San Francisco Grain and Flour. SAN FRANCISCO, Feb. 20.-There was a decided advance in grain and flour mar-kets here today. May wheat closed yes-terday at \$1.47%. The opening sale today on the Marchants' exchange was \$1.50. There was a setback to \$1.49%. A recovery to \$1.50 and these following some of the reaction of the early fluctuations in Chi-cago, it declined to \$1.48. December option here sold up to \$1.48. against \$1.44 at yes-terday's close, and also reacted a little. Boot wheat was strong thened by the specu-lative advance and prices in this mar-ket were raised 2%c per cental, making No. 1 shipping guotable at \$1.42% and choice at \$1.45. Holders would not sell much at these prices, for stocks are small. Barley and other cereals were strong, fol-lowing the wheat time. As a result of the advance in wheat the leading milling con-corns of this city and vicinity advanced the price of flour today 20c per barrel all round. 1235 61 4054 8055 1907 10 1075 60 2356
