MICHIGAN FARMS

Write for our book and lists descriptive of the wonderful bargains we offer, Look at map and get our location. Right in the great and rich central west, with its vast population and great markets. Let at map and get our location. Right in the great and rich central west, with its vast population and great markets. Let us give you weather reports and prove that this land district has the best winter climate of all the northern states. Seidom below zero, and then but a few degrees. It's the best land of fruit, grain and stock. The home of peaches, plums, pears, apples, cherries, grapes, berries, The land of clover, corn, tinothy, oats, potatees. The markets are unsurpassed. The hired help question is settled, for small farms get big results with the variety of crops raised and markets right at hand. The best of schools, rural routes, telephones, electric lines and up-to-date towns. Think of these advantages and know that you can have a nice improved farm here for \$30.00 to \$50.00 per acre and on easy payments over a long period. This is the best land preposition in the United States and if you want a change you cannot afford to pass it by. Use a postal card and get the facts. In writing mention this paper.
