of it is that Kansas will not retract, but will play with the two Nebraska under protest only.  
Creighton Prepares for Indians.  
That the Creighton team is doing all in its power to win Saturday's game from the Haskell Indians is evidenced by the daily practice on Creighton field. Last night the varsity team was drilled against the Creighton university boys, who cheered them as the purple sweaters moved on the field and took up positions for signal practice. It shows the High school boys are anxious to see the victory of Saturday rest over Omaha. It will be no small honor for Omaha's foot ballists to conquer the redskins, who held Chicago university down last fall in the last Saturday's game. The friendly relations between the High school and Creighton have made much firmer by the spirit shown by the players. Thursday afternoon at 1 o'clock the two teams will line up again for a practice game.

### EVENTS ON RUNNING TRACKS

Rain and Mud Make Things Uncomfortable for Spectators at Linton.  
CINCINNATI, Nov. 11.—Just before the first race at Linton a terrific rain and wind storm came up and gave the crowd in the grand stand quite a scare. Results:  
First race, one mile; Chantrelle won, Drummond second, Grand Paris third. Time: 1:10.  
Second race, six furlongs; Velita won, Ruth Farwell second, Miss Mollie third. Time: 1:19.  
Third race, one mile; Ocean Dream won, Beryl second, Miss Mae Day third. Time: 1:44.  
Fourth race, handicap, short course steeplechase; Charward won, John F. Owens second, Paulett third. Time: 1:24.  
Fifth race, five and one-half furlongs; Delmonico won, Peckness second, Rough and Tumble third. Time: 1:16.  
Sixth race, one mile; Haviland won, Frank Mc second, Moor third. Time: 1:16.  
NEW YORK, Nov. 11.—Results:  
First race, five and one-half furlongs; Orthodox won, Harangus second, Minnie third. Time: 1:16.  
Second race, six furlongs, selling; Foxy Kane won, Blue and Oregon second, Our Nugget third. Time: 1:11.

Fifth race, one mile and one-sixteenth, selling; Lady Potential won, Win's second, Stone Wall third. Time: 1:24.  
Sixth race, one mile and furlong, handicap; Rutons won, Brigand second, Maxim third. Time: 1:35.  
Wichita Track Re-measured.  
WICHITA, Kan., Nov. 11.—The Wichita track over which Crouse trotted in 1:26 2/5 October 19, was re-measured today and found to be two feet over a mile in length. The re-measurement was demanded by the American Register association and will be submitted as evidence in favor of Crouse when the case comes up before the board of appeal.  
Omaha Commercial College Wins.  
The Omaha Commercial college defeated the Dunlap, Ia., team yesterday afternoon at Dunlap by a score of 11 to 6. The Dunlap team only scored by chance, and never did any show of standing. Dunlap kicked off in the first half, and Omaha punished the ball on its twenty-five-yard line. Dun-

ST. CHARLES  
On Clark's alleys last evening the Krug family broke their tie with the St. Charles team by winning two games. The present season shows a more closely contested race than ever before, and the interest grows with each match.

**WHITE STEAMER WINS RACE**  
Anderson-Millard Company's Car Beats Brandeis' Peerless, Conqueror in First Contest.  
The second and probably last automobile race of the season took place at the Union Driving park, Council Bluffs, yesterday afternoon, when Emil Brandeis' Peerless gasoline machine was pitted against a White steam touring car owned by the Anderson-Millard company, the latter winning the race in 33 minutes and 53 seconds. The track is a mile around and the race was for eight continuous laps or eight miles, and was run in fourteen minutes and forty-seven seconds. Several weeks ago the Peerless machine was run in a race of the same distance and at that time Mr. Brandeis' machine won over the White by a time of from two to four minutes less. In the first race the White machine was driven by Frank Decker and yesterday C. E. Deuser, a representative of the company from Cleveland, O., manned the car. The White steamer, when stripped, weighs

## Keep Wine of Cardui in Your Home

No. 210 East Jacob Street, LOUISVILLE, KY., April 8, 1933.

I am pleased to state that Wine of Cardui helped me through a severe stage of sickness and finally restored me to perfect health. I caught a severe cold which settled all over me and at the monthly period the flow was very scanty and painful and I had the most blinding headaches and nausea and finally I had to take to my bed. One of my friends, on calling on me, told me how much Wine of Cardui had done for her, so I tried it and the results were all that I could desire, for I was able to be out in four weeks and feel in excellent health and am daily growing stronger and more robust. I can therefore recommend it as a medicine of unusual merit and beneficial to women.

Pauline Davis

# WINE OF CARDUI

Wine of Cardui has been growing in popularity for over seventy-five years. There have been remedies for women sold but the greater number of them have been forgotten while Wine of Cardui has found its way into American homes and so complete and lasting are its cures that women never tire of telling one another about it. It was one of these grateful cured women that brought Wine of Cardui to the attention of Miss Davis and was the result of giving her health and happiness instead of misery and despondency. And Miss Davis regards it as her duty to tell you the same good news that her friend told her. It rests with you whether you will take advantage of the same relief. Miss Davis took advantage of when she relied on Wine of Cardui to cure her. You have not only the word of Miss Davis and her friend, but the testimony of thousands of other women who have certified to the value of Wine of Cardui as a cure for female diseases. This pure vegetable tonic regulates menstruation and banishes all the blinding headaches and pains which torture women at the menstrual periods. It is a medicine to keep on hand for emergencies and also a tonic to be kept in the home and taken before the expected menstrual period as a preventive of the suffering of which Miss Davis speaks.

Give Wine of Cardui a trial and you will be as well pleased as Miss Davis is. All druggists sell \$1.00 bottles Wine of Cardui.
