There is only one Prof. Phillips—just arrived in Omaha, born in Bombay, East india, the very seat of occult forces. He had been for years a resident of New York and during that period created a great furore. Prof. Phillips is the original who predicted the great Galveston flood five months before it happened, and during that time he was almost put to death by the skepites and unbelievers of Feass. He carries the marks, which he can show to each and every caller. He predicted the Oregon flood, and amongst President McKinley's papers was found a letter predicting his assassination. Those reading of the tragedy may have seen also an account of this letter. Honest people, poor people and rich people who wish a true reading must not fall to visit this wonderful Hindoo clair-voyant. HOURS, 10 A. M. 10 5 P. M.
