HARRISON QUITS THE RACE

Grand Island Man Withdraws from the Gubernatorial Contest.

SEES NO HOPE OF GETTING THE VOTES

Says Withdrawal is Caused by Action of Judge Robertson of Norfolk in Retiring from the Field.

GRAND ISLAND, Neb., March 25.—(Special Telegram.)—The Independent today contains the following announcement from Hon. W. H. Harrison:

Since your announcement of my candidacy for the republican nomination for governor some six weeks ago I have made an active canvass of the state and have met with encouragement on every hand, but since the withdrawal of Hon. W. M. Robertson from the race a rapid survey of the field convinces me that I have no chance of entering the convention with votes enough to successfully compete with the influences which are now working to renominate the present executive.

Yacene the Issue.

NORTH BEND, Neb., March 25.—(Special.)—The two municipal tickets are now in the field. The citizens, or high license faction, nominated this ticket: For mayor, Thomas B. Purcell, the present incumbent; councilmen, First ward, H. Minda; Second ward, Thomas R. Acorn; clerk, Dana M. Dodge; treasurer, Charles Harfield; police judge, Milton May; engineer, W. Haverfield. The anti-license faction nominated: For mayor, Andrew Harvey; councilmen, First ward, C. O. Elghe; Second ward, G. W. Miller, and endorsed the balance of the citizens' ticket.

Bound to Steal Something.

ONEILL, Neb., March 24.—(Special.)—A stranger came to town yesterday, and liked the place so well that he took part of it away with him. After turning some minor tricks at picking up goods around the various stores, he appropriated a pair of shoes at the store of J. P. Gallagher and was making his escape when Mr. Gallagher spied him, and there was soon "something done," the result being that the shoes remained in the store for future buyers. Later in the evening the stranger took Mr. Gallagher's fine saddle horse and started east. The horse was not missed for some time, but when the thief was discovered Sheriff Hill and Mr. Gallagher started in pursuit, with the result that the thief and horse were captured about fifty miles east of here and brought back.

Horses Sell Well.

BEATRICE, Neb., March 25.—(Special.)—A public sale was held at the farm of L. P. Brown, near this city, yesterday and stock brought good prices. Six head of horses sold at an average price of \$125, while others sold from \$100 to \$175 each.

Mrs. Joseph Rieger.

HUMBOLDT, Neb., March 25.—(Special.)—Mrs. Joseph Rieger died last evening at her home in the south part of the city at the age of 76 years, and the funeral will be held from the residence Friday, with interment at Dawson, in charge of Father

RAINS GENERAL OVER THE STATE.

Helps Winter Grain and Puts Ground in Good Shape.

BEATRICE, Neb., March 25.—(Special.)—The first heavy rain of the season visited this locality yesterday morning. The rainfall was accompanied by some hail and a strong wind. The ground is now in excellent shape for spring plowing.

HUMBOLDT, Neb., March 25.—(Special.)—A strong wind prevailed over this section this morning and was followed by a freshening rain which fell steadily all the forenoon. It is quite warm and the grass is making a perceptible growth.

SYRACUSE, Neb., March 25.—(Special.)—Central Otse county was visited by a much needed rain last night and today. The rain was accompanied by a heavy wind-storm, which is still blowing and which will aid in drawing the frost from the ground. Farmers in the vicinity say this rain will be of inestimable service to them in preparing the ground for spring work, and early planting is assured. In spite of the almost impassable roads farmers are hauling grain, and the Burlington road sends an extra train to this point several times a week to clear the tracks of grain. Business conditions have improved wonderfully during the last three weeks and prospects for a heavy spring trade are excellent.

RECOVERS STOLEN MONEY.

PAPILLION, Neb., March 25.—(Special.)—Frank Schutte, a resident of Portal, says he was the victim of a carefully laid plan to rob him of \$20, which he kept in a tin box, hidden away in a remote part of his bedroom. Tom McMiller, a familiar character around Portal, paid Schutte a visit during the morning, and it is alleged, after learning the whereabouts of the strong box, he expressed a desire to remain all night. Schutte had grown suspicious of the man and in the evening requested him to leave. McMiller obeyed and in the morning following it was discovered that box, money and all had disappeared. An alarm was at once sounded and a hunt made for the thief. Every likely hiding place was visited without success, when the man was found at the home of John Hagerdorn, calmly smoking his pipe. He was held a prisoner while a search was made of Schutte's house, which resulted in the finding of the money in an old overcoat pocket undisturbed. No arrests have been made.

New Suit Gives Him Away.

FREMONT, Neb., March 25.—(Special.)—Thomas Etherton, who was arrested at Omaha, Ia., yesterday on the charge of the larceny of a pocketbook containing a \$20 bill and other valuables to the amount of \$45, was brought back to Fremont last night. He claims that he found the pocketbook on the sidewalk and with the \$20 bill purchased a suit of clothes. The sight of Etherton with a new suit on aroused the suspicions of the officers, and he staid up the situation and skipped to Omaha, from where he went to Iowa. He has served several thirty-day sentences for petit larceny and is a brother of Charles Etherton, who is now in jail awaiting trial on the charge of burglary. A third brother has served two pententiary sentences for grand larceny.

Municipal Contest at Osceola.

OSCEOLA, Neb., March 25.—(Special.)—Osceola has two sets of candidates for this spring's election. The "wets" got in their work first and submitted a set of resolutions to be voted on, but they said they would not be governed by the vote of the people on the matter of saloon licenses. The "drys" have made out their list of candidates and they are Jud Holcomb, Keene Ludden, John Igdlow and W. D. Crum.

Horsestief at Nehawka.

NEHAWKA, Neb., March 25.—(Special Telegram.)—A span of mules, harness and a buggy were stolen last night from the barn of Lou Ingwersen, a farmer residing about four miles west of this place. The buggy tracks were traced as far as Weeping Water, where they were lost. No clue to the thief is in hand.

Injured in Runaway Accident.

RED CLOUD, Neb., March 25.—(Special.)—Dr. J. W. Moranville received some serious injuries, consisting of two broken ribs and a number of bruises. In an accident yesterday. His horse took fright at some object and he was thrown from the buggy. This is the second time he has been thus afflicted.

Seventh Bank for Fremont.

FREMONT, Neb., March 25.—(Special.)—A new savings bank with a capital of \$15,000 is in process of organization here and will shortly open up for business on Main street. It will be run in the interest of the First National bank and will be the seventh bank in the city.

Red Cloud Republican Ticket.

RED CLOUD, Neb., March 25.—(Special.)—The following persons have been placed in nomination on the republican ticket for

city offices this spring: E. W. Ross, mayor; L. H. Fort, clerk; J. O. Butler, treasurer; J. S. White, police judge; W. R. Parker, councilman first ward; C. F. Cather and C. J. Warren, councilmen second ward; T. E. Penman and V. B. Fulton, members of school board.

YOUNG BOY SHOTS HIS BROTHER.

Fires at Ducks and Entire Charge Enters Victim's Head.

HASTINGS, Neb., March 25.—(Special Telegram.)—The Greenfield brothers, aged 15 and 9 years, were hunting ducks near a lagoon, ten miles southeast of Trumbull, this morning, and when the older fired his shotgun at the birds rising from the water the charge struck his brother, who was in concealment on the other side of the pond, killing him instantly. The charge caught the lad squarely and the head was literally torn to fragments. The boy who did the shooting is almost crazed with grief over the event.

BRYAN FORCES FOR HEARST

Reorganizers in State Said to Be Lined Up for Judge Parker.

FIGHT ON MASSACHUSETTS FRATERNALS

Case Carried to Supreme Court Involving Validity of the Nebraska Drainage Law—Free Employment Bureau Meeting.

(From a Staff Correspondent.)

LINCOLN, March 25.—(Special.)—It now looks as though the democrats of the state will make their fight Parker or Hearst. The reorganizers have long since given out the impression that they are for Parker and predict his nomination, while the Bryan democrats are just as alert on the candidate question as the other side is loud. A little incident that occurred last night, however, gives the impression that the Bryan men are for Hearst. This incident was nothing more nor less than a bet made by Mr. Bryan's managers that Hearst would carry Illinois and so sure was he of winning the bet that he placed his money two to one.

The betting was the result of a heated controversy as to the strength of the Bryan men and the reorganizers, and it incidentally turned on Hearst. The anti-Bryan man vigorously argued that Hearst would not be able to carry Illinois. The Bryan man bristled up and bet two to one that Bryan will lose out on the candidate question. This is taken as a case of the kind that if Mr. Bryan is allowed to name the delegation to the national convention it will be a Hearst delegation.

In the meantime the things being printed about Lee Herdman and his methods in politics and his ingratitude and such like is drawing out facts concerning the other side that makes a case of the kind. Recently an afternoon paper here printed a story that the supreme judges were tied up with Herdman to the end that he was to disrupt the democratic party and they were to allow him to keep his place as clerk of the supreme court until next January. This article, it is asserted, was inspired by Herdman's manager in order to compel the supreme judges to oust him to prove they were not in such a combine.

Another story of the methods of the Bryan democrats will be ripe in a few days and it will bristle with things alleged to be unknown in democratic affairs; the removal of a man from office because he dared oppose Mr. Bryan, or rather, to humiliate him in his own state. These and many other things are being charged against the Bryan men, and in every instance they are said to be inspired by those near the throne.

The fight among democrats in this state depends upon the action of the country at large. Should the reorganizers see that Bryan will lose out in the national convention, then he will be allowed to do pretty much as he pleases in the state convention. But should the indications be that Bryan stands a chance to win out in the national convention, then it will be a fight to the finish in Nebraska.

Seek to Bar Massachusetts Fraternal.

Auditor Weston and Finance Deputy Pierce today heard arguments on the proposed bill by W. B. Price allowing fraternal companies from Massachusetts to be admitted to do business in this state. Mr. Price spoke in favor of his protest and the defense was made by A. S. Robinson, supreme regent of the Royal Arcanum, St. Louis, and W. M. Giller, an attorney.

Mr. Price argued that the state of Massachusetts had shut out many Nebraska companies for the reason that the legislature of that state in 1901 enacted a law whereby all fraternal companies that were not organized in this state had to be incorporated in Nebraska. He argued that the same rates fixed by the fraternal congress. This, Mr. Price argued, worked a hardship, for the reason that many companies already doing business in the state were not affected and charged a less rate than that fixed by the fraternal congress; therefore, he argued, the legislature should be asked to enter that state. He filed his protest under section 99 of the insurance laws, which provides that life insurance companies doing business in this state shall pay the same rate and penalties that the state in which they are incorporated charges the Nebraska companies.

Mr. Giller argued for the Massachusetts companies that the section mentioned did not refer to fraternal companies, and in support of his contentions quoted section 96 of the insurance laws, which provides that "such societies (beneficiary fraternal) shall be governed by this act and shall be exempt from the provisions of the statutes of this state relating to life insurance companies, except as hereinafter provided, and no law hereafter passed shall apply to them unless they be expressly designated therein."

Test of Drainage Law.

A suit attacking the constitutionality of the drainage law enacted by the last legislature has been filed in the supreme court and its settlement will affect probably the owners of over 100,000 acres of land in Nebraska and Johnson counties. John P. Neal and others organized a drainage district for the purpose of reclaiming swamp land in Nebraska county, and acted in conformity with the law recently enacted, attempted to dig a drain through the lands of William Vankstle and others. Vankstle resisted, and the district court held that the law was unconstitutional. Neal then appealed to the supreme court.

Dry Ticket Has Advantage.

TABLE ROCK, Neb., March 25.—(Special.)—The license people held a caucus last night and placed in nomination for village trustees the following ticket: C. H. Mitchell, J. M. Lane and Hayes Smith. The issue is to be license or no license. As the anti-license people have two hold-over members, it will be necessary for the license men to elect the whole of their ticket in order to be successful.

A wineglassful of Radam's Microbe Killer after meals and at bedtime and it will prevent and cure disease by destroying bacteria, the organic life that causes fermentation and decay of the blood, the tissues and the vital organs.

RADAM'S

Microbe Killer is the only known anti-septic principle that will destroy the germs of disease in the blood without injury to the tissues. Pleasant to the taste and agreeable to the most delicate stomach. Purely scientific remedy, recognized as a true specific.

FOR RHEUMATISM

ARTHUR B. POOLA, Cumberland, Md., writes: I had been suffering with Rheumatism for eighteen months, during which time I tried every remedy known to me, but I had taken many medicines without relief, when I commenced using the Microbe Killer. It cured me completely and I cannot speak too highly of it.

Free Employment Bureau Meeting. President Despain, chief clerk in the Department of Labor of Nebraska and pres-

ident of the Western Association of Free Employment bureaus, otherwise the Amalgamated Union of Farm Hands, has called a meeting of the association to be held at the Great Northern hotel in Chicago, April 17. The labor commissioners of Missouri, Kansas, Nebraska, Iowa, South Dakota, Minnesota and Oklahoma will participate.

Assessments on Elevators. Elevator men will be assessed on the average amount of capital stock invested during the year and on the tangible property on hand April 1. This is what the law states and it is what the Board of Equalization decided this afternoon, the attention of the board having been called to the matter by Auditor Weston and Secretary Bennett, who wanted instructions. The board believes that it is not its duty to interpret the law, but to carry it out to the letter and in this way it decided in this case, leaving the elevator men to take the matter into the courts if they choose.

Cape Town Wants Exhibits. Letters have been received here from a representative of the Cape Town, South Africa, Exposition company requesting business men and manufacturers to place exhibits at the exposition to be held there during November, December and January.

Normal Board Takes Time.

The State Normal School board met tonight to discuss certain specifications for the building of the normal school at Kearney, and at 11 o'clock adjourned until tomorrow without finishing its work. It was decided, however, to use Omaha brick or brick equally as good. The plans as prepared by Architect Berlinghoff were approved by the board. The specifications adopted by the board call for a three-story building, the front to be of stone and the remainder of pressed brick, the dimensions of which will be 170x22 feet without the projecting vestibule, which will be fourteen feet. The first floor will contain the vestibule, cloak rooms, rotunda and eight class rooms. The second floor will contain four recitation rooms, offices and four model school rooms. The third floor will contain the chapel, 64x92 feet, library and science rooms with laboratory. The chapel and library so constructed that it will be possible to use the space for recitation and class rooms whenever other buildings are constructed for the library and chapel.

Secretary Clark of the Peru Normal asked that the method of paying the members of the faculty be changed and this was referred to the auditing committee. At present each teacher has to swear to an individual voucher and individual warrants have to be issued. By resolution the pupils and teachers of the normal school were commended for the way they put out the recent fire there. The loss, as reported by Superintendent Clark, was \$250.

In Jail for Embezzlement.

Edward Waugh, charged with embezzlement, was placed in jail here tonight by Detective Malone, who arrested him in Illinois. Waugh was a clerk in the county treasurer's office and is charged with appropriating to his own use about \$3,000 of the county's money.

Omaha Debaters Win.

Representatives of the Omaha High school tonight won a decisive victory over the Lincoln High school in a debate of the question: Resolved, That it is better for the interest of the civilized world that the United States oppose the partition of China by European powers. It was agreed that Manchuria is a part of China and that opposition meant war. The question on the affirmative side was Benjamin Cherrington, Richard Hunter and Joseph Swenson. Lincoln was represented by Lloyd Whitney, George Young and Miss Fay Hartley. The judges were W. W. Cook, H. W. Caldwell and M. B. Fogg.

The debate was one of the most interesting ever held here, and of Omaha's argument. Fogg said: "It was the best I ever heard in a high school debate." The decision was unanimous for Omaha. A large crowd from the university and many from Lincoln were present. The decision practically places Omaha in the state championship, as Lincoln beat Beatrice in December. Omaha will debate Beatrice in April. This same team from Omaha won the state championship last year and have been in fifteen debates.

GOVERNOR REAPPOINTS WRIGHT.

Attorney Named as Member of Fire and Police Commission.

LINCOLN, March 25.—(Special Telegram.)—W. D. McHugh was this morning reappointed a member of the Omaha Board of Fire and Police Commissioners by Governor Mickey. His term dates from the first Monday in April and expires in 1908. Mr. McHugh was first appointed to fill out the unexpired term of C. C. Wright.

Child Instantly Killed.

ORD, Neb., March 25.—(Special.)—Word reached this place of an accident that recently occurred on the Bruha ranch, in Eureka township, fifteen miles west of this place, which cost the life of the little daughter of the Bruha household. The little daughter went into the chicken house to gather eggs. Through the house runs a tumble rod connected to the windmill, and in some manner her clothing became entangled in the rod and she was almost instantly killed. A brother was working in an adjoining building, but he knew nothing of the accident until several hours afterward, when she was missed and search for her ensued.

HOW ARE YOUR KIDNEYS? YOU OWE IT TO YOURSELF TO FIND OUT AT ONCE.

Diseased Kidneys Cause More Sickness and Serious Complications Than Any Other Disease.

WILLIAM McLAUGHLIN. It is for about a month, when I entirely recovered. I cannot speak too highly of Safe Cure, and I have recommended it to no less than a dozen of my friends, all of whom received just as good results as I.—William McLaughlin, 1739 S. 24th St., Philadelphia, Pa.

Many such uncollected letters are received daily from grateful men and women who have been cured by Warner's Safe Cure. Thousands of men and women have Kidney Disease and Do not know Until It Has Developed into Bladder Trouble, Rheumatism, Diabetes, or Bright's Disease, Which Will Prove Fatal if Not Attended To Immediately.

PAINS IN THE SMALL OF THE BACK, painful passing of urine, inflammation of the bladder, torpid, cloudy urine, pains in the back of the head and neck, rheumatic pains and swellings all over the body, ascites and jaundice tell you your kidneys are diseased and are not able to do their work properly. If you have any of these symptoms, great care should be taken to stop the progress of the disease and prevent it becoming chronic and impregnating the entire system.

TEST YOUR URINE After your morning urine stands 24 hours, if you find a deposit, or if it is cloudy, your work your kidneys are in a diseased condition and are unable to perform their work.

MEN

IT IS A SERIOUS THING THAT MEN CONTRACT DISEASES OR WEAKNESSES, BUT THE MOST SERIOUS RESULTS QUICKLY FOLLOW NEGLECT OR IMPROPER TREATMENT.

The time to secure the services of a doctor is when you realize you have violated nature's law and that your health is worth a heroic effort to regain. Don't wait until you are forced to pay the price. Neglect on your part simply entices complications and permits disease to become more deeply seated, necessitating a more expensive course of treatment. Why jeopardize your future health and happiness by deferring treatment and neglecting a duty you owe to yourself, and especially to the future generation?

If you are ailing, come to our office and consult us privately. We have cured quickly, safely and thoroughly hundreds of cases which have been abandoned by other physicians and so-called experts; cases which have been aggravated and made worse by EX-PERIMENTAL TREATMENT and QUICK CURE SCHEMES. We cure these difficulties after all others have failed, because we know exactly how to go about it, and what is required to do the work in each individual case, hence we are not obliged to resort to experiments.

For the speedy cure of the diseases that so insidiously destroy the intellect, debilitate in youth, exhaust the services of the eminent specialists connected with the State Electro-Medical Institute. They will stop these untimely deaths, and restore to sound health the pitiable victims of nervous debility, brain fatigue and wrecked manhood.
