Thirty Cents Will Rent Your Vacant Room
Isn't it pretty poor economy to let your room stay vacant?
Every day it might be earning for you two or three times the cost of renting it through a Bee Want Ad.
There are thousands who read the want pages daily as a matter of habit—who look there before they go room hunting. But just now, during the Bee Quotation Contest, almost everyone is reading the want pages word by word.
Ten words three times for 30 cents.
