NOMINATE WARD ALDERMEN

Spirited Contests in All the Wards Except in the Seco d.

ED C. BROWN ENTERS CONTEST IN THIRD

Surprise of the Day Was the Defeat of Alderman Fleming, Who Sought a Renomination in the Fifth Ward.

For ward aldermen: First Ward—E. H. OHLENDORF; Second Ward—TAYLOR WOOLSEY; Third Ward—WILLIAM ARND; Fourth Ward—FRED H. HILL; Fifth Ward—A. C. ELLSWORTH; Sixth Ward—ISRAEL LOVETT.

With the exception of the Second ward, where Taylor Woolsey practically had no opposition, there were spirited contests for the nominations and consequently there was a large vote polled in several of the wards.

In the First ward N. P. Anderson withdrew at the last moment, leaving E. H. Ohlendorf and J. F. Helwig to fight it out. As in all of the other five wards, one ballot sufficed to settle the nomination.

The Third ward was the scene of the hottest contest of the evening. At the last moment former Alderman Ed C. Brown flung his castor into the ring and announced himself as a candidate for the nomination against William Arnd.

OPPOSED TO VETERAN BILL

SENATORS SHOW DISPOSITION TO KILL MEASURE GIVING THEM PREFERENCE.

LIMIT HOURS OF RAILROAD EMPLOYEES

BOARD OF MANAGERS PROPOSED TO HAVE CHARGE OF ALL OF THE STATE'S EDUCATIONAL INSTITUTIONS—TAX FERRET LAW REPEAL.

(From a Staff Correspondent.)

DES MOINES, March 12.—(Special.)—The senate today developed some opposition to the bill to give preference in all public service in the state of whatever kind to veterans of the civil war or naval veterans. The bill had been passed by the house. It contained a clause to the effect that this shall be done, provided "all other things being equal." A motion was made by Senator Harper to strike this out, but it was opposed and warmly debated.

The senate passed a bill appropriating \$5,000 for the Board of Control in removing the Iowa buildings from St. Louis at the close of the exposition. Also a bill appropriating \$4,000 to be used for the payment of expenses in the inspection of county and private institutions for the insane and of associations, societies and homes receiving friendless children.

A bill by Crawford, changing the compulsory education law so as to compel pupils to attend school twenty-five weeks each year, beginning with the opening school term of the year, was brought up, but after discussion was withdrawn for the present. It developed that members representing farming districts objected to the clause that attendance must begin with the opening of the school year in September, it being argued that was the busiest season of the year on the farm and when the boys were needed in the corn fields.

Two new bills affecting railroad matters made their appearance in the house today. Emory English of Polk introduced a bill requiring that the daily time of service of employees of railroad companies be limited to sixteen hours' continuous work. This to apply to any engineer, fireman, conductor, brakeman, switchman or other employe engaged in operating a train.
