FOR SALE-REAL ESTATE.

NEBRASKA RANCH LANDS

Produce the best stock that

comes to the market. COMES to the market.

If our foresight was half as good as our hindsight we would all be right. Unfortunately most of us hesitate until our opportunity slips by. A man with a glass eye ought to be able to see that any land that could be used for farm or ranch purposes would be dirt cheap at from four to ten dollars per acre. You buy mining or oil stocks in a mine or a well that you never expect to see. The derrick falls down the shaft or the lode gives out and you have a new experience. You buy a Nebraska ranch and pay for it and you have your money's worth, something actual, something with a present and a future. See Union Pacific Land Agency, 222 S. 13th st., Omaha, Neb.
