A Letter

Mr. E. T. Yates, 16th and Chicago, Chicago.
Dear Sir: I regret very much to note that you have been placed on the list of aggressive cutters and under the circumstances it will be necessary for us to decline your order. This is a matter of deep regret to the writer, for as stated in our former letter, we have valued you as one of our very best customers, but conditions are such that it is necessary for us to discontinue selling you goods. We sincerely hope that some plan will materialize by which you and your brother drugists in the downtown districts will come to an agreement on prices that will be mutually satisfactory. We feel that we particularly are losing out on this arrangement. You have been a good customer of ours, while some of the others have not, and it is quite a hardship for us to be called upon to cut off your supplies. At the same time the writer told you some time ago that this would be the inevitable result and after investigation it seems that the authorities have decided that you are the aggressor. Yours truly,
RICHARDSON DRUG CO.
C. F. WELLER, President.

The above letter was received by us this morning. It is hardly necessary for us to say that it proves MOST CONCLUSIVELY what we have said about the existing drug combine in Omaha.

We respectfully ask the COUNTY ATTORNEY OF DOUGLAS COUNTY, OF THE STATE OF NEBRASKA what good are the ANTI-TRUST LAWS OF THIS GREAT STATE? Very Respectfully,
