WANTED-MALE HELP

"WILL I GET A SITUATION?" This is the business college student's first question.

Our Employment Department has recently placed over 300 Boyles' graduates in fine salaried positions with firms where ability and industry are quickly noted and rewarded.

Both the Smith Premier and Remington Typewriter agencies in Omaha are constantly asking for "Boyles Graduates for our Customers."

It is a provable fact that we have never been able to fill all the positions that we have had to offer our students.

It pays to attend the college from which business men have found it pays to get stenographers and bookkeepers.
