**Nicoll THE TAILOR**

W. G. JERREMS, Pres.  
209-211 So. 15th Street.

**What's in a Name?**

**THE** tailor's name on the back of a garment is not always the best evidence that you've got your money's worth.

Perhaps you've paid a fancy price for the name?

Imagination plays the leading part—when it comes to paying \$60 to \$70 for a suit and \$16 to \$18 for trousers.

You imagine they're better—simply because you're paying more—and because the name of some 'way up' tailor is on the inside of your coat.

There is no perceptible difference in the style—cloth—fit—or trimmings of Nicoll's \$35 Suit and the \$60 production of the high priced tailor.

**Trousers...\$5 to \$12**

To the St. Louis exposition. Forty trips have already been awarded as a result of the previous "elections." There are still twenty trips for those who are ambitious to see the exposition and make the journey at the expense of The Bee. The exposition is not open yet, but when your friends come back in the summer and fall and tell you how fine it was, you will be sorry that you did not let people know that you wanted to go and get them to vote for you. A little hustling will result in

The trip from Omaha to St. Louis will be

**Via the Wabash**

The reason the Wabash has been selected as the best route to the World's Fair is because it is many miles the shortest, the time is quicker and it lands passengers at its own station at the main entrance at the World's Fair grounds. It has seven distinct lines to St. Louis from all directions, so that its facilities for taking care of you are greater than that of any other road.
