How to Pronounce Hyomel

Sherman & McConnell Drug Co., Corner 16th and Dodge Sts., Tell of This Remarkable Treatment that Cures Catarrh Without Stomach Dosage. "While all our customers who have used Hyomel agree that it is remarkably successful in curing catarrh and other diseases of the air passages," says Sherman & McConnell Drug Co., "yet there has been considerable diversity of opinion as to how the name is pronounced. "Hyomel is pronounced just as it is spelled, 'high-o-mel,' with the accent on the first syllable. "A great many come to our store and instead of asking for Hyomel, tell us they want a package of the treatment for catarrh that we are selling on a guarantee. "While we know what they mean, and all of our clerks will give them Hyomel, yet we want every one to know how to pronounce the name of Hyomel, so that they may run no chance of getting anything but Hyomel, no matter where they go. "It is nature's true cure for catarrhal troubles. It kills the germs of this disease, soothes and heals the irritated mucous membrane, and effectually drives all catarrhal poisons from the system. "All the stomach dosing in the world can do no lasting good in the treatment of catarrh unless the nose and throat are free from catarrhal microbes. There is no stomach dosing with Hyomel; just breathe it. "We have so much confidence in the value of the treatment, that we are selling it with the understanding that we will return the money if it fails to cure. All Omaha Bee readers know that we do exactly as we agree."

BENCH WARRANT FOR BENSON

Grand Jury Finds Indictments in Land Fraud Cases.

PRESIDENT REVOKES M'KINLEY'S ORDER

Red Cross Society Reports and National American Woman's Suffrage Association Discusses Constitutional Amendments.

WASHINGTON, Feb. 17.—As a result of the investigation of the wholesale public lands frauds in many western states the grand jury of the District of Columbia today reported a joint indictment for conspiracy against John A. Benson, a wealthy real estate operator of San Francisco; Frederick A. Hyde of San Francisco, closely identified with Benson in land affairs; Henry C. Dimond of California, an attorney representing Benson and Hyde; and Joost H. Schneider of Tucson, Ariz., an agent of Benson and Hyde.

Bench warrants were immediately issued and Snyder was arrested in this city by Secret Service Agent Burns, who has been investigating these cases. Schneider was taken before Justice Barnard here this afternoon and the latter fixed his bail at \$20,000. Attorneys Cole and Donaldson, representing the defendants, asked that bail be fixed at \$5,000, while the government insisted on a \$25,000 bond.

Schneider has been a witness before the grand jury in the cases against the defendants. The indictment charges that Benson, Hyde and Dimond were urging the opening of Yonampah, lying at the mouth of the Yalu river on the Korean side. The view taken by the State department was that if we could secure the opening of Wiju, 150 miles up the Yalu above Yonampah, the effect would be to practically open the whole of that stretch of river to commerce, so that the project really was much larger than the mere opening of a port at the mouth of the river. Wiju lies on the opposite side of the river and very near to Antung, in Manchuria, which the Chinese government already has by treaty with the United States declared to be an open port. This action was never admitted by Russia. It is understood that the opening of Wiju is directly attributable to Japanese ascendancy in Korea, for while the country was under Russian influence Mr. Allen, the American minister, was unable to induce the king to open a single port in addition to Chemulpo. It is probable that the State department will at once take steps to have America represented at Wiju by a consul or commercial agent.

UNCOVER ARIZONA LAND FRAUDS.

Witness Before Washington Grand Jury Charged with Conspiracy.

WASHINGTON, Feb. 17.—J. H. Schneider of Tucson, Arizona, has been arrested on the charge of conspiracy in connection with the investigation of land frauds in the east. The arrest was made at the city hall in this city today by Secret Service Agent William J. Burns, who has been working up the land fraud cases for the government. Schneider was a witness before the grand jury in this city, which is considering a number of cases growing out of that investigation.

TO HOLD KAW RIVER IN CHECK.

Board of Engineers Say It Will Take \$10,000 to Do the Work.

WASHINGTON, Feb. 17.—Secretary Taft has sent to Congress an estimate amounting to about \$10,000,000, submitted by an engineer board for the improvement of the Kaw river at Kansas City, so as to remove the possibility of disastrous floods. The army engineers here feel that about twice that sum will be necessary to effect the improvement, but the estimate is transmitted without change in order that Congress may itself determine which is right.

Pneumonia in Chicago.

Over 3,000 people died of pneumonia in Chicago last year. In every case the disease resulted from a cold. Had the cold been promptly and properly treated at the outset almost every one would have recovered. This statement is abundantly proven by the fact that among the tens of thousands throughout this country who use Chamberlain's Cough Remedy to cure their colds, no case of pneumonia has ever been reported, which shows conclusively that this remedy is a certain preventive of pneumonia. Chamberlain's Cough Remedy has gained its wide reputation and enormous sale by the prompt and effectual cures of colds and can always be depended upon.

FUEL FAMINE IS THREATENED

No Trains at Bismarck on Account of Severe Weather and Wind.

BISMARCK, N. D., Feb. 17.—The weather has cleared after a severe blow that has drifted snow badly along the railroads. Through trains from the west are still stuck in snowdrifts west of here and only the eastbound train today was made up at Mandan. The Washburn road is still tied up and a fuel famine is threatened in this city if the blockade is not relieved soon.

Mrs. Benjamin Hill of Atlanta, widow of the late Senator Benjamin Hill of Georgia, is critically ill with pneumonia. MAKE EFFORT TO AGREE ON JUDGE. Iowa Delegation to Have Another Meeting to Discuss Subject. (From a Staff Correspondent.) WASHINGTON, Feb. 17.—(Special Telegram.)—The Iowa delegation will meet tomorrow in an effort to select a successor to Judge Shiras. It was thought this morning that Senator Allison, who was appointed a member of the committee on the part of the senate to accompany the remains of the late Senator Hanna to Cleveland, would accompany his colleagues to Ohio. The senator, however, shortly after noon stated that pending legislation would keep him in Washington. Notices were then sent out calling the delegation together in the afternoon, instead of in the morning, as originally decided upon. So far as can be learned there will be no choice tomorrow, congressional politics playing no small part in the failure of the delegation to reach a conclusion.

SOUTHERN NEGRO FARMERS

Two Thousand Representatives of Southern States at Tuskegee.

BOOKER T. WASHINGTON AT CONFERENCE

Resolutions for the Uplifting, Education and Moral Improvement of Black Brother by Prominent Philanthropist.

TUSKEGEE, Ala., Feb. 17.—Booker T. Washington called to order the thirteenth annual Tuskegee Negro conference in the chapel of the institute today in the presence of more than 2,000 negro farmers from the Carolinas, Georgia, Florida, Mississippi, Louisiana and Alabama. There were also in attendance many men prominent in philanthropic work, including Dr. Wallace McKittrick of the general education board, Dr. G. S. Dickerson of the southern educational board, Hammond Lamont of the New York Evening Post, Dr. H. T. Johnson of the Christian Recorder of Philadelphia and others of equal prominence. After a session of several hours resolutions were adopted, embodying the sentiment of the conference. These resolutions declare the faith of the conference in efforts to secure homes and land for the negro, the exercise of the right of keeping out of debt, getting rid of the log cabin idea, building of churches and schools, lengthening of the school term, building of good public roads, the regular and prompt payment of all taxes and making agricultural life more attractive. In connection with the educational institutions, a high standard of morality was urged, and that teachers and ministers be required to maintain the highest standards of living. The resolutions declare that the moral condition of the negro race in the south is improving and that there is no evidence that education increases crime among the negroes. They urge harmony and mutual confidence between the races, and that the white put a premium upon right conduct and high living among the blacks. The negro is urged to refrain from crime and to join with the whites in the maintenance of law and order.

COREA MAKES WUJ AN OPEN PORT.

Grants Commercial Concession Asked by United States.

WASHINGTON, Feb. 17.—Mr. Allen, the American minister at Seoul, cables the State department that Wiju has been declared open to the commerce of the world by the Korean government. The United States was the first power, so far as known, to apply to the Korean government for the opening of Wiju to the world's trade. This action was taken while Japan and England were urging the opening of Yonampah, lying at the mouth of the Yalu river on the Korean side. The view taken by the State department was that if we could secure the opening of Wiju, 150 miles up the Yalu above Yonampah, the effect would be to practically open the whole of that stretch of river to commerce, so that the project really was much larger than the mere opening of a port at the mouth of the river. Wiju lies on the opposite side of the river and very near to Antung, in Manchuria, which the Chinese government already has by treaty with the United States declared to be an open port. This action was never admitted by Russia. It is understood that the opening of Wiju is directly attributable to Japanese ascendancy in Korea, for while the country was under Russian influence Mr. Allen, the American minister, was unable to induce the king to open a single port in addition to Chemulpo. It is probable that the State department will at once take steps to have America represented at Wiju by a consul or commercial agent.

Book Agent Charged with Forgery.

HOT SPRINGS, S. D., Feb. 17.—(Special.)—P. D. Paganetti, who was canvassing in this vicinity for Collier & Co., selling books, was placed under arrest here Saturday night upon advice from Meads county authorities. The sheriff of that county came after him and took the prisoner to Starais. He is charged with forgery, the complaint being that Paganetti forged the names of people in Starais to orders for books. When the sheriff was ready to return to Starais on the early morning train he called at the bedroom door of his prisoner, but was informed by the latter that he would not go and that he would not dress himself. So the sheriff, feeling that the man's overcoat about him and took him along to the depot handcuffed upon the front-covered walk, carrying the prisoner's wardrobe in his arms. The train happened to be a half hour late, and Mr. Paganetti concluded that he had time to return to his hotel and dress. The sheriff accompanied him and shortly returned and handed the train with his prisoner comfortably clad.

Progress on Sanatorium Buildings.

HOT SPRINGS, S. D., Feb. 17.—(Special.)—The work on the Spillars sanatorium is already progressing. The building, a comparatively small group of men having been employed all winter. The weather has been most favorable, so nice, in fact, that the contractors regret that they had not put on more men, although with the uncertainty of having working weather during the winter they were forced to have only about 100 men employed during the winter. Yet they have lost less than a week's work on account of the weather. The foundations are mostly laid and the walls well started on the ward buildings. Everything is therefore in excellent shape for crowding the work as soon as settled spring weather comes, when a large force of masons and laboring men will be set to work.

Clark Takes Evans Hotel.

HOT SPRINGS, S. D., Feb. 17.—(Special.)—H. D. Clark has again leased the Evans hotel from the Iowa Land company, and will open that popular hostelry on May 1. Mr. Clark has had the management of this hotel most of the time since it was built, in 1892, and is well and favorably known by the thousands of tourists who come to Hot Springs. He will also have charge of the famous Evans plant, but the Evans is the only one of Hot Springs hotels that has been closed. But the other twelve are capable of caring for nearly 1,000 people, so that tourists have had ample accommodations. The coming season promises to be a lively one and the hotels are already making improvements and preparing for a big business.
