## BOWLERS OFF TO CLEVELAND

Omaha Team Starts to Take Part in National Tournament.

GIVEN ESCORT TO THE UNION DEPOT

Butinskeys Prove Their Nature by Doing the Honors and Sending the Boys Away with a Boost.

The Omaha team which intends to show the easterners how to roll up the scores left yesterday afternoon for Cleveland and begin their match with the team of that place on Monday morning. The Butinsky club, together with a goodly number of local bowlers met the team at the Union depot, and under the leadership of Dave O'Brien proclaimed their faith in the Omaha boys by shouting loud and long and sending them on their way with words of cheer and encouragement. Before their departure each of the teum was presented with the shoe of a mule tastefully decorated with ribbons.

The following comprise the team: Fritscher, Welty, Huntington, Bartsch, Wigman and Norton, with Wigman as captain. H. Dinger Reed also goes along.

Few Omnha people went with the team yesterday, but many are expected to follow in a day or two so as to escort the victorious boys back with all the jollity

The Omaha team at present is feeling rather proud of itself, as on Friday night the score they made came very near equaling the world's record. Experts say that when the boys get down to work in the forthcoming contest it will mean some new records and Omaha helding them.

The local bowlers expect to hear some good things from the team which is to represent them at the session of the American Bowling congress in Cleveland, where annual tourney is to be held. The Cleveland papers say that the new alleys are first-class and that the visiting bowlers stand as good a chance to make high scores on them as any others, since no one is to be permitted to roll a ball over them until the tourney opens.

Nothing definite is yet known relative to the state bowling tourney except that it is to be held in this city in March. The comwittee which will have charge of the program hopes to have a meeting soon at which the plans for the tourney can be mapped out and announced for the benefit of players throughout the state, as every effort will be put forth to make it a contest in which bowlers from all parts of the

state are represented. Average of the bowlers for week ending

IOWA'S FOOT BALL SCHEDULE Manager Spangler Announces List of Games to Be Played Next

IOWA CITY, Ia., Feb. 6.—(Special.)—Minnesota at Iowa Field or Rock Island is the Thanksgiving day game amounced by Manager H. E. Spangler today.

The schedule as announced by Manager Spangler makes an excellent list from the financial standpoint, large profits being assured from the Chicago. Nebraska and Minnesota games. Manager Spangler has been accused of running athletics from the financial viewpoint, but from the coaching standpoint Coach Chaimers is highly satisfied with the dates, as light and heavy games are alternated. Last year's schedule, which was made by Dr. Knipe, who resigned in the midst of negotiations, left a situation for last fall's gomes and profits which was highly unsatisfactory to Manager Spangler, who was elected last Jure. The schedule has been filled out with the exception of the second contest, a midwesk game, which may be filled by Cocollege.

week game, which may be filled by Cocollege.

The schedule for 1904 is excellently arranged for the learn," said Coach Chalmers today. "I think that we will be able to win every game on it and round up the season in excellent form. The games come just right for victory in every one of them."

The schedule is: September 24, Augustana at Iowa Field: September 27, open at Iowa Field; October 1, Cornell college at Iowa Field; October 8, Drake at Iowa Field october 8, Drake at Iowa Field; November 22, State Normal at Iowa Field; October 29, Ames at Iowa Field; November 5, Nebraska at Lincoln; November 12, Grinnell at Iowa Field; Nov. 19, Illinois at Champaign; November 24, Minnesota at Iowa Field or Rock Island.

ROGERS AND JONES IN LEAD Win First and Second Respectively in Regular Saturday Shoot at Douglas Park.

Notwithstanding the surfeit of shooting which the Omaha gunners had during the week, their regular Saturday tourney was held at the Douglas park grounds Saturday afternoon and resulted in quite as much enthusiasm as would have been the case had none of the participants seen a pigeon fly for a month. had none of the participants seen a pigeon fly for a month.

The targets were live birds, ten to a man, and Rogers of the Number One club won the first prize, with a straight kill, while Jones took second, winging a swift left quarterer, which fell outside the limit. Several minor impromptu matches were shot, in which several of the outsof-town participants in the interstate shoot took part. Following is the score of the regular club match:

WISNER, Neb., Feb. 6.—(Special.)—When J. H. Severson arrived home last evening, bringing with him the Combs and the Dickey-hird cups as testimomials of his chamolonship of four states won at the shooting tournament at Omaha, he was given an enthusiastic welcome. A reception had been arranged under the auspices of the Wisner Gun club, and a large number of Mr. Severson's friends joined it, the ovation accorded him. They met him at the train with the First Regiment band and a carriage and excorted him to the town hall. There all expressed their appreciation of the honor which he had won for himself and his town. On behalf of his friends and admirers he was presented by L. C. Thiemke with a fire Swedish don hunting lacket. Mr. Severson has lived in Wisner all his life and the people of the town are proud of his success.

Milwautee and Rock Island Put in Low Grain Rates.

BURLINGTON EXPECTS TO DO THE SAME

Rock Island's Bestoration of Gulf Rates Regarded Detrimental to Omaha, but Grain Men Are

Very Cheerful,

The Milwaukee and Rock Island are the atest roads to announce that they have met the Great Western cut in the grain rates to the eastern and northern markets. The announcement was made yesterday. The new tariff to be issued will quote rates of 5 cents on wheat and 4 cents on corn to the Mississippi river, and as there is a differential of 5 cents more to Chicago the rate to that point will be 10 and 9 cents. The Minneapolis rates are left the same as they were, 9 cents on wheat and 8 cents on corn.

for Omaha," said Assistant General Western Agent Duval, in giving the announcenent of the Milwaukee's prompt action. The Burlington did not make an ansouncement that it would meet the rates of the Great Western yesterday, but the officials of that line Stated that it was more than probable the new rates would be put

No road with the exception of the Rock Island has announced a restoration of rates from Missouri river points to the gulf ports and Mississippi valley points. It is believed that no other line will make such an announcement for the reason that those which have lines running south are more favorable to the gulf business than eastern

business. Grain dealers are very enthusiastic over the rates now in effect, as they are very favorable to Omaha with the exception of some of the gulf rates and if they are continued in force it is believed the Omaha Grain exchange will be very successful 'In fact," said one grain man, "we have about all we could ask for at present."

Northwestern Silent. It is not anticipated that the Northwestern will make another cut in its grain rates to the east, as they are on an equality with the Great Western rates at present, and the new tariff issued by the Northwestern is in such shape that it practically forces all grain originating on that line to go east from the Missouri river over the same system. In fact, the Northwestern demands the payment of freight on shipments of grain originating on its line at Nebraska points through to destination. This action

forces shippers to patronize the line east of

the river, as if the grain is unloaded at

Omaha and goes east via another line no refund of the freight paid through will be made.

Detrimental to Omaha. It was stated by a Rock Island official that the gulf rates and the rates to Misvalley points on grain were restored by that line for the express purpose of forcing Nebraska and Kansas grain through Kansas City and Omaha. While the reductions from points in these two states are in effect the grain goes directly south to the gulf ports without stopping b the Missouri river markets. So long as this is the case it is regarded as a discrimination against Omaha and Kansas City. If the rates can be restored to southern points it will force all grain raised west of the Missouri river and north of the southern Kansas line to go east. This the Rock Island desires, as it will afford that fine a longer haul, than when the grain and grain products go south.

INCREASES DANGER OF FLOOD Warm Weather in Pennsylvania Causes Alarm on Banks of the Susquehanna.

WILKESBARRE, Pa., steady thaw which began last night is hourly increasing the danger of a flood. The Susquehanna river here and for thirty miles above is frozen solld from bank to bank. No perceptible rise has yet been observed, but there is such a great depth of snow on the hills that when it begins to melt the creeks will be swollen and a large quantity of water will pour into the river. DETROIT, Feb. 6 .- The thaw, which was general all over lower Michigan last night and is continuing today, accompanied in some places by rain, is greatly alding the Pere Marquette rallroad in opening up the snowbound "thumb" district. There are fears of flood damage when the melting snows run into the rivers of the "thumb." Kalamazoo reports that the Kalamazoo river has risen four inches since last night. At Grand Rapids the Grand river is already beginning to rise.

DENVER'S NEW CHARTER Promises to Give City Clean Elections

and Increases Power of the

Mayor. DENVER, Feb. 6.-The second charter convention held since the adoption of the constitutional amendment giving Denver of a charter which will be submitted to the voters on March 29. A council of two branches, as under the old charter, is provided for. The mayor and other elective officers are to hold office four years. Members of the city boards are to be appointed by the mayor and subject to removal at his pleasure. An election commission is created, which will have power to purge the present registration lists of the thousands of fictitious names said to have been illegally retained on the books. The charter limits all franchises granted to twenty years and reserves to the people the right to regulate rates for service

You Take Despurate Chances When

You Neglect a Cold. It should be borne in mind that every cold weakens the lungs, lowers the vitality and makes the system less able to withstand each succeeding cold, thereby paving the way for more serious diseases. Can you afford to take such desperate chances when Chamberlain's Cough Remedy, famous for its cures of coids, can be had for a trifle;

South Omahu Wins. The South Omaha Terriers defeated the Johnny Jump-Pp basket ball team of Omaha at the South Omaha Young Men's Christian association by a score of 19 to 9. Potter was Omsha's star, making all nine points. Trapp was South Omaha's best man, making six field baskets. The game, belonged to South Omaha from the first, as Comaha made but two field baskets in the entire game, compared to nine field goals by the South Omaha lads.

## HHESO Cures rheumatism

There is a new rheumatism medicine now in Omaha which is actually guaranteed to cure the worst forms of chronic rheumatism-and not injure any organ of the body in the least,

The new medicine is Uric-sol, from uric acid solvent-meaning that it disolves the excess of uric acid in the body, eliminates it and cures rheumatism in the only possible way.

Uricsol is a California preparation—it was discovered by a Los Angeles chemist of 42 years' practical experience as a pharmacist.

Uricsol is placed on sale today by Sherman & McConnell Drug Co., 16th and Dodge Streets, Omaha, who have valuable literature concerning this wonderful medicine.

Read here the true stories of the cures Uricsol has made in California:

Do you have nerves?

AUGUSTA, GA., May 3, 1903. worn out and my nerves in a state on the every year But since I began

My work is so arduous and trying to the nerves that I found myself all worn out and my nerves in a state of collapse and heretofore I have been obliged to take a rest for at least three months every year. But since I began taking Wine of Cardui, which was three years ago, I find that I can go on working through the year if it were necessary, and I have gained twenty pounds, sleep well and have a splendid appetite and no longer suffer with sick headache every month. Wine of Cardui is certainly a boon to women who have nerves and I am pleased to endorse it.

WINEOFCAR

Miss Hampton had NERVES—she was an invalid three years ago. Now she has a good appetite, can sleep well at night, has gained twenty pounds in weight and as vitality and nerves are concerned she can go on working the whole year. She is cured. What is the reason for this change? SHE HAS TAKEN WINE OF CARDUI.

Wine of Cardui is a nerve tonic acting especially on the female organs. And that is what many, many thousands of weak and worn down women need. They need rest-rest from the distressing pain and suffering. Wine of Cardui gave that relief to Miss Hampton. Don't let anybody tell you you can't be cured-that an operation is necessary.

Free yourself from the terrible nerve racking pains by taking Wine of Cardui. We want you to feel as well as she feels NOW. Secure a bottle of Wine of Cardui from your druggist.
