

FOURTH TIME FOR BURKETT

Republicans of First District Instruct Delegates for Webster for Vice President.

ASK REMOVAL OF ATTORNEY SUMMERS

Crandall and Helvey Named for Delegates, Morrill Endorsed for National Committee and Lindsay for District Attorney.

For Congressman... J. BURKETT of Lincoln For Delegate to National Convention...

(From a Staff Correspondent.) LINCOLN, March 22.—(Special Telegram.)—The republican congressional convention of the first district, in session here this morning, unanimously adopted a resolution requesting President Roosevelt to appoint C. Lindsay to the position of United States district attorney for Nebraska and urged the two senators from this state to work for the appointment.

It nominated Congressman Burkett for a fourth term, endorsed the candidacy of John L. Webster for vice president and instructed the delegates from this district to work for his nomination as long as it does not interfere with the nomination of President Roosevelt; instructed the delegates to vote for C. H. Morrill as national committee man and endorsed Judge Harrison of Pawnee as an elector from this district.

The delegates selected were: W. J. Crandall of Lincoln and F. E. Helvey of Oto, with Jesse L. Root of Cass and Charles H. Halstead of Johnson as alternates. Resolutions endorsing President Roosevelt and Congressman Burkett were adopted and in less than forty minutes the convention was over.

WANTS HER HUSBAND OR DAMAGES

Viola Trumbull of Minden Does Not Like the Deal.

(From a Staff Correspondent.) LINCOLN, Neb., March 22.—(Special.)—Viola Trumbull of Minden, in an effort to get a rehearing in the case wherein her husband, acting upon the advice of his guardian and brother, left her, the action being upheld in the supreme court, today filed a brief in the supreme court. Her attorneys hold that under the law a parent or guardian, after the marriage of a child, cannot do the things complained of, and defend upon the ground that it is for the best interest of the minor. Robert Trumbull was a minor when he married Viola, who was some years his senior. His brother objected to the match and, it is claimed, induced his brother to leave the wife. The latter sued the brother for damages.

The State Board of Public Lands and Buildings will not change the specifications in the contract for the building of the Norfolk asylum so that brick manufactured at Omaha may be used instead of the Twin City brick. This board decided yesterday afternoon at a meeting held at the request of Omaha citizens who were interested in the building of the Norfolk asylum so that brick manufactured at Omaha may be used instead of the Twin City brick. This board decided yesterday afternoon at a meeting held at the request of Omaha citizens who were interested in the building of the Norfolk asylum so that brick manufactured at Omaha may be used instead of the Twin City brick.

WHAT TEA DOES TO RHEUMATICS.

When you next take tea, think of this. Tea contains 115 grains of Uric Acid in every pound. Meat contains only five to seven grains. Rheumatism is Uric Acid in the blood. Uric Acid accumulates from food when the digestive apparatus cannot create enough alkaline elements (like soda) to neutralize it. This acid collects urea, or worn-out waste matter, from the system. That Urea enters the blood when Alkaline action has not previously dissolved it. By and by the waste matter reaches the joints and muscles, through circulation of the blood. There it gradually deposits in solid particles like granulated sugar. These solid particles grind between the joints and muscles at every movement. This grinding causes irritation and pain. These in turn may develop inflammation and swelling. That inflammation bestirs Nature to help herself. She proceeds to coat the hard Uric particles over with cushions of pulp mucous, like the first healing strata of an outer scab.

This pulp covering grows to the bones, as well as to the cartilage. There it hardens like plaster or sealing wax. Then we have "bony joints," almost inflexible, and usually fixed in a bent position, from the pain and inflammation. That is Rheumatism at its worst. It is bad enough when it gets that far. There is but one sure way of curing Rheumatism. The first step is to neutralize the Uric Acid already in the system. Next, to dissolve, and carry away, the hard deposits that grid between the joints. Then get the digestive apparatus into such healthy condition that it will, unaided, produce less Uric Acid, and more Alkaline. This is what doctors generally have failed to do.

It is what I studied a lifetime to accomplish, and achieved only after many failures and thousands of experiments. At last I found, in Germany, a solvent which was not only effective, but absolutely safe to use. Few agents powerful enough to be effective in Rheumatism are safe. My discovery, now called "Dr. Shoop's Rheumatic Cure," acts directly, but internally, upon Uric Acid in the joints and muscles. It dissolves, and carries off, the painful deposits, producing an immediate Alkaline condition of the blood, and neutralizing the Acid in it which would have fed the Rheumatism and extended the disease. It won't restore bony joints to flexibility, and it can't undo, in a week, the damage caused by years of rheumatic condition. But it will benefit every case, and it will entirely cure most cases of Rheumatism. So sure am I of this, that I will supply Dr. Shoop's Rheumatic Cure, to any sick one who writes me for it, on a month's trial, at my risk.

If it succeeds, the cost to him is only \$5.00 for the six bottle treatment. If it fails, I bear the whole cost myself. And he alone shall be the judge—shall decide who shall pay. Surely you will not continue to suffer when you can thus get well, at my risk. I have written important Treatises on Rheumatism, telling of its relief and cure. It is free to Rheumatic people. Write me a post card for today. Address: Dr. Shoop, Box 575, Racine, Wis. P. S.—Simple cases often yield to one bottle of Dr. Shoop's Rheumatic Cure. (Druggists #1). But all druggists do not supply it on a month's trial. You must write to me for it.

PLANT SENATORIAL BOOMS

Judge Sedgwick Said to Be Considering Chances for a Harvest.

HEARST BUREAU INVADES NEBRASKA

Democratic Reorganizers Willing to Concede Everything to Bryan Except Vote of Delegation on Candidate.

(From a Staff Correspondent.) LINCOLN, Neb., March 22.—(Special.)—It looks now as though there would be several aspirants for the senatorial office, reported last night on good authority that influences were at work on Supreme Judge Sedgwick that would bring about the announcement of his candidacy in the near future. Judge Sedgwick is from York county and this county in its convention held some time ago, elected him to the state convention to vote for Mr. Burkett for the place. Just how the county will get around this instruction and throw its strength to Judge Sedgwick is not apparent at this time, unless it casts its vote for Burkett on the first ballot and then changes to the home man.

Webster Receives Glad Hand. John L. Webster, candidate for vice president, was in Lincoln today and was given a nice endorsement by the congressional convention for the first district. Mr. Webster was greeted by a number of friends at the Lindell and was heartily congratulated for his nomination. Notices he has recently been receiving in various parts of the country.

Gurley Attends Convention. W. P. Gurley, candidate to succeed W. S. Summers as United States district attorney for Nebraska, was here this morning. He was here for the first district congressional convention. He is chairman to wire President Roosevelt that the convention respectfully requested him to name H. C. Lindsay, chairman of the republican state committee, to succeed Mr. Summers.

Hearst Bureau for Nebraska. William Randolph Hearst, candidate for the democratic nomination for president, is said on good authority, to soon open a headquarters in Nebraska for the distribution of Hearst sentiment and other things. It is not improbable that a Lincoln man will be placed in charge of the headquarters and will establish the office in Lincoln. This man has recently received a letter from a party who is in close touch with the democratic national committee, asking him if he would take charge of the work.

SPRING TIRED? Are You Weary and Run Down? Are You Sick and Depressed? Is Your Blood Thin and Poor? from the long, cold winter? Do you take cold easily? Do you feel shivery? Cluttered fagged out after little exertion? Is your complexion bad? Do you feel that life is not worth living? Nearly everyone has some of these symptoms in spring, for winter, while apparently innocuous, is all the time sapping your strength. Your blood is clogged with disease poisons. By spring every one is in a more or less playful condition, but right at this time typhoid and malaria, Not always sick, but tired, TIRED, TIRED, YAWNING, physically and mentally, best describes it. This is especially true if you have had GRIP, pneumonia or other illness as common in winter. These are nature's demands, a stimulant, a stimulant, a stimulant. To carry you through the changeable, trying, disease-breeding weather of spring—and lay up energy and strength for next winter, you need

DUFFY'S PURE MALT WHISKEY Tonic, Invigorator, Body-builder.

We receive thousands of written endorsements from grateful patients who have been cured of disease and built up by Duffy's Pure Malt Whiskey. Mr. ALEX. FERGUSON, Vigorous at 115, says, "Duffy's Pure Malt Whiskey, Has Prolonged My Life. I am now going on my 115th year, and I feel as strong as my youngest son, who is now past 30. I have worked hard all my life, and am working yet, get around my place to see that everything goes right. Some years ago I began taking DUFFY'S PURE MALT WHISKEY, and I know it is this great medicine that has prolonged my life. Before taking DUFFY'S PURE MALT WHISKEY I did not sleep well and my digestion was poor. Now I have perfect rest at night. Every morning and evening I take it, and I always have a good appetite and perfect digestion. I expect to live many years yet. Duffy's is the greatest medicine ever made for old folks, and we always have and always intend to have a bottle of it in the household. These are nature's demands, a stimulant, a stimulant, a stimulant. Every testimonial is published in good faith and guaranteed.

DUFFY'S PURE MALT WHISKEY has been used for two generations. More used today than ever before. It is prescribed by over 7,000 doctors and is used in more than 2,000 hospitals whenever a tonic and stimulant is required. It brings into action every vital function and enables one to get from the work of the nourishment it contains. It purifies and enriches the blood; strengthens the circulation; improves the heart's action; steadies the nerves; hardens the arteries; clears the brain and carries health, strength and vigor to every part of the body. DUFFY'S PURE MALT WHISKEY is guaranteed absolutely pure and free from fuel oil. It's the only whiskey recognized by the Government. Drive out the spring cold or it will stay with you all summer and affect your lungs next winter. DUFFY'S cures coughs, colds, all diseases of throat and lungs, and all stomach troubles. CAUTION—When you ask for DUFFY'S Pure Malt Whiskey be sure you get the genuine. Unscrupulous dealers, under the excellence of this preparation, will try to sell you cheap imitations and malt whiskey substitutes, which are put on the market for profit only, and which far from relieving the sick, are positively harmful. Demand "Duffy's" and be sure you get it. It is the only absolutely pure malt whiskey, which contains medicinal, health-giving qualities. Duffy's Pure Malt Whiskey is sold in sealed bottles only—never in bulk or bulk. Look for the trade mark, the "old chemist," on the label, and be certain the seal over the cork is unbroken. Beware of refilled bottles. Sold by all druggists and grocers, or direct, \$1.00 a bottle. Medical booklet free. Duffy Malt Whiskey Co., Rochester, New York.

Every Day a Bargain Day Daily until April 30, tickets to the west and northwest will be on sale at this office at but little more than half rate: \$25.00 to San Francisco and Los Angeles. \$28.00 to Portland, Tacoma and Seattle. \$22.50 to Spokane. \$20.00 to Butte, Helena and Salt Lake City. \$16.75 to Big Horn Basin, Wyoming. Proportionately low rates to other points. Let me send you free folder telling all about the low rates and daily tourist car service—or, better still, drop in and see me.

The State Electro-Medical Doctors THE MEN'S TRUE SPECIALISTS Hydrocele Varicocele Stricture Blood Poison (Syphilis) Rupture Nervous Debility Kidney and Urinary Diseases and all diseases and weaknesses of men due to evil habits in youth, excesses or the result of neglected or unskillful treatment. Our object is not so much to do the work that other doctors can do, but rather to cure obstinate diseases and weaknesses which they cannot successfully combat. All that deep knowledge, expert skill, vast experience and thorough scientific office equipment can accomplish are now being done for those who come to us for the helping hand. We make no misleading statements or deceptive propositions to the afflicted, nor do we promise to cure them in a few days in order to secure their patronage, but guarantee a complete, safe and lasting cure in the quickest possible time, without leaving injurious after-effects in the system, and at the lowest cost possible for honest, skillful and successful treatment. CONSULTATION AND FREE EXAMINATION hours, 8 a. m. to 8 p. m. Sundays, 10 to 1 only. STATE Electro-MEDICAL INSTITUTE 1308 Farnam St., Bet 13th and 14th Sts., Omaha, Neb.

CLOSING OUT ALL OUR Buggies, Carriages and Wagons FREDRICKSON Fifteenth and Capitol Ave. Read our special "ad" every Sunday and Wednesday in The Bee.

THE KING OF BLOOD PURIFIERS S.S.S. No remedy ever yet discovered has met with such popular favor as S. S. S. The people everywhere indorse it, and there are few homes where S. S. S. for the blood is not known and used. It is superior in many ways to the ordinary blood medicines. In the first place S. S. S. is a guaranteed purely vegetable compound, made exclusively of medicinal roots selected for their wonderful purifying and tonic properties that act upon the blood, purging it of impurities and restoring it to a healthy, natural condition. At the same time, under its tonic effects the general system improves, the sluggish organs are toned up, and renewed strength and vigor and better health is the result. No bad after-effects follow the use of S. S. S., as so often happens with blood medicines containing strong minerals, which derange the stomach and digestion and in other ways damage the system. For diseases of the blood, such as Chronic Sores, Rheumatism, Catarrh, Scrofula, Boils and Pimples, Eczema, Tetter, Blood Poisons, and other troubles due to impure or bad condition of the blood, no remedy acts so promptly and thoroughly as S. S. S. It reaches deep-seated, long-standing cases, upon which the ordinary potash and sarsaparilla compounds have no effect. Even where there is an hereditary predisposition to disease, S. S. S. will search over and remove from the blood the fixed poison and build up the health; it enriches and purifies weak, thin blood and stimulates the circulation. Pure blood is essential to health. You can exist without good blood, but can never be robust and strong; for every organ, tissue and nerve in the body looks to the blood for nourishment, and unless this vital fluid is kept in a pure, healthy state, the rest of the body suffers and the system soon breaks down. Nature has provided
