AWARD IN SPELLING CONTEST

Scores Vary and Postmark Cuts Hardly Any Figure.

HIGHEST PRIZE GOES TO WEST POINT

Miss Gertrude Lindale Once More Leading All Competitors in the Search for Mis-Spelled Words.

The words of the English language, like Topsy, have all "growed up," and, like Topsy, they have each an anatomy of their own with which the student of language must make himself acquainted. Few persons realize how many words they only know superficially until they are obliged to note them in writing, or are put to the test in a competition like The Bee's series of Want Ad spelling contests, than which few better spelling schools can be found.

In the contest closed with the beginning of this week Miss Gertrude Lindale of West Point, Neb., took the first prize, this being the third important prize won by her in The Bee's contests.

The testimonial below relating to a previous contest speaks for itself:

PROGRAM FOR THE MERCHANTS

Sioux Falls Makes Its Plans for the Seventh Annual Convention.

SIOUX FALLS, S. D., Jan. 8.—(Special.)—The program has been completed for the seventh annual convention of the South Dakota Retail Merchants' association, to be held in Sioux Falls on January 19, 20 and 21.

Through the untiring work of E. J. Mannix of this city, secretary of the association, an unusually interesting program has been prepared for the approaching convention.

The convention will be called to order at 8 o'clock on Tuesday evening, January 19. The delegates will be welcomed to the city by Mayor George W. Burnside. At the opening session P. F. Wiekhem of Alexandria, will present a paper on "What Is Being Done for the Merchants of the State by this Association." H. J. Rice of Huron, former president of the association, will also address the gathering. Wednesday morning J. D. Bartow of Plankinton will address the convention on the subject, "How I Knocked Out Catalogue Competition; a Big Store and a Large Stock Are Essential." A. J. Alwin of New Ulm, Minn., will talk on "The Senselessness of Merchants Selling Fur Coats at a Loss." "Legislation, Passed and Proposed" will be the subject of a paper by E. F. Gross of Gettysburg. "Why Merchants Are Sometimes Forced Into Grain Buying" will be presented by F. L. Larson of Viborg, H. O. Rime of Dell Rapids and H. Fossler of Hartford. L. S. Tyler of Sioux Falls will address the gathering on "Our Mutual Fire Insurance Company." A Sioux City merchant, yet to be selected, will give his views on "Premium Stamps." "The Armour Plan" is the subject of an address by T. J. Courshon of Delmont. At the session Wednesday morning Secretary E. J. Mannix and Treasurer W. J. Andrews will present their annual reports.

The entire session on Wednesday afternoon will be devoted to the interests of the retail hardware dealers, the principal question to be discussed being whether it will be advisable for the hardware men to withdraw from the association and organize an association of their own, to which only dealers in hardware will be eligible. Among those who will participate in the discussion of this important question will be Charles D. Baker of Sioux Falls, R. A. Kirk of St. Paul, Noah Keller of Woonsocket, D. D. Gross of Yankton, W. H. Wumkes of Lennox.

At the session on Wednesday evening Fred Mason of St. Paul, secretary of the national association, will present a paper on "My Observations on My Trips East and South; How Trade is Handled; How the Retailer and the Jobber Regard One Another." J. F. Jordan of Minneapolis will talk on the subject of "How the Merchant Can Assist Himself by Standing Loyally by His Jobber; Do Not Switch Your Account on Slight Pretexts; Be a Friend of the Traveling Representative."

Governor La Follette of Wisconsin will talk on "Robbery by the Railroads."

Thursday morning N. G. Choad of Hull, Ia., will tell of "My Struggle with John D. Rockefeller." "Bridgewater's Experience with the Standard Oil Company and the Result" will be related by Hon. E. L. Abel of Bridgewater. C. P. Sherwood, state food and dairy commissioner, will discuss the work of his department and answer such questions as may be put to him. J. E. Walker of Davis will give his views on "How Best to Compete with Mail Order Houses—Advertise."

Among the other subjects to be discussed during the convention will be "Fraudulent Advertising: Can It Be Prohibited by Law? Its Effect on Legitimate Trade," "Box Car Merchants," "Parcels Post," "Rural Free Delivery," "Rural Telephones," "How to Handle Produce with the Least Possible Loss." At the session Thursday afternoon officers will be selected for the ensuing year and the place for holding the next annual convention will be determined upon.

On Thursday evening the visiting merchants will be guests at an entertainment, which will be followed by a dance.

Safety Coupling Suit.

SIOUX FALLS, S. D., Jan. 8.—(Special.)—W. G. Porter, assistant United States attorney for South Dakota, has filed in the federal court in this city a case of great importance to railroad corporations and trainmen. The suit is to determine whether or not railroad companies are liable if safety couplings are not kept in repair. The question has never been decided by the courts, and the suit instituted here is therefore in the nature of a test.

May Want Poultry Show.

SIOUX FALLS, S. D., Jan. 8.—(Special.)—A meeting of local poultry fanciers has been called to decide whether or not an effort shall be made to have the next exhibition of the state poultrymen held in Sioux Falls. This year's show will be held at Mitchell, beginning February 1. If it is decided to enter Sioux Falls as a candidate for the next meeting a strong delegation will be sent to Mitchell next month.

CONDUCTOR PLACES BLAME

Says that Rock Island Passenger Train Ran Regardless of Orders.

RAILROAD OFFICIALS TEST TRAINMEN

Official Secretly Watches Eight Trains Pass Danger Signal on Road Near Chicago and Enginemen Are Suspended.

TOPEKA, Kan., Jan. 8.—Conductor Nagle, of the westbound Rock Island express, which was wrecked near Willard on Tuesday when seventeen persons were killed and thirty injured, admitted today, in a deposition made from his bed in a local hospital, that he and Engineer Benjamin had orders to wait for the freight with which they collided. Conductor Nagle said:

We had orders to wait for a special stock train at Valencia until 12:58, and to pass another stock train at Willard. We were late and passed through Valencia at 1 a. m., and no stock train was in sight. At Willard we saw a stock train standing on the side track and made no stop. I supposed the engineer thought that the two trains had been combined.

I could not see the number of the engine on the side track on account of the steam and because we were running so fast. We were going fifty miles an hour. Engineer Benjamin and I had duplicate orders.

Testing Train Crews.

CHICAGO, Jan. 8.—The Tribune today says that without noticing that the light in the semaphore above a suburban station of a railroad entering Chicago was not burning, eight train crews have passed the danger signal while a high official secretly marked down the numbers of the trains. Eight conductors, eight firemen and eight engineers are now on an enforced vacation of sixty days.

The remarkable test was suggested by the wreck that occurred on the Pere Marquette railroad near Grand Rapids, Mich., on December 26, and by a desire of the company to throw the greatest care for safety about its patrons.

According to the rules of the company a light that is not burning has the same significance as a red light or danger signal would have.

Be Quick.

Not a minute should be lost when a child shows symptoms of croup. Chamberlain's Cough Remedy given as soon as the child becomes hoarse, or even after the croupy cough appears, will prevent the attack. It never fails, and is pleasant and safe to take.

DEATH RECORD.

Dr. John F. Boyd.

HARLAN, Ia., Jan. 8.—(Special.)—There has reached people here the news that on Tuesday, in Cleveland, O., the death of Dr. John F. Boyd occurred. He was a practicing physician in Defiance, Shelby county, for many years and at the same time was engaged to some extent in farming and stock raising. At the height of the silver movement Dr. Boyd, for years an ardent republican, espoused the silver cause and was nominated for the lower house on the fusion ticket. He was elected and served in the twenty-seventh general assembly. He declined renomination. Dr. Boyd left Shelby county some years ago, after a residence in Iowa of almost half a century. He was a native of Pennsylvania and at the time of his death was 59 years of age.

Dr. M. L. Rodkinson, Talmudist.

NEW YORK, Jan. 8.—Dr. Michael L. Rodkinson, editor and publisher of the Babylonian Talmud, the principal authority of the Hebrews on oral laws and the traditions of their faith, is dead at his home here.

J. H. Coutts, Iowa Banker.

CEDAR RAPIDS, Ia., Jan. 8.—J. H. Coutts, president of the First National bank of Tipton, dropped dead in a hotel here. The cause was apoplexy. Mr. Coutts was 55 years old.

Miss Edna Berg.

PIERRE, S. D., Jan. 8.—(Special Telegram.)—A telegram received here today from Tucson, Ariz., announces the death this morning of Miss Edna, daughter of O. C. Berg. The funeral is to be at Redfield Tuesday next.

Mrs. Anna Ashlock.

PLATTSMOUTH, Neb., Jan. 8.—(Special.)—Miss Anna McQuin, who became Mrs. Calloway Ashlock two weeks ago, died very suddenly yesterday, aged 18.

Bright's Disease Cured By Warner's Safe Cure.

Joseph Sherburne Murray, the Noted American Artist and Athlete, in Last Stages of Bright's Disease, with Bloating and Heart Failure, Says He Was Permanently Cured by Safe Cure.

"I Grew Rapidly Worse; Could Keep Nothing on My Stomach; Lost Weight, and for Days Could Not Leave My Bed."

"I was taken seriously ill in New York two years ago; grew worse; had the best doctors. They said I had Bright's disease and could do nothing for me. I commenced to bloat, had heart failure, could keep nothing on my stomach, and lost flesh rapidly. I could not work and for days was unable to leave my bed. I was in the last stages of this awful disease, with death staring me in the face.

"Happily for me, 'Safe Cure' was suggested and I took it as a last resort.

"I began to get better with the first bottle, improved steadily, and in four months every trace of kidney disease had disappeared, my appetite was good, and I got back my health and strength, and never felt better in my life."

JOSEPH SHERBURNE MURRAY,
43 Broadway, Rochester, N. Y.

Backache, headache, stomach trouble, nervousness, bad complexion, skin affections, weak heart, cloudy urine when it stands 24 hours, and diseases of the urinary and female organs, are every one certain signs that your kidneys have been diseased for months, and if allowed to run along without treatment, Bright's disease, diabetes, blood poisoning will develop, and death quickly follow.

Thousands of Men and Women Have Kidney Disease and Don't Know It

until the final stages have been reached.

You haven't a minute to lose. Get a bottle of Warner's Safe Cure, that has been prescribed by doctors and used in hospitals for 50 years as the only positive cure for all diseases of the kidneys, bladder, liver and blood—the only remedy that cures and leaves no bad after effects. It has cured thousands of cases after all other medicines failed. If you have kidney trouble, Safe Cure is your only salvation. Read what Mr. Murray says. We have thousands of such letters.

Safe Cure checks the inflammation, drives out the disease, and quickly puts the organs into perfect condition so that they can do their work properly, and makes and keeps you strong and well.

Safe Cure is made of pure herbs and roots, and is guaranteed free from all dangerous drugs so often found in so-called kidney cures. All drug stores or direct, 50c and $1 a bottle.

Refuse Substitutes and Imitations. They are dangerous. There is only one Kidney Cure. It's Warner's Safe Cure. It will cure you, and leave no bad after effects.

If there is anything about your health or the health of your family that you do not understand, or that causes you worry, write fully and in confidence to our doctors for free advice and counsel. Medical book free. Address Warner's Safe Cure Co., Rochester, N. Y.

SAFE PILLS move the bowels gently and aid a speedy cure.

MEN

I want all ailing men to feel that they can come to our office freely for an examination and explanation of their condition without being bound by any obligation to take treatment unless they so desire. Every man should take advantage of this opportunity to learn his true condition, as I will advise him how best to regain his health and strength and preserve the powers of manhood unto ripe old age.

I will make a thorough and scientific EXAMINATION of your ailments, an examination that will disclose your true physical condition, without a knowledge of which you are groping in the dark. If you have taken treatment without success, I will show you why it failed.

Avoid Dangerous or Uncertain Treatment

DON'T WAIT until your whole system is polluted with disease, or until your nervous system is tottering under the strain, and you become a physical and mental wreck, unfit for work, study, business or marriage. With special diseases and weaknesses you can make no compromise. You must conquer them now by the right treatment, or they will fill your whole life with failure, misery and woe. Uncertain, improper or half-way treatment can only do harm. The worst cases we have treated were those that had been improperly treated before coming to us, some having been maimed for life by bungling surgical procedure. We cure by restoring and preserving important organs. We do not advocate their mutilation or destruction in an effort to make a quick cure. Every afflicted man owes it to himself, his family, and to the future generations to get cured SAFELY and thoroughly.

I WILL CURE YOU

VITAL WEAKNESS

Above all other things we strive to save the thousands of young and middle-aged men who are plunging toward the grave, tortured by the woes of nervous debility, the result of youthful habits, excesses, etc. We have evolved a special treatment for Nervous Debility and special weakness that is uniformly successful in cases where success was before by other doctors deemed impossible. It does not stimulate temporarily, but restores permanently. It allays the irritation of the delicate tissues surrounding the lax and unduly expanded seminal glands, contracting them to their normal condition, which stops night emissions, dries up day drains and prevents prematureness. It tones up and strengthens the blood vessels that carry nourishment to weakened parts, thereby restoring health, strength and vigor.

WE MAKE NO MISLEADING STATEMENTS or deceptive propositions to the afflicted, nor do we promise to cure them IN A FEW DAYS in order to secure their patronage, but guarantee a COMPLETE, SAFE AND LASTING CURE in the QUICKEST POSSIBLE TIME, without leaving injurious after effects in the system, and at the lowest cost possible for HONEST, SKILLFUL and SUCCESSFUL TREATMENT. We cure:

Stricture, Varicocele, Nervous Debility, Impotency, Blood Poison (Syphilis), Sores, Rectal, Kidney and Urinary Diseases,

and all diseases and weaknesses due to inheritance, youthful habits, indiscretions, excesses, or the results of specific or private diseases.

CONSULTATION FREE—Office hours, 8 a. m. to 8 p. m. Sundays, 10 to 1 only. If you cannot call write for symptom blank.
