**DR. BURDICK MAKES DENIAL**

Omaha Physician Files Answer to Miss Babcock's Breach of Promise Suit.

**SAYS HE NEVER CONTRACTED MARRIAGE**

**Declares Woman Who Asks Fifty Thousand Dollars Had Ungovernable Temper and Produces Letter from Her.**

Additional papers were filed in the district court yesterday in one of the biggest breach of promise suits ever instituted in the history of Douglas county, the case being that of Miriam Genevieve Babcock, a resident of New York state, against Dr. Jesse R. Burdick of Omaha. The papers just filed contain Dr. Burdick's answer to Miss Babcock's suit for damages for \$50,000 for alleged wounded affections and injury to her health. In her petition, which was filed April 23, 1903, Miss Babcock says that she and the defendant grew up together in the same town in New York and that a verbal promise was made by Mr. Burdick to marry her. Mr. Burdick afterwards came west to Omaha. They continued to correspond and addressed each other in affectionate terms. It is also related that Miss Babcock gave Dr. Burdick the sum of \$100 in money with which to buy furniture for his office; also that her parents gave him the sum of \$110 and various presents.

**Burdick Denies All.**  
Miss Babcock also alleges that she went

**A CONTINUAL DRAG.**  
The Exact Terms.

Only those who have experienced the pain of hemorrhoids can know what a drag and handicap this complaint is; how even the simplest forms hinder the patient from putting forth his or her best efforts, while those afflicted with bleeding and protruding piles realize all the tortures of the inflammation.

It may surprise the reader to know that there is a sure, permanent cure for this disease, as the following testimony from Mr. E. A. Leonard, an American resident in the City of Mexico, will show:

"For twenty years I suffered with piles, sometimes being confined to my bed for days at a time. The relief received from doctors both in the United States and Mexico, was temporary, and more frequently I received no relief; other medicines had no effect. It was a continual drag. I was fit for nothing. I finally tried Pyramid Pile Cure; first application was made, and I do not believe I was awake next morning; I experienced a relief that I had not known for twenty years. One box cured me; but not believing myself cured I bought two more, but they are still in my trunk. I first used the remedy in July 1902. I HAD HAD NO OCCASION TO USE IT SINCE. The world should know of Pyramid Pile Cure. I have no words to express its merits."

Pyramid Pile Cure is in the form of a suppository, which is admitted by all physicians to be the best preparation for treating piles; it comes in direct contact with the painful tumors and does its work quickly and painlessly. It is a solid, drugless, generally, for 50 cents a package, and there is no other remedy "just as good."

Write Pyramid Drug Co., Marshall, Mich., for their little book on the causes and cure of piles which is sent free for the asking.

**PLANS OF THE DEMOCRATS**

Scheme Said to Be on Foot to Lead Bryan in the Senate.

**UNTRIFIED GETTING IN THE HARNESS**

Reported Proposition is to Make Bryan Chairman of Convention Delegation and Endorse Him There.

A democratic politician who stands very close to men intimately associated with W. J. Bryan declared yesterday that it is Mr. Bryan's strong desire to succeed Charles H. Dietrich as United States senator in 1905. Further, that the men of influence in the party are quietly disseminating the information that all energies should be directed toward electing a democratic legislature in order to give Mr. Bryan the senatorial toga. The fight as planned will raise two principal issues—railway taxation and domination and an effort to make capital out of the Dietrich prosecution.

Nebraska democrats, or the majority of them who make up the Democratic caucus in St. Louis to provide a St. Louis convention endorsing Bryan and Bryanism and with that gentleman as chairman, the same as in 1896. The untrified from the Antelope state may pretend to have a lurking hope that things may turn out to make Bryan the presidential nominee for the third time, but they really will have no such expectations. They can then go home and "reorganize" state politics with a view to carry the state so that Bryan may go to the senate.

**Such is the Program.**

Of course, pending Bryan's arrival home and developments, plans were in a tentative stage, but this is the program that the inside workers and schemers have mapped out. The state convention will be held in September, according to the talk now heard.

Since the publication of the fact in The Bee a week ago that few if any invitations to the Bryan dinner had been wafted Omaha-ward, they have come in like a flood, the leading spirits in the affair having realized their blunder in antagonizing the Jacksonians. The excuse is given that at that time the exact date of the dinner, dependent upon Mr. Bryan's return, was not known, but this sounds rather weak, in view of the fact that many invitations had gone out before the story was printed in The Bee. All the Jacksonians, regardless of their creed in 1896 and thereafter, have been asked to come.

**MUNRO PUTS IN A PROTEST**

Retail Grocer Objects to Contract by County with Wholesale for Store Supplies.

At a meeting of the county commissioners yesterday a protest was filed by G. A. Munro against awarding the contract for groceries for the county store to the Paxton-Gallagher company. The matter was referred to the committee of the whole and the county attorney.

Relative to the complaint which was filed by C. M. Bachmann, the newly-elected justice of the peace, the county attorney submitted an opinion, in which he held that the commissioners had no power to make disposition of the justice of the peace docket. Bachmann complained because Justice W. M. Altstetter had appropriated the books which had been in the office of Mr. Bachmann's predecessor and had refused to turn them over to the latter.

Mr. Bachmann was present and stated that he had decided to drop the matter and get a new set of books.

**SAYS JEWELS WERE FOR HIM**

H. D. Van Camp Writes Sister Meant to Will Him Her Diamonds.

**PREVENTED AT DEATH'S DOOR BY DOCTOR**

Man Arrives from California and Testimony is Introduced in County Court in Former Mysterious Case.

Testimony was introduced before Judge Vinson yesterday bearing upon the mystery which has been evolved out of the disappearance of some diamonds which were left by the late Mrs. Aida J. Eddy to Mrs. Halsey, a relative residing in Geary, Okl.

Some testimony was adduced to indicate that H. D. Van Camp took the two diamond earrings which Mrs. Eddy left to her sister, and for the sum of \$2 a local jeweler took the stones from their setting and inserted two bogus stones, and that when Charles E. Morgan, the administrator of the estate of Mrs. Eddy, came into the possession of the property he was given the custody of the bogus diamonds instead of the real ones.

J. L. Jacobson, a local manufacturing jeweler, said last summer he made a substitution of bogus stones for someone, whom he did not know, and that he had taken diamonds from two earrings and substituted false stones in their place. J. A. Tuttle and James H. Adams testified that they had seen Van Camp wearing a large diamond in a ring and another in a screw stud.

**Meant Them for Him.**  
A letter was introduced by the attorneys for the estate in which Van Camp states that it was the intention of his sister to leave him the diamonds, but that she was prevented from doing so because her physician would not permit her to transact business matters previous to her death. In writing this letter to Mrs. Halsey Van Camp states that if she still desires the diamonds, in view of her sister's intended action, she can have them, but that it had been a life-long desire with him to possess these diamonds.

Van Camp is in the city, having come from California, but papers have not been served on him as yet.

Mr. Morgan, the administrator of the Eddy estate, said he had made various wills for Mrs. Eddy and that one of these contained an inventory of the family jewels and that their number was numerous. But when the jewel came into Mrs. Morgan's possession after the death of Mrs. Eddy they were missing. And now no one seems to know where they are.

Additional evidence will be heard in this case on next Wednesday.

**CHARGE OF EMBEZZLEMENT**

Complaint Filed by Insurance Company Superintendent Against One of His Agents.

I. E. Frederick, superintendent of the Prudential Insurance company's office in Benson, has sworn to a complaint charging George D. F. Pierce of 923 South Twenty-seventh street with embezzling \$146 and the complaint is on file in police court. The complaint alleges that Pierce, as an employee of the company, induced his friends to pay over to him premiums due the company September 1 last, and that he failed to make an accounting for the money to the Prudential company. Mr. Frederick charges that Pierce has collected a sum in excess of \$700 for which he has made no accounting; but the specific charge is for \$146 in two counts, one of \$110 and one of \$46. Pierce has not yet been arraigned.

**SAYS FLAG IS DESECRATED**

Veteran Has Mole, Hayward and Halter Arrested and Rush Appears for Them.

Walter Mole, H. V. Hayward and Nicholas V. Halter were arraigned in police court on complaint of John H. Berger, who alleges that defendants have and are desecrating the flag of the United States by using a fac simile of it as an advertising device in their Fourteenth street liquor house. The three defendants, on advice of S. R. Rush, assistant United States district attorney, waived examination and were bound over in the sum of \$50 each.

Mr. Berger, complainant, is commander of the Union Veterans' union. Although charges that an ulterior motive is back of the action Mr. Berger has begun has been made, he disclaims that such are the facts.

**SILK TILE APPEARS IN COURT**

Displaited Hat Attracts Attention as Its Wearer is Fined by Judge Berka.

It is seldom that a silk hat takes a chance in police court, but a ruffled and dented specimen was a conspicuous ornament in Judge Berka's courtroom yesterday. It was discovered way back in the hindmost seat, and albeit it made a grievous attempt to stand up straight, the effects of a protracted spree wobbled it and tilted it to one side as it rode its left ear of J. M. Martin, a stranger in a strange land, on that worthy's journey from the rear of the court room to the prisoner's seat at the bar of justice.

"Were you drunk?" sternly demanded the judge.

"Your honor, I was," from out the cavernous tile issued a sonorous reply.

"One dollar and costs," said the judge. "The silk tile toppled for a moment under the disgrace just heaped upon it."

"Judge, we are in sore trouble," said the man, whose face betokened better days long ago. "Ed Weaver, over there, and myself are chums. We met by chance last night—and—well, you know, he and I got slightly mixed up, you comprehend, and here we are, in the penitentiary, your honor, wretched and penniless. Mr. Weaver has done his best—he actually tried to pawn his gold-rimmed spectacles to raise sufficient coin to telegraph home for more funds, but he failed, judge, and, as I remarked before, here we are."

They are both here yet. Weaver will have his lunch Monday.

**ROURKE HAS SIGNED A CATCHER**

Pa Gives Chance to "Spotty" Freeze, Who Halls from Onawa, Iowa.

"Spotty" Freeze, hailing from Onawa, Ia., where he caught for the crack team which represented that town in 1902, has been signed by William A. Rourke as a catcher for Omaha this year. Last year Freeze was in the Iowa and South Dakota league. He had a batting average of .311 and a fielding record of .564 in eighty-six games. Freeze has been employed as the Chicago & Northwestern baggageman at Onawa since the base ball season closed. He will report for duty April 1.

**FIRST CONVICTION FOR BUEL**

Parent Whose Child Does Not Attend School Fined in Justice Court.

County Trust Officer J. M. Buel secured his first conviction under the compulsory education law yesterday. Andrew Lund was fined \$5 and costs by Justice Baldwin for failing to send his three children to school. Lund lives outside the city limits, near Fifty-sixth street and Poppleton avenue. Four other complaints are to be filed by the officer next week.

**ORDERS THE HOUSES VACATED**

Mayor Declares Keepers of Resorts Must Leave Sixteenth and Leavenworth Streets.

Orders have been given by Mayor Moore to Chief Donahue to close all saloon houses and drive out all courtesans on Sixteenth street from Cumby to Leavenworth and on Leavenworth from Sixteenth to Twenty-first. The women are to be given sixty days in which to find quarters in the burnt district, but will be directed to move as quickly as possible. The mayor enjoined the greatest thoroughness and dispatch in enforcing the order.

"There is no question," said the mayor, "but that the second and third floors of

**Winter Eczema**

Winter Eczema, sometimes called Dry Eczema, or Tetter, is one of the severest forms of this most torturing and aggravating of all skin diseases. As cold weather approaches the skin thickens and hardens, cracks and bleeds, and in bad cases crusts and sores form and the parts affected become intensely painful, tender and swollen. The itching, burning and smarting is so terrific at times that the sufferer is made almost desperate, and the nerves are so unstrung that sleep is impossible. Like all other skin-torturing diseases, Winter Eczema is caused by acids circulating in the blood, and while soothing applications are helpful, no lasting benefit can come from external treatment. The disease is in the blood; the entire system is saturated with the poison and he blood aflame with the fiery acids, and only a remedy that enters into the circulation and destroys the poisons will afford lasting relief from the torments of Eczema.

S. S. S. has no equal as a blood medicine, and because of its many cures has become the most widely-known, and popular blood purifier on the market. If you have Eczema or any skin trouble originating from bad blood, you will find that S. S. S. acts promptly, purifying the blood and building up the general health. Write us about your case. Medical advice without charge.
