NEBRASKA FARM

Come to Think About It, Land is What They All Want. Land is What They All Want. The Russians, the Japs and all the rest. But they can't get a foot of American soil on any terms. Just think how much more fortunate you are, who can buy a whole township of fine Nobraska ranch lands at a tithe of their real value, right in God's country, with blue sky and the purest atmosphere under the sun. Why, if you buy one of our fine sections in five years you can sit in the shade of your own trees, listening to the meadow larks, breathing the fragrance of blooming alfalfa, whilst your sleek herds browse in the dewy morn. Don't you think you could stand such a visitation of Providence as that? We think you could. You can buy all that for from 14 to 110 an acre and pay for it while you are resting.
