Chicago receipts were 17 cars of wheat, 1 car contract, 186 cars corn, none contract, and 50 cars of oats. Estimated receipts for tomorrrow are 20 cars of wheat, 285 cars of corn and 180 cars of oats. The high prices of grain are causing the private elevators to make extra efforts to produce contract grain. This is especially true in coarse grain.

NEW ORLEANS, Feb. 19.—COTTON—The upwarburger with the wine much exciled today. The about rumors circulated vesterday that the built clique had been organized on a stronger basis than ever had the effect of adding to the builtsh contingent a number of outside speculators, and this caused a fair volume section were aggressive and heavy buyers. First declines were from 16 to 22 points. The built was been and the effect of adding to the weaker shorts were soon put on a run and 20. May advanced until it was 56 points higher than the lowest level of the day and 38 in points higher than the close of yesterday. If the points higher than the close soction. No weakness is evident in any section and with certain factors there is insistence upon 1. New YORK. Feb. 19.—COTTON—The strength of the raw cotton market has been reflected in the piece goods section. No section is a yet. Jabbers continue trusy both locally and throughout the countre. ST LOUIS, Feb. 19.—COTTON—Steady to the heavy bales. Stock, 19.425 bales.

### Metal Market.

Metal Market. NEW YORK, Feb. 10.-METALS.-Tin ad-vanced slightly in London, spot closing 5s in the solution of the solution 10 points higher in sympathy with the gains abroad, spot closing at 298 15s for spot and 256 for fultures in the London, market in was also unchanged in 255 15s market and also unchanged in eacily, with lake quoted at \$12,574,671,00 and elec-trolytic and casting at \$12,574,671,00 and elec-market and also in changed in the local market and also in changed in the local market and also in change in the local market and also in change in the local market and also in a condon at 211 11s 2d.
