The goods to be sold is the entire stock of a well known Fifth Avenue Art store and consists of a large quantity of High Grade Oil Paintings by well known artists, in artistic and elaborate frames, with and without shadow boxes, and hundreds of other pictures of all kinds and descriptions that are usually found in up-to-date art stores.

Hundreds of pieces of fine Hand Painted China consisting of Placques, Trays, Vases, etc., etc., and also an immense quantity of finest grade Cut Glass, of which this dealer made a specialty.

The Cut Glass is in endless variety of different articles, most elaborately cut on the finest crystal.

For the past few days these goods have been on display in one of our front show windows and have caused much wonder and admiration, as seldom are goods of this high character offered at special sale prices. Special Notice to South Omaha People.

IT HAS RECENTLY COME TO OUR NOTICE that (1) TWO PHYSICIANS of SOUTH OMAHA who PROMINENTLY VIBED their attention to take their prescriptions to the DILLON DRUG COMPANY have SUDDENLy CHANGED and NOW ADVISING those SAME PEOPLE to go to ANOTHER DRUG STORE, one which THEY have formerly advised their patients NOT to patronize. Now, we would MUCH PREFER the GOOD WILL of ANYONE, physician or otherwise, than their ill will. We are not BEGGING any physician, nor PAYING ANY DOCTOR for their prescriptions, BUT WE HAVE AS LARGE (give us any other South Omaha drug store the best of the doctors) a PREScription STOCK in both our South Omaha store (formerly the Dillon Drug Co.) or our Omaha store, as can be found anywhere WEST OF CHICAGO. We are in business to FILL PRESCRIPTIONS as well as sell drugs, etc., and we GUARANTEE to fill any prescription for LESS MONEY than any other drug store in either Omaha or South Omaha. We do not know what reason the two (2) above physicians are using us to why they CHANGED SO SUDDENLy. We called upon one of them WITH MR. DILLON SOON AFTER BUYING his drug store and THAT ONE TOLD US he would "STAY WITH THE OLD STORE", or, in other words, he would not let his influence (?) against us. Now, we called again recently upon this physician and asked him to RECALL and TELL US SO SUDDENLy and he told us that "STRONG INFLUENCE HAD BEEN BROUGHT TO BEAR" advising that it was CONTRARY to HIS WISH, and that he had NO FEELING TO FIND with our South Omaha store or the business methods. It has also COME TO OUR NOTICE that SOME OTHERS are trying to spread a report in South Omaha that while we "CUT THE PRICE ON PATENT MEDICINES, we made up the cut on prescriptions." The fact is FOR NO OTHER REASON that we DO NOT PAY ANY DOCTOR 50 PER CENT, or any other per cent for prescriptions, although it is an ACKNOWLEDGED FACT that ONE DRUG store in South Omaha does, except all those BOTTLED REPORTS, and also THE FACT THAT WE GIVE ANY PATIENT his prescription back again with a guarantee as to price, so he can prove it, is a most consistent practice.
