IOWA COLLEGE BASE BALL GAMES. Schedule Prepared for Series of Inter-

collegiate Meetings This Spring. AMES, Is.. March 5.—(Special.)—Manager C. W. Wilson of the base ball team of the lowa State college announced today the schedule of games for the coming season. Negotiations have been progressing for several months and the dates have all been ratified by the athlete boards of the institutions and all contracts have been signed.

ratified by the athlete boards of the institutions and all contracts have been signed.

From present indications the Ames ball team will figure prominently in college base ball in lowa this season. Last year the team tied with Grinnell for the state championship with one scheduled game not played. This was the game with Grinnell that was to be played at Ames. Grinnell failed to show up and refused to meet the Ames team in games on the Ames offer of any date selected by Grinnell. Ames tried to play the game last fall but Grinnell refused. Arrangements have been made to settle the quention in a game in Ames this spring. This game will be played May 3 and to the winner will go the silver bat and the title of champion of the state for the year of 1993.

The wearers of the cardinal and gold have at this date bright prospects to win the postponed game with Grinnell and to take the bat into camp for the coming season as well, in spite of the ciaim of the State university that Iowa will win the championship hands down. The locals will have to be shown to the finish of the last game.

Of last year's team only two men are not

Local Y. M. C. A. Takes Second Game SIEVERSON STILL HAS CUP Wins Coombs Trophy Again, Missing Only Three Times Out, of

Fifty.

A match pigeon shoot for the Coombs trophy cup, won at the Interstate shoot of the Omaha Gun club last month by R. S. Sieverson, was shot at the Douglas park grounds yesterday afternoon. Sieverson again proved the better man over a field of eight competitors, killing 47 out of a possible 50 birds, and, therefore, still retains the trophy. It appears from the conditions which originally accompanied it that he is subject to the challenge of any man in the state at any time within a year from the time he won the cup, but if he still retains it at the end of the year it is his for all time. It is worth \$50. Following is a summary of the scores made yesterday:
