(From a Staff Correspondent.) LINCOLN, Jan. 28,-(Special.)-It is be ginning to look as though Norfolk will get that asylum after all before the meeting of the next legislature and instead of three BLAIR ASKS FOR NEW TRIAL cottages and the administration building there will likely be four cottages, owing Alleges Sumerons Errors, but Princito the delay in letting the contract until spring and thus saved probably 20 per cent on the cost of construction. Architect Tyler has the plans all complete with the exception of the steam plant and it is expected that blds will be advertised for during the month of February and the contract let at the earliest opportunity, the building being finished by October. The administration building is to be 42x71 feet and three stories high. It will include a dining room and rooms for all the officers and many of the employes of the institution. Norfolk has had a hard time and has suffered much uneasiness over this building, but the delay in starting its construction will save considerable money in the cost of labor and material.

LEAVES BOY IN ROAD TO DIE Duffy's Pure Malt Whiskey Cures and Prevents Coughs, Colds, Grip, Consumption, Catarrh, Bronchitis, Asthma and All Run-Down, Weakened, Diseased Conditions of Body, Brain, Nerve and Muscle.

Throat and lung troubles attack only those who let their systems become weak-ened, run down and diseased through over-work, worty, exposure to wet and cold, or disease

Duffy's Pure Mait Whisky is an abso-lutely pure, gentle and invigorating stimu-lant and tonic, which builds up the worn-out constitution and keeps it always in cou-dition to successfully throw off and resist

disease. The little cough or cold, allowed to run on without proper treatment, develops into catarrh. grlp, bronchitis, pleurisy, pneu-monia and consumption, and fills three-fourths of the graveyards of this country.

Grip nearly always leaves behind it com-lications of the kidneys, liver, heart and ings, which are apt to end fatally at any churts. Duffy's Fure Malt Whiskey has cured thousands of cases after all

clise had failed-when even doctors had given them up to die. It kills disease germs: builds up the tis-sues: tones up the heart: enriches the blood, stimulates circulation: gives power to brain, strength and elasticity to the

muacles. It brings into action all the vital forces, and enables you to get from food all the nourishment it contains. It cures dyspepsis, indigestion and every form of stomach trouble; nervousness, maiaria and all low fevers. It is invaluable for over-worked men, delicate women and sickly children. Is a promoter of health and longevity.
