 We Take No Branches or Twigs
 says one of the VAST EMPORIUMS in the drug business in Omaha—in an ad in the World-Herald of Sunday, Jan. 31. We wonder if the same emporium still balances the Douglas County Retail Druggists' association, which he leads around by the nose, in talking ANY MORE OF THE KEBTON DETECTIVES TO RAISE? We also wonder if this same HAS BEEN president of the Omaha drug trust since THE PEOPLE ARE FOOLS AND WILL BELIEVE the "braggadocio" of his ad which, in point of preparation, is fully equalled by the catalogue emanating from the same EMPORIUM.
 FOR THE BENEFIT OF ALL DOUBTFULERS, we give any one the privilege of deducting 25c from the price of ANY ARTICLES quoted in ANY DAILY PAPER in Omaha, So Omaha or Co. Butts by ANY RETAIL DRUGGIST of the three cities and sending or bringing the order to us and we will law it promptly. Don't order any DRUG STORE THING from any catalogue, but write or call on us for prices net. CATALOGUES ARE LIES.

CLEARANCE OF Men's Overcoats
 Coats at \$8.75 Worth \$12.50.
 We've cut the prices on these coats generously. The more overcoats we sell before our spring season opens, the greater the success of the past season.
 It isn't all commercialism, either—some of it is pride. We want to see every overcoat out of the house. Not alone because we would rather count its "cost," or less in cash than its value as stock, but for the sake of saying again—"our clothing sells out to the last garment each season."
