THE LARGEST SALARY GOES TO THE MAN OR WOMAN OF GREATEST ABILITY.

But it must be the kind of ability that is in demand. No class of clerical help is more sought after than competent bookkeepers and stenographers.

In this hustling age you enter the business world at a disadvantage unless you have a thorough knowledge of business ways. Business can't wait for you to "pick it up."

A complete mastery of bookkeeping or shorthand, a possession of the Touch method of typewriting, which we teach, and a willingness to work, are all that is necessary to enable you to reach out with a sure hand.
