"Undoubtedly hypnotism can kill some of the lower creatures," Jounet concluded. There is also danger to man in sugges which is not merely magnetic. It is well for everyone to bear in mind De Rocha's advice. He recommends a man who feels himself about to be dominated by an idea of inexplicable origin to via iently and instantly rub his head. This simple measure will celleve his nervous strain and repel suggestion which may be put forth by some malevolent, aye, crimfnal hypnotist

WAKE STATUARY OUT OF SNOW

Toy Makers in Harts Mountains Deco rate Their Villages in This Manner.

(Copyright, 1904, by Press Publishing Co.) World Cablegram-Special Telegram.)--"Colder than marble" are the statues that adorn a little village in the Hartz mountains, if figures can be called statues that are moulded of material as soft and pilable as untrodden move.

The villagers are toymakers and wood know the configuration of the human form livine. The winter brought to them an infinity of material so they set to work; or to play, and made figures of snow, and before each house stands one or more such statues, which, thanks to the judicious

sprinkling of cold water and the cold centher, now stand as firm and solid almost as marble itself. Carved in snow are huge bears, dogs and

wolves, canties of the middle ages, reowned man, such as Bismarch and Li Hung Chang; beroes of gill logenda, like Hansel and Gretel, and even sernes from ald German plays with their characters. \$200.

Never was such a gailery of sculpture with its background of dark forest. The gallery was ingeniously lighted at night and trains and sleighs carried crowdy to see it.

Madison, who murdered Mrs. Ida Williamson and her mother and her daughter in Webster county last September and who finally took his own life in a deep ravine a week later when he was being hotly purmied by a posse. Frank Barker has always

borne a good reputation. The crime for which he is held occurred. between Sunday night, January II, and Monday noon, February I, when his brother, Daniel, and wife were shot dead in their own home. Their bodies were carried to the rear of a barn and buried beneath a liuge pile of manure. The remains were not discovered until yesterday, when Ely Bennett, a neighboring farmer, uncarthed them.

The funeral of the deceased parties will be held from the Methodist Episcopal church Sunday afternoon. It is expected to Le the largest ever held in the city.

EDUCATORS ISSUE PROTEST

Assert Western Universities Take Pupils Too Early in Order to Get Athletic Material.

CHICAGO, Feb. 8.-H. C. Cooley, maperintendent of the city schools, and the High School Board of Control have sent a protest to the presidents and faculty members. of eleven leading western universities concerning the practice of allowing high school water scandal. Of the twenty-five promi- pupils to enter the universities and play on nent men against whom charges were athietic teams without sufficient credentials to entitle them to that privilege.

It is announced in the protest that the high schools of this city have aimed to meet the demands of the colleges as to scholarship, but that the larger institutions. induce the young men to leave the high school long before they are ready in an educational sense, in order that they may piny in the athletic games.

WOMEN RIOTERS ARE FINED
