(From a Staff Correspondent.)

DES MOINES, Dec. 11.-(Special.)-The

state auditor today completed the statement

for lowa banks under the last call for in-

formation as to the condition of state and

vember 17. The report shows a decrease in

deposits about in accordance with the usual

decrease at this season of the year. Be-

tween the September and the November

statement, a little over two months, there

was a net increase of only two banks in

the class from which the state auditor gets

reports, a very small net increase, and the

additional capital invested amounts to only

\$29,700. The report for September showed

an increase of twenty-one in the number

of banks over the number reporting in May

last and a great increase in capital and de-

posits. Several banks have since become

decrease in deposits in the state and sav-

ings banks of nearly \$2,000,000 in the nine

weeks. The reason assigned is that at this

season of the year many deals are closed

and there is much more money needed in

Classes for lows Breeders.

Teachers Talking Politics.

In advance of the coming of the State

Teachers' association there is already much

wire pulling being done in regard to the

securing of offices in the association. The

the secondary schools of the state and

mal department, are already announced as

candidates for the place. Both are resi-

dents here. An effort is to be made, how-

ever, to have it go to the city superintend-

ents' section, and Superintendent S. H.

Sheakley of this city is already in the field

continues enormous

national banks. The report now shows a
