NEWS OF INTEREST FROM IOWA.

COUNCIL BLUFFS.

LIBRARY DEADLOCK AGAIN

Board Unable to Agree on Which Way the Building Should Face.

UTILITY VERSUS ARTISTIC EFFECT

Architect Submits Several Rough Sketches of Proposed Building, but None is Yet Decided Upon.

Shall the main entrance of the Carnegie library building front on Willow avenue, facing the park, or on Pearl street, facing the street car line, is a question which the library board has not yet decided. This question was the main matter for discussion at the adjourned meeting of the board yesterday afternoon, but was not finally determined.

Members of the board who favor the main entrance being on Willow avenue and facing Bayliss park take the position that when the question of a site was interesting the general public the consensus of public opinion was that the library should be erected on a site facing the park.

That a site facing Bayliss park was secured after a long controversy and threatened litigation is a matter of recent history and the trustees who favor the main entrance being on Willow avenue take the stand that to place it elsewhere would be breaking confidence with the citizens of Council Bluffs.

At the meeting yesterday afternoon Architect Miller submitted several preliminary rough drawings, outlining plans for buildings with entrances on both Pearl street and Willow avenue, but the board failed to arrive at any decision.

Plumbing and heating. Bixby & Son.

JUDGE GREEN ADJOURNS COURT

Strength Unequal to the Task of Continuing the Present Session.

Judge Green announced yesterday that he would adjourn district court today until Saturday, December 19. He will leave for his home in Audubon today and will not return again to Council Bluffs this term. The work on the bench has proven too much for his strength after his recent illness and Judge Green now realizes that he made a mistake in attempting to preside at this term of court at all. The trial jury has been dismissed for the remainder of the term and whatever business of a minor nature that may turn up will be attended to by Judge Wheeler of this city.

Additional evidence in support of the motion to quash the indictment against E. Schurz, charged with embezzlement of the funds of the local aerie of Eagles, was submitted before Judge Green yesterday, who took the question under advisement. Schurz was indicted at the March term in 1903 and his demurrer to the indictment was sustained by Judge Wheeler, who ordered that the case be resubmitted to the grand jury. At the ensuing term of court the grand jury failed to return an indictment and Schurz was discharged and his bondsmen exonerated. The grand jury, however, at the next term again indicted him, but counsel for Schurz contend that the failure of the grand jury to which was resubmitted the charge to find an indictment was a final adjudication of the case and that the subsequent indictment found by the grand jury at the March, 1903, term was void and wholly without force.

Settle Damage Case.

The Citizens' Gas and Electric company has effected a settlement of the suit brought by Frank McCormick for the death of his son, who was electrocuted at the top of the light tower at the corner of Twelfth avenue and Sixth street on the night of November 7, 1901. The amount sued for by F. McCormick was $7,000, and it is understood that the suit was compromised by the Citizens' Gas and Electric company confessing judgment for $1,250. McCormick's home was in Tabor, Ia.

Opposed to Proposed Franchise.

Aldermen Casper, Tinley, Huber and Olson held an informal session yesterday afternoon at the city council chamber to discuss the proposed ordinance granting the Interurban Terminal & Belt Line company a franchise to occupy such streets in the city as it designated for an electric railway. Malcolm Green, representative of the eastern firm which expects to float the bonds of the Tabor line, was present part of the time and reiterated what he had stated to the committee of the whole Tuesday afternoon.

While the meeting was purely informal, the aldermen present expressed themselves as being opposed to the ordinance in its present form, on the grounds that it was entirely too sweeping and of such a character as to practically prohibit the entry of any other suburban line into the city, unless on such terms as the belt line company seemed fit to dictate. One of the aldermen present at the close of the meeting said: "The city might just as well hand over the entire city to this company for all time to come as pass such an ordinance, but as the people would have to pass on it at a special election there was not much fear that it would ever be adopted."

Merwyn Maynard Dies Suddenly.

Merwyn Maynard, assistant ticket agent at the Union Pacific Transfer depot, died this morning at the home of his brother, J. W. Maynard, 3220 Burt street, Omaha, from pneumonia, after a few days' illness.

Mrs. Maynard is in Chicago visiting a daughter, who is sick. Mr. Maynard worked up till last Thursday. His residence was in this city, on Mynster street. He was 60 years of age and was born in New London, Henry county, Ia.

He had been in the employ of the Union Pacific for thirteen years. He served throughout the civil war in Company D, Fourth Iowa cavalry.

Monday night he was elected regent of Fidelity council, Royal Arcanum, of this city, for the ensuing year. He was also prominent in Masonic circles.

Stymest Stevenson went last evening to Shenandoah to attend a concatenation of the famous order of Hoo-Hoos, the lumbermen's society.

Anderson Bros. company secured a building permit yesterday for the erection of a two-story brick building on North Main street, to cost $2,500.

The Woman's auxiliary of Grace Episcopal church will hold its regular meeting this afternoon at the residence of Mrs. W. Bushby, 2404 Fifth avenue.

For rent, office room ground floor; one of the most central locations in the business portion of the city. Apply to The Bee office, city.

The special meeting of Harmony chapter, Order of Eastern Star, called for last evening, has been postponed indefinitely on account of the death of Merwyn Maynard.

Mr. and Mrs. Homer Richey of Albia, Ia., who have been the guests of Mrs. Richey's brother, W. E. McConnell and family, left yesterday for Denver, Colo., where they will make their future home.

County Treasurer Arnd turned over to City Treasurer True yesterday $4,129.10, the city proportion of the tax collections for the month of November. The amount was made up of $3,217.65 regular and $911.45 special taxes.

Excelsior Masonic lodge has elected these officers: Worshipful master, J. L. Henry; senior warden, Charles Barnett; junior warden, Stymest Stevenson; secretary, Thomas McMillen; treasurer, John Shinkle; thrustee for three years, H. M. Sears.

The West End Improvement club will meet this evening at the county building, corner of Avenue B and Twenty-fourth street. It is expected that the mayor members of the city council and officers of the Council Bluffs, Tabor & Southern Electric Railway company will be present.

Word was received yesterday by the police that Frank Carter, arrested Tuesday evening by Policeman Distman, was a deserter from the Fifth cavalry band at Fort Logan, Colo., and that the military authorities would send for the man today. Officer Distman will receive the $30 reward offered by the government for the arrest of any deserter.

Council Bluffs Court of Honor No. 1068 has elected these officers for the ensuing year: Chancellor, James P. Enright; vice chancellor, Mrs. George R. Anderson; chaplain, Mrs. Maggie Femelire; recorder, Mrs. Ida E. Gittins; conductor, Mrs. Clara Coyan; guard, Albert Smith; sentinel, George E. Knight; musician, Mrs. Ida Hoag; physician, Dr. N. J. Rice; directors, C. E. Stornel, two years, J. C. Coyan, one year.

Logan Will Do Its Own Pumping.

LOGAN, Ia., Dec. 9.—(Special.)—Logan is building a brick pump house 14x34, costing about $300. A twenty-horse-power gasoline engine, costing $825, is being installed and the plant will be ready for operation about January 1. The city water heretofore was supplied by the Logan Electric Light company.

Will Debate with Dubuque.

CHICAGO, Dec. 9.—The High School Literary union of Chicago has accepted the challenge of the Dubuque (Ia.) High school team for debate.

NATIONAL GUARD CHANGES

Inspector General Prime Reports on Record of the Past Year.

NEW BUILDING FOR THE STATE FAIR

Secretary Urges Appropriation by the State for the Erection of Fireproof Structures on the Grounds.

(From a Staff Correspondent.)

DES MOINES, Dec. 9.—(Special.)—The inspection reports on the work of the Iowa National Guard for the last year were filed today with the adjutant general. General Prime reports that during the year companies were mustered out at Independence, Washington, Oelwein, Marshalltown, Bedford, Perry, Hull and the band at Algona; and companies were mustered in at Cresco, New Hampton, Independence, Washington, Des Moines, Osceola, Ida Grove, Sheldon and a band at Fort Dodge. It was found that in nearly every case where companies fell below the standard it was due to lack of armory facilities, something for which there was some excuse when the support was small, but with present support from the state cannot be excusable. The discipline of the guard is good, but might be better. The inspector general says this is due to lack of instruction. He would hold the colonels of the regiments responsible for the work of the companies and provide that they should visit the companies. The encampments should be used for instruction in field work and company officers are criticised for doing work at camps that should be done at home. Company cooks should be enlisted and provision should be made for medical inspection of food offered for sale. The signal corps is commended for its work in having "rendered efficient service and performed all duty required of it at the camps in a creditable and soldierly manner." The work of the medical corps is commended. General Prime would have the state acquire permanent camp grounds. There has been increased interest in this since the passage of the Dick bill in congress.

Permanent Fair Building.

The entire reconstruction of the buildings owned by the state of Iowa for the Iowa state fairs is a policy put forth boldly by Secretary J. C. Simpson of the State Department of Agriculture, before the state agricultural convention, at the session held this morning. Iowa has one of the finest fair grounds in the west, a tract of 270 acres, about half level land and running back into the hills, and the buildings erected thereon about twenty years ago were all of wood and cheap construction, and they have become so much worn that the cost of repairs is very important. Secretary Simpson reported that while the grounds were never in better condition, since two new stock pavilions have been erected and brick and other walks have been constructed, this cannot be truthfully said of the buildings. "The time is soon coming," said Mr. Simpson, "if, indeed, it is not already here, when many of the buildings will have to be replaced if a fair is to be held. The only way in which fireproof buildings can be erected is by appropriations by the legislature."

At the last session of the legislature the board got an appropriation of $37,000 for the erection of a live stock pavilion. During the last two years there had been expended for permanent improvement and repairs out of gate receipts a total of $44,312.51. A serious problem now confronts the board as to how to proceed to make other permanent improvements. Of the fifty-one stock barns at least fifty are in need of new roofs, and thousands of dollars will be needed for other repairs, new fences, drains, walks, gates, entrances, painting, etc. Secretary Simpson recommended that an appropriation should be asked of the next general assembly for a combined agricultural, horticultural and dairy building, and for at least three additional hog barns.

The report of President Norrow was read and referred to a committee and also the report of the treasurer, G. D. Ellyson. F. R. Conaway, of the exposition commission, read a paper telling what had been done in regard to an Iowa exhibit.

The election of directors resulted in the defeat of only one of the former members. J. P. Moriarty of Fairfield was defeated by R. S. Johnson, Columbus Junction. The other directors elected were W. C. Brown, Clarion; S. B. Packard, Marshalltown; M. J. Wragg, Des Moines; M. McDonald, Bayard; W. H. L. Pike, Whiting.

The Iowa Horticulturists.

The State Horticultural society today adopted reports of special committees on address of the president and secretary, in which the recommendations were indorsed. The president's recommendation in regard to work for a good exhibit at St. Louis was commended and his demand for testing seedlings in the state experiment stations and for other matters of interest. In regard to the secretary's report it was decided that the secretary should be given $400 a year to issue bulletins the first days of March, May and July, on the condition of the fruit and other interesting matters. Reports from directors of different stations were read and from the delegates to other states. Papers were read by W. A. Burnap, Elmer Reeves, W. S. Fultz, T. E. Mabee, J. S. Trigg, Eugene Secor, M. J. Graham and Henry Lau. The evening meeting was devoted to topics of interest to women. Officers were elected with W. A. Burnap as president to succeed M. J. Wragg, who declined a re-election.

Weeks Would Be Secretary.

E. W. Weeks of Guthrie county, who is a member of the Iowa house and secretary of the National League of Republican clubs, has gone to Washington to attend the meeting of the executive committee and the meeting of the republican national committee. Mr. Weeks expects to be selected as the temporary secretary of the republican national convention and he will be nominated for that place by Committeeman Hart of Iowa. He will receive the support of the committeemen from Nebraska, Kansas, Illinois, Missouri, California and a number of other states.

To Build New Gymnasium.

There will be a meeting of the Board of Trustees of the State Normal school at Cedar Falls on Thursday to receive bids for the building of the superstructure of the new gymnasium. The foundation has been built under contract and the board is now ready to proceed with the superstructure.

Found Dead at His Door.

John Campbell, an unmarried man about 45 years old, was found dead at the door of his room in a downtown block this morning. He was a son of a pioneer doctor and for several years had led a tramp life. He had secured a room a few weeks ago. It is regarded as probable that he committed suicide.

Mrs. Nettie Klingenble', accused of causing the death of her former husband, was discharged from custody, as the grand jury refused to indict her.

Grangers Are Active.

A state meeting of the grange, Patrons of Husbandry, is being held in Des Moines and is rather poorly attended. There are about 1,000 members of the granges in Iowa in about a dozen counties, chiefly in southwestern Iowa. They have maintained the grange organization from the times of thirty years ago, when it was a power in the state. Steps were taken today to give encouragement to those who are trying to organize in opposition to the big packing houses and the support of the grange was pledged.

Big Telephone Company.

George N. Bandy of this city, formerly of Perry, manager of the Hawkeye Telephone company and the last year managing the Mutual Telephone company of this city, is one of the chief organizers of the Hanamo Telegraph and Telephone company, organized in Delaware, with a capital of $1,000,000. The company plans to absorb a large number of the mutual and rural lines of telephone in southern Iowa and northern Missouri, with headquarters in this city.

Iowa hardware dealers will meet in Des Moines for their annual convention February 10 to 12. This was the decision of President S. R. Miles of Mason City and Secretary H. S. Vincent, who were in Des Moines Tuesday.

LUNATIC STABS IOWA PRIEST

Father Roach of Cascade Cut as He Leans from the Altar.

CASCADE, Ia., Dec. 9.—An insane man made a sensational attempt on the life of Rev. Father Roach of St. Martin's Catholic church here Sunday at the close of the afternoon services. Just as he was about to pronounce the benediction the man approached the priest as though he had an urgent message to deliver. Father Roach leaned over to hear what the man had to say, when the latter made a vicious stab at him with a knife.

The blade struck Father Roach in the neck, but before the crazy man could repeat his blow Roach sprang back and knocked the weapon to the floor.

There was tremendous confusion in the church at once, and from a devout congregation the worshiping men and women were transformed into a vengeful mob. The crazy man made his escape and was not captured until later.

A doctor attended the priest and it was found the wound, though a long one, was only a quarter of an inch deep. Several stitches were put in it and Father Roach removed to his own residence and made as comfortable as possible.

He is in no danger and will soon be well again. He was about 60 years old and strongly built. In the excitement the assassin, Montgene, got away to his home, where he was arrested later by the town marshal and taken to the calaboose. He is the son of a baker and was for a time in the insane asylum at Dubuque, suffering from a sunstroke. He was discharged subsequently and has been around home for months, apparently all right. A sudden aberration seized him at vespers service Sunday and the murderous assault on the clergyman followed. A lynching spirit was for a time abroad, but popular excitement cooled down and the criminal was removed to Dubuque and lodged in jail for safe keeping.

IOWA TOWNS ASK PRIVILEGES

State League of Municipalities Prepares to Let Legislature Know Its Wants.

WATERLOO, Ia., Dec. 9.—(Special.)—President P. J. Martin of the Iowa League of Municipalities has received letters from the members of the legislative committee of the league telling what legislation they want at the hands of the legislature. First of all, the league will ask that an appropriation of $5,000 be made for the benefit of the work of the league; that the cities of the first and second class be given the right to construct sanitary sewers and tax the cost to the property; that cities and towns be given power to levy and collect taxes for the purpose of constructing city buildings; that cities and towns be authorized to create street improvement districts; that counties be made to stand the expense of all resisted appeals from assessments; that cities of the second class be given authority to compensate aldermen at the rate of $2 for each meeting, the total not to exceed $100 per year; for a uniform system of accounting for all cities of the state by the state auditor.

Too Free Use of the Mails.

SIOUX CITY, Ia., Dec. 9.—(Special Telegram.)—George Sellers is locked up in the county jail here on the charge of having fraudulently used the mails. He advertised for persons who wanted to earn $18 by addressing letters at home, and he got bushels of responses. Each contained 10 cents. He is alleged to have secured further contributions by making other representations to these same victims. His place of business was Cherokee and there the arrest was made. He was arraigned here.

SATISFIED WITH INVESTMENT

Man Fined Five Dollars for Assault Admits He Got the Worth of His Money.

PERRY, Ia., Dec. 9.—(Special Telegram.)—Prof. Moser, the superintendent of city schools, keeps himself before the public eye. Because of some of his rulings he has been dubbed "Moses" by some of the boys, and on Saturday last one of them, named Bennett, accosted him on the street. Monday Moser called the boy into his office and after giving him a curt lecture emphasized it by using a rawhide whip on the boy's back. Next day the boy's father called on Moser in his office and after some words they came to blows and Bennett struck Moser in the face, breaking his nose. Today Moser had Bennett arrested for assault and a fine of $5 and costs was paid by Bennett, he remarking he had had that much fun out of it.

Record at Corn Husking.

SHENANDOAH, Ia., Dec. 9.—(Special.)—Charles Rennack fully established his right to the title of champion corn husker of the world by husking 203 bushels and sixteen pounds of corn in ten hours. This championship feat was performed as the result of a wager of several hundred dollars on the part of friends of the young man that he could do the work. The contest against time took place on the old D. P. Wilson farm. The field of corn in which Mr. Rennack husked averaged a little over seventy bushels to the acre.

Syrup Company Organizes.

SIOUX CITY, Ia., Dec. 9.—(Special Telegram.)—The National Syrup and Preserving company, which will operate the beet syrup plant at South Sioux City, has elected C. W. Jackson, sheriff of Woodbury county, president. It is announced the company will operate a cereal manufactory in connection with its beet syrup and preserving business.

Suspected of Being Burglar.

SIOUX CITY, Ia., Dec. 9.—(Special Telegram.)—Edward Gordon is under arrest here, suspected of being one of the men who robbed the postoffice at Newcastle, Neb., on Monday night. His "pal" is thought to have gone into South Dakota.

THE CHILDREN ENJOY

Life out of doors and out of the games which they play and the enjoyment which they receive and the efforts which they make, comes the greater part of that healthful development which is so essential to their happiness when grown. When a laxative is needed the remedy which is given to them to cleanse and sweeten and strengthen the internal organs on which it acts, should be such as physicians would sanction, because its component parts are known to be wholesome and the remedy itself free from every objectionable quality. The one remedy which physicians and parents, well-informed, approve and recommend and which the little ones enjoy, because of its pleasant flavor, its gentle action and its beneficial effects, is—Syrup of Figs—and for the same reason it is the only laxative which should be used by fathers and mothers.

Syrup of Figs is the only remedy which acts gently, pleasantly and naturally without griping, irritating, or nauseating and which cleanses the system effectually, without producing that constipated habit which results from the use of the old-time cathartics and modern imitations, and against which the children should be so carefully guarded. If you would have them grow to manhood and womanhood, strong, healthy and happy, do not give them medicines, when medicines are not needed, and when nature needs assistance in the way of a laxative, give them only the simple, pleasant and gentle—Syrup of Figs.

Its quality is due not only to the excellence of the combination of the laxative principles of plants with pleasant aromatic syrups and juices, but also to our original method of manufacture and as you value the health of the little ones, do not accept any of the substitutes which unscrupulous dealers sometimes offer to increase their profits. The genuine article may be bought anywhere of all reliable druggists at fifty cents per bottle. Please to remember, the full name of the Company—CALIFORNIA FIG SYRUP CO.—is printed on the front of every package. In order to get its beneficial effects it is always necessary to buy the genuine only.

The Bee Building

is conducted for the well being and comfort of its tenants. It is constantly under the watchful care of an able superintendent. If you want an office in a building—where things are done before it is necessary to complain—one that is kept constantly in repair—you know where to move.

SUITE 322—This suite of offices consists of a waiting room and a large private office. It faces the broad corridor around the beautiful court of the building and has a north light, which is so sought after by dentists and physicians. The private office can be divided, if desired, to accomodate two professional men, instead of one. Rental price per month..... $45.00

ROOM 309—This office is immediately in front of the elevator and is seen immediately on stepping out of the elevator. It is a large, handsome office, faces the south and is considered one of the most desirable offices in the building. A private office will be partitioned to suit the tenant, if desired. This office will be vacated for occupancy January 1st. Price per month..... $37.50

SUITE 306—This is the only large suite in the building vacant. It faces Farnam street and is as handsome a suite as there is in the building. The suite consists of a waiting room and two private offices, so that it would be admirably suited for two professional men. There is a large burglar-proof vault. This is a most desirable suit of offices in every respect. Rental price per month..... $50.00
