Contains Secret to Happy Life, Death and Eternity.

In the Central United Presbyterian church Sunday morning the evangelist Dr. John H. Elliott preached the next to final sermon of the series which have continued for ten days. The church was filled. Dr. Elliott dealt with the Twenty-third Psalm. "The Psalm of the creed,' this has been called by one, for we learn it at our mother's knee and do not stop repeating It until we pass into the valley. By others it has been named "The Minstrel's song' and 'The Nightingale's song.' It is the most precious word legacy we have. There is a significant relationship between the twenty-second, the twenty-third and the twenty-fourth Psalms. In the divine order the cross must come first before I have my crown and comfort. Too many people fall to understand this and so fall to make the progress in the religious life that they had hoped. This is all through the failure

The Psalm probably is the best known portion of the Old Testament and the Lord's Prayer is the best known in the new. It begins in the same way, 'Our father which art in heaven.
