Wall Case is Dismissed.

The case against John F. Wall, the teacher in Crescent township, in which it was sought to revoke his certificate, was amicably settled yesterday morning. Mr. Wall, while denying the charges made against him, in compliance with the request of County Superintendent McManus surrendered his certificate entitling him to teach in this county and the action against him was accordingly dismissed.

This arrangement was entirely satisfactory to Superintendent McManus and nothing further will be done in the matter. Regarding the dismissal of the proceedings. Superintendent McManus made this statement:

"In view of the fact that his continuing to teach in the district might have a tendency to cause trouble and division among the patrons of the school, Mr. Wall decided were also become a county on a cot to Businessed.

WRIGHT CONTROLS CONVENTION,

Farnsworth, F. J. Ainsworth, A. Metzger,

No Contest in Any but One Precinct

of County.

As a result of the precinct primaries last night George S. Wright will control the republican county convention to be held in this city Tuesday afternoon, when delegates to the state, congressional and jugates to the state of the state gates to the state, congressional and judicial conventions will be named. This means that Mr. Wright, in his candidacy for delegate to the national convention from the Ninth district, will have the solid support of the twenty-nine delegates from Pottawattamie county. That Mr. Wright will now be one of the two delegates from this district is practically a

foregone conclusion. The withdrawal of Judge G. H. Scott from the race it was expected would eliminate any contest from the primaries, and it did, except in the Second precinct of the First ward, where the judge's friends insisted on putting forward another delegation, with the result that their ticket, consisting of T. Q. Harrison, Gilbert Taylor, G. H. Scott, H. DeLong, F. J. Ainsworth, S. S. Shepard and A. Alberti was badly defeated by the Wright ticket.

Reports from the country district indicate Wright delegations from all of the precincts. The delegates selected at the city pri-
