States embassy called at the Foreign office today to urge an early reply to the last American note concerning a revision of the Franco-American reciprocity arrangement. The negotiations have assumed the following exact form: France expresses its willingness to restore the minimum tariff on American meat and also to grant the minimum tariff on Porto Rico coffee if the United States will give 20 per cent reduction in the rate on champagne, under the reci-procity clause of the Dingley act. The American answer, given six weeks ago, expresses willingness to take up the foregoing if, besides reduction on meat and coffee, France will reduce the duties on other
